

Want to support food security?

Donate \$\$\$ to a local org!

Different people have different traditions and needs. We can all understand the value of choice in what we cook and eat. In order to give a neighbors more autonomy over their meals, give cash or a gift card for stores like Market Basket or Stop and Shop to one of our local food assistance organizations.

Elizabeth Peabody House

A Winter Hill-based non-profit focused on building stronger communities through childcare and food access, including a pantry and delivery program.

Contact tboucher@teph.org or visit 277 Broadway to donate.

Project SOUP
