

Addendum No.1, IFB 15-08-Rebid

CITY OF SOMERVILLE, MASSACHUSETTS
Department of Purchasing
JOSEPH A. CURTATONE
MAYOR

To: Prospective bidders IFB 15-08-Rebid, Mystic Boathouse Floating Dock

From: Alex Nosnik, Assistant Director, Purchasing

Date: September 5, 2014

Re: **Questions & Answers**

Addendum No. 1 to IFB 15-08-Rebid

The City is issuing this addendum to IFB 15-08-Rebid Mystic Boathouse Floating Dock to provide additional information:

****PLEASE BE SURE TO ACKNOWLEDGE THIS ADDENDUM BELOW ****

- 1. Reminder of Bid Due Date:**
 - o **Wednesday, 9/10/2014 at 11am**

- 2. Questions and Answers:**

Q. *In section 4.0 it states to see Attachment B for detailed, required dimensions. In Attachment B it specs that there must be 68 float sections, 367 float connectors, and 8 extra floatation. Could you please provide clarifying dimensions and diagrams for these items.*

A. So long as the dock that you propose meets the required dimensions (as shown in Attachment B) and so long as the proposed dock is able to be removed and installed by hand and be attached to the existing permanent dock in such a way that does not require drilling or damage to the existing dock, the specific number of float sections / connections / extra floatation is up to the discretion of the bidder. Specifically, the entire dock should be able to be easily removed without the use of specialty equipment or tools (beyond normal and customary tools that the City's Dept. of Public Works would already have, such as wrenches, screwdrivers, hammers, etc.). Lastly, the specific number of float sections / connections / extra floatation is up to the discretion of the bidder so long as the dock is

Addendum No.1, IFB 15-08-Rebid

able to safely attach to the existing, permanent dock and is able to fit the desired specifications and functionality outlined in section 2.0 of the IFB.

Please acknowledge receipt of this Addendum by signing below and including this form in your proposal package. Failure to do so may subject the proposer to disqualification.
