

Latex Paint Pick-Up Day Protocols

General Protocols

- The latex paint pick-up event will be offered on October 9th from 8am to 3pm.
- This is a **pick-up ONLY event**; no drop-off will be allowed by any attendees.
- Any individuals or businesses are welcome; this is not an event exclusively for Somerville residents.
- Latex paint offered by the City of Somerville DPW shall be taken as is and may only be returned by Somerville residents at a Household Hazardous Waste Event.
- The City of Somerville is not responsible for the condition of the paint.
- Supplies offered on a first come first serve basis

Arrival and Organization

- Upon arrival attendants may walk up the designated route to the check-in table. This will be demarcated by signs and cones.
- The Recycling Manager will be stationed at the check-in table to help constituents at the DPW entrance.
- The shed attendant will help guide attendees where they may park and where the paint shed is located.

Parking

- Attendants will park outside of the DPW yard on the street.
- Attendants may briefly park in front of the paint shed to load their desired paint.

Materials

- Table for check-in (computer or notepad to document number of people and amount of paint taken).
- 6-10 cones to demarcate an attendee path along the street -facing left side of the DPW entrance.
- 2 horses with information on where to park and where to check in.
