## **Somerville Council on Aging to host A Day of Remembrance**

Throughout our lives we all experience grief and loss. On Thursday, June 7<sup>th</sup> The Somerville Council on Aging, in conjunction with Beacon Hospice, will be hosting a service of remembrance. Nancy Duffy, a Bereavement Coordinator, will help us take a moment to acknowledge those we have recently lost and to provide us with time to recall some of our fondest memories.

The speaking program will begin at 10:30am at The Holland Street Center, 167 Holland Street, Somerville, MA 02144 and will be followed by lunch and a lively game of bingo. Please contact the Somerville Council on Aging at 617-625-6600 extension 2300 for additional information and to sign up for this complimentary event.
