

# City of Somerville, Massachusetts

## Mayor Jake Wilson

### EXECUTIVE ORDER 2026-01

February 6, 2026

Upholding the rights and safety of Somerville residents amid unconstitutional federal actions

**WHEREAS:** The City of Somerville established itself as Welcoming Community for all—enacted in 2019 and reaffirmed in 2024—since declaring itself a Sanctuary City in 1987; and

**WHEREAS:** The City of Somerville is committed to protecting everyone's dignity and humanity and being a city where all feel welcome and safe, regardless of their race, religion, immigration status, or national origin; and

**WHEREAS:** The City's Welcoming Community Ordinance makes clear that the City's finite resources are to be used to provide municipal services to the Somerville community, and not for the purpose of enforcing civil immigration laws; and

**WHEREAS:** Local governments are responsible for ensuring the public safety and wellbeing of all their residents through police powers afforded by the U.S. Constitution; and

**WHEREAS:** The commitment to public safety requires the pursuit of justice regardless of the identity of the victim or the perpetrator, and includes holding all perpetrators of crimes against its people accountable; and

**WHEREAS:** The Tenth Amendment enshrines this reality, establishing that state and local governments hold the authority to enact public safety policies, and prohibiting the federal government from commandeering state and local resources; and

**WHEREAS:** Courts across the country have held that the federal government cannot compel the use of local resources for federal immigration enforcement; and

**WHEREAS:** The City of Somerville's Welcoming Community Ordinance reflects the City of Somerville's commitment to dedicating resources to criminal law enforcement, not civil immigration enforcement, consistent with the Constitution, state law, and the City's dedication to the community policing that keeps its neighborhoods safe; and

**WHEREAS:** The federal government has recklessly deployed immigration enforcement agents to American cities, including Chicago, Illinois, Minneapolis, Minnesota, Saint Paul, Minnesota, and Portland, Maine, and in these deployments, federal agents have fomented chaos, violated residents' constitutional rights, and perpetrated egregious acts of violence, including the fatal shootings of Renee Good and Alex Pretti; and

**WHEREAS:** The deployment of federal officials to Minneapolis and Saint Paul constitutes an unlawful occupation of those cities, violating the constitution and subverting the Supreme Court's prohibition on the deployment of National Guard troops to achieve the same coercive goals; and

**WHEREAS:** The official response from senior federal officials to the death and violence caused by ICE operations demonstrates a callous disregard for human life and a willingness to sanction violent attacks on innocent people, perpetrated without accountability to law, which causes fear and unrest in Somerville and communities across this country; and

**WHEREAS:** In this moment of national crisis, the City of Somerville shall continue to prioritize public safety, including protecting residents from violence and ensuring accountability for all who perpetrate it; and

**WHEREAS:** The City of Somerville has long stood in opposition to tyranny and follows the principle that the United States is a nation of laws, and that governments—federal, state, and local—must respect the law to protect the fundamentally American values of democratic accountability and respect for the dignity of all people;

***NOW, THEREFORE, BE IT ORDERED:***
