DETERMINATION

It has been determined by the Historic Preservation Commission's Designee that the **concrete block garage** located at **11 Rush Street** is **NOT Historically Significant**, in accordance with *Section 7-28, subsection (e) (3)* of the Demolition Review Ordinance 2020-20. While the **concrete block garage**, based on its style and construction materials is "at least 75 years old," it has been deemed not to be:

- Associated with one or more important historic persons or events, or with the broad architectural, cultural, political, economic or social history of the city or the Commonwealth of Massachusetts; or,*
- Historically or architecturally significant (in terms of period, style, method of building construction, or association with a reputed architect or builder) either by itself or in the context of a group of buildings, and therefore it is in the public interest to be preserved or rehabilitated rather than to be demolished.*
