Mayor Katjana Ballantyne

City of Somerville
Office of Sustainability & Environment
50 Evergreen Ave., Somerville, MA 02145

The City of Somerville is offering a limited-time pilot program for curbside pickup of food scraps from eligible households. **Participation is voluntary and no cost.**

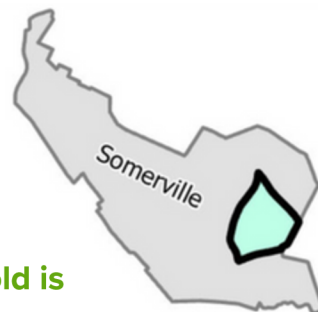

Why compost?

-  Reduce trash
-  Reduce odors from trash
-  Secure food scraps from rodents
-  Turn food scraps into soil
-  Reduce climate pollution from food waste
-  Support local programming

The pilot will provide no-cost food waste collection for a limited time. Eligible households must:

- be located within the pilot neighborhood.
- be located in a building with 6 units or fewer.
- not already have an active curbside composting subscription.

Space is limited. Find out if your household is eligible today!

Participants will receive a kitchen container, curbside bin, and educational materials at no cost. Garbage to Garden will pick up the bin at the curb on your regular trash and recycling day.

Persons with disabilities who need ADA accommodations to access this program, please contact 311 (617) 666-3311
