

Whispering Peace
Kirk E. Felix

Capo: 1st Fret *Chords: C, Em, Am, F, G*

C **Em Am** **F** **G**
The wind across this Great Land, once whispered peace.

C **Em** **Am** **F** **G**
Brothers and sisters, why can we not see?

C **Em Am** **F** **G**
That nations once united, lay fallen to the ground,

C **Em Am** **F** **G**
And millions of people wonder, where, oh where, they are bound.

C **Em** **Am** **F** **G**
When this old world is finally gone and we're before Gods throne,

C **Em** **Am** **F** **G**
All that he'll have to say to us is that "You're condemned to burn".

F **Em** **F** **G**
Because the wind across this great land, can no longer whispered peace,

C **Em** **Am** **F** **G**
And we're the ones who destroyed it all, because we did not heed.

C **Em** **Am** **F** **G**
Now if we would have listened to the words that Jesus said,

C **Em Am** **F** **G**
 "Love thy neighbour as thy self", then there'd be peace instead.

F **Em** **F** **G**
But the winds across these great lands, can no longer whisper peace,

C **Em Am** **F**
Because we're the ones who destroyed it all, because we did not heed.

So come all, yea people, listen to my plea.

C **Em** **Am** **F** **G**

Let's sing that song together, of love with harmony.

F **Em** **F** **G**

So that our unborn children, can live in peace,

C **Em** **Am** **F** **G**

And the winds across these Great Lands, will once again whisper peace.

Guitar/Violin Break

Final Verse To be sung with feeling

F **Em** **F** **G**
So come all, yea people, and listen to my urgent plea.

C **Em** **Am** **F** **G**

Let's sing that song together with love, in unity.

F **Em** **F** **G**

So that our unborn children, can live in peace,

C **Em** **Am** **F** **C**

And the winds across these Great Lands, will once again whisper peace.

F **Em** **F** **G** **C**
OOO _____ OOO _____ OOO _____ OOO _____ OOO **End**
