

Garbage to Garden

City of Somerville

Sign Up for Somerville's Food Waste Collection Pilot Program

No-cost weekly curbside pick-up on your trash day.

The pilot program will provide no-cost food waste collection for a limited number of households.

Eligible households must:

- be located within the pilot neighborhood
- be located in a building with 6 units or fewer
- not already have an active curbside composting subscription

Persons with disabilities who need ADA accommodations to access this program, please contact 311 (617-666-3311)

If you need assistance translating or understanding this information, please call 311 (617-666-3311) or contact us at languageaccess@somervillema.gov. The City of Somerville can provide you with an interpreter for free.

The City of Somerville is offering a limited-time pilot program for curbside pickup of food scraps from eligible households. **Participation is voluntary and no cost.**

Why compost?

-  Reduce trash
-  Reduce odors from trash
-  Secure food scraps from rodents
-  Turn food scraps into soil
-  Reduce climate pollution from food waste
-  Support local programming

Participating households will receive a kitchen container, curbside bin, roll of liners, and educational materials at no cost.

We'll pick up the compost bin at the curb on your regular trash and recycling day.

Space is limited. Find out if your household is eligible today!
