#	Question	Answer
1	Can you please share any previous, historical financial data including gross revenues, operating expenses and attendance data?	We do not have any financial data that we are able to share as the License agreements with the previous vendor in 2021 and 2022, C#220180 and C#230600, only required that a flat fee would be paid to the City. However, the City via this RFP is only asking for a \$1 fee but looking for the vendors to propose a Revenue Share Percentage model. We can provide the previous hours of operation for when the City of Somerville last operated Founders Memorial Ice Skating Rink. Between 2019 and 2022, hours of operation averaged 1,320 hours per year.
2	Will any prior sales figures will be released regarding this RFP, in order to determine pricing and profit and loss scenarios.	Please see the above answer
