Locations and Guidelines

Police Station, Somerville

Thursday, April 19th, 6:30 pm
259 Lowell Street
VNA, Somerville

Join us to discuss how recreational marijuana establishments might be permitted in Somerville.

The city is currently studying how to best implement the new recreational marijuana state laws established in the 2016 ballot question.

Each meeting will begin with a presentation reviewing the laws and a status update on existing medical marijuana dispensaries in Somerville, followed by a discussion that will help us create new city policy regarding recreational marijuana sales. We need your feedback and hope to see you there.
