

If your home was built before 1978,
you may be exposed to lead paint.

Lead exposure can cause serious health
issues, especially for children.

Come to the Lead Paint Safe Information Session

Tuesday, October 23, 2018 @ 6:30 pm

Argenziano School Cafeteria, 290 Washington Street

Learn how our program can help you eliminate the risk from your home.

Pizza and refreshments will be provided.

Lead Paint Safe Somerville is a limited-time program that provides assistance to control lead hazards in Somerville housing units. Income restrictions apply. Tenants may qualify landlords for participation.

Apply for the program today:
www.somervillema.gov/lead
