

COMMUNITY CONVERSATION ENVISIONING THE FUTURE OF SOMERVILLE HIGH SCHOOL

Join fellow parents/guardians and community members for a planning session about how Somerville High School can best ensure that every student engages in diverse and authentic learning opportunities outside the school walls that will prepare them for success after graduation.

Together we will explore:

- ▶ What should future SHS graduates know and be able to do?
- ▶ What are the most important characteristics of the future SHS?
- ▶ What out-of-school learning opportunities should be available for students?
- ▶ How can the Somerville community support out-of-school learning for students?

Monday, February 12th; 6 PM to 8 PM at Greentown Labs
444 Somerville Avenue, Somerville MA

Public transportation is encouraged as there is no on-site parking available. There is limited metered parking available on nearby streets.

Translation services will be available. Complimentary dinner will be served.
