

BUILDING SOMERVILLE'S CAPACITY TO RESPOND

CLIMATE CONVENING SERIES 2026: CONNECTING, LEARNING, THRIVING

JOIN COMMUNITY LEADERS IN DISCUSSION

How do we - Somerville-area residents, workers, visitors, volunteers, and knowledge holders - respond locally with so many national fires burning?

Join community leaders to explore how we can grow city-wide efforts to mitigate climate harms and restore biodiversity during a period of federal setbacks, strengthen conversation between the city and area advocates, and promote justice.

Free and open to the public. Event will be followed by open social time. RSVP: <https://bit.ly/4jkQnez>

**SATURDAY
17 OCTOBER,
3:00 - 5:00
P.M.**

**THE SOMERVILLE
COMMUNITY
GROWING CENTER**

**RAIN DATE:
