Case: HPC.DMO 2021.28

Applicant: 227 Holland, LLC

Owner: Maria Melo and Carmilla Turner,
Trustees of the Gilda Santos 2019 Revocable Trust

Legal Ad: *Demolish principal structure*

HPC Meeting Date: December 14, 2021

The purpose of a staff report is to provide the Historic Preservation Commission (HPC) with additional information and professional assessments regarding properties that are proposed for demolition. These assessments are based on the criteria allowed for consideration by the HPC in accordance with the Demolition Review Ordinance (DRO). A Staff Report is not a determination/decision, nor does it constitute authorization in any form.

I. SUMMARY OF NOVEMBER 16, 2021 MEETING

At their regular public meeting on November 16, 2021, the HPC declared the structure at 227 Holland Street to be “Historically Significant”. Due to this determination, 227 Holland Street moved on to the second step in the demolition review process, which calls for the HPC to determine whether or not the building should be “Preferably Preserved”. A determination of “preferably preserved” does not permanently halt demolition of a building.

II. BUILDINGS UNDER CONSIDERATION

The building at 227 Holland St is a two-story residential structure. 227 Holland Street was constructed at some time between 1900 and 1903.
