Case: HPC.DMO 2022.18

Applicant: John F. Reilly

Owner: John F. Reilly and Liese Reilly,
Trustees of the Reilly Trust

Legal Ad: *The Applicant seeks to
demolish a principal structure
constructed
a minimum of 75 years ago.*

HPC Meeting Date: July 19, 2022

The purpose of a staff report is to provide the Historic Preservation Commission (HPC) with additional information and professional assessments regarding properties that are proposed for demolition. These assessments are based on the criteria allowed for consideration by the HPC in accordance with the Demolition Review Ordinance (DRO). A Staff Report is not a determination/decision, nor does it constitute authorization in any form.

I. SUMMARY OF June 21, 2022 MEETING

At their regular public meeting on June 21, 2022, the HPC declared the structure at 233 Tremont Street to be “Historically Significant”. Due to this determination, 233 Tremont Street moved on to the second step in the demolition review process, which calls for the HPC to determine whether or not the building should

be “Preferably Preserved”. A determination of “preferably preserved” does not permanently halt demolition of a building.

II. BUILDINGS UNDER CONSIDERATION

The structure at 233 Tremont Street is a wood-framed triple-decker. Using City Directories in conjunction with historic maps we can place the year of construction between c. 1884 – 1889.

III. ADDITIONAL INFORMATION

Preservation Planning has not uncovered any additional information in the intervening weeks since the Historic Significance vote.

To see the historic maps and research regarding the building at 233 Tremont Street and a general history of the area, see the May 17, 2022, staff report on Historic Significance.

IV. DETERMINATION

The HPC must determine one of the following for the structure at 233 Tremont Street:

- a. That the building is Preferably Preserved.
- b. That the building is not Preferably Preserved.
- c. That the building is not Preferably Preserved *with Conditions*.

See the following section V “Findings” for guidance

V. FINDINGS

The HPC need to make a determination of whether the structure is to be preferably preserved and adopt findings.

a. Preferably Preserved

For a determination of ***preferably preserved***, the HPC must make the following finding:

- *That the demolition of the structure at 233 Tremont Street would be detrimental to the architectural, cultural, political, economic, or social heritage of the City.*

If the HPC makes the above finding, the Commission must state their reasons why they take either position.

b. Not Preferably Preserved

If the HPC makes the above finding, the Commission must state their reasons why they take either position.

c. Not Preferably Preserved with Conditions

For a determination of ***NOT preferably preserved with Conditions***, the HPC must make the following finding:

- *That the structure at 233 Tremont Street do not meet any of the criteria to be “preferably preserved.”. The HPC may add any or all of the following as conditions to this determination:*
 - 1. *photographic documentation of the building to be demolished;*
 - 2. *architectural renderings of the building to be demolished;*
 - 3. *identification of materials for salvage of material; and/or,*
 - 4. *a plan for installation of historic or interpretive signage at or near the site.*

If the HPC makes the above finding, the HPC must state their reasons why they take this position.

VI. VOTE

When bringing the matter to a vote, the HPC must include the reasons why the structure at **233 Tremont Street** is or is not “preferably preserved”.
