

The Somerville Council on Aging Presents

Learn how to Be SEEN!

Holland St. Center
Tuesday, November 28th 2017
10:00am-11:00am

Be SEEN ("Be Somerville Energy Efficient Now") educates residents about city, state, and federal programs to help make homes more energy-efficient. Whether you are a tenant, landlord, or a homeowner, there is a program for you!

Join Christine Andrews, the City's Housing Environment Programs Coordinator, to learn about two programs that can help improve the efficiency and comfort of your home – just in time for winter! Light refreshments will be provided.

Please contact Natasha at 617-625-6600 ext. 2317 to RSVP
