

Massachusetts Equipment Distribution Program, more commonly referred to as MassEDP will be at

Low Vision Group  
Holland Street Center  
Tuesday, November 14, 2017  
10:30am—11:30am

MassEDP provides adaptive telephone equipment to people who have difficulty using the telephone due issues such as hearing loss or vision loss. This enables you to have the opportunity to enjoy clear, independent phone communications and the ability to contact 911 in the event of an emergency. The specialized telephone equipment is offered to people with a permanent disability for little or no cost, depending on income level. These disabilities include: deaf/hard of hearing, blind/low vision, motion, cognitive, and speech.

There are several different types of equipment, each offering special benefits based on disability.
