# OPEN HOUSE

## COME MEET THE ADVESA TEAM!

**Join the Advesa team for an open house at the proposed marijuana retail store  
690 - 694 Broadway at the corner of Josephine Avenue.**

**We will be presenting our proposal for an Economic Empowerment  
cannabis retail store and meeting with neighbors so that they can learn about Advesa  
and it's plans for the store; to obtain input from them as to the outside look of the store,  
and, most importantly, to address any concerns that they may have with a cannabis  
retail store in Ball Square. We will provide light refreshments and  
look forward to meeting all of you.**
