DECISION: Approved (Condition Removal)
DATE OF VOTE: September 3, 2026
DECISION ISSUED: September 16, 2026

This decision summarizes the findings made by the Planning Board (the “Board”) regarding the request to a conditions removal of a previously issued Special Permit for Somerville Family Dental PC (Senick LLC, Nikhilesh Rao Gorukanti)

LEGAL NOTICE

Adam Dash, Esq. on behalf of Somerville Family Dental PC requesting a removal of conditions from Special Permit DRA#2020-0125 in the Mid-Rise 5 (MR5) zoning district.

RECORD OF PROCEEDINGS

On September 3, 2026, the Planning Board held a public hearing advertised in accordance with M.G.L. 40A and the Somerville Zoning Ordinance. Present and sitting at the public hearing were Chair Michael Capuano, Vice-Chair Amelia Aboff, Clerk Jahan Habib, and Board Members Michael McNeley, Lynn Richards and Alternates Luc Schuster and Coralie Cooper.

At the hearing the Applicant’s Agent Adam Dash and Applicant Nikhilesh Rao Gorukanti gave a brief presentation and explained that current conditions #1 (“All storefront windows should maintain visual transparency with the exception of conforming merchandise display areas for art displays.”) and #2 (“Any artistic displays shall be rotated on a quarterly basis.”) of Special Permit case number DRA#2020-0125 creates space constraints in the dental office, and the removal of said conditions will allow the office manager to move from the hallway into a current art display area and expanding an operating room by repurposing part of the display space. The proposal is to leave one side of the office visible from the street and the operating area blocked by a 4-foot-tall privacy screen. The proposed changes would not affect the compliance with the arts and creative enterprise (ACE) requirements of the building.

After the applicant’s presentation, the chair opened the public comment portion of the hearing, of which there were none. The Planning Board discussed the proposal agreeing that they understand the request from the Applicant and their need for more space,

however there were some concerns about a blank privacy screen at a pedestrian level business. After a discussion between the Board and the Applicant about best operational practices to maintain some level of visual engagement, such as art or community event notifications, rather than leaving screens blank. The board agreed to modify the conditions to allow either artwork organized by the Somerville Arts Council or alternative community engagement displays, with a quarterly rotation schedule. There was no further discussion and the board moved to a vote.
