WHERE: THE ATRIUM

“HIDDEN FIGURES” (PG)

“Three brilliant African-American women at NASA—Katherine Johnson, Dorothy Vaughan and Mary Jackson—served as the brains behind one of the greatest operations in history: the launch of John Glenn into orbit, a stunning achievement that restored the nation’s confidence, turned around the Space Race, and galvanized the world.” Based on a true story.

This movie stars Taraji P. Henson, Octavia Spencer, Kevin Costner, Janelle Monae and Kirsten Dunst. This movie runs approximately 2 hours and 7 minutes.
