

Save the Date!

October 4 at 6:30pm

West Somerville Community School
177 Powder House Blvd.

Come to the next **HeatSmart CoolSmart Somerville** community event!

Learn more cold climate air source heat pumps and how they can save you money while making your home more comfortable.

Learn about HeatSmart CoolSmart's special discounts and the **over \$900 in rebates** you could receive.

Meet our two installers competitively selected by the City for their track record of excellent service.

Learn from your neighbors about their experience with their heat pumps.

Refreshments served at 6:30. Presentation begins at 7:00.
