

# **“In The Clear”**

## VERSE 1

Hey man, look who's here,  
We've been waiting for ya.  
Hey man, you're in the clear,  
What's your name soldier?

## PRECHORUS

You've been out in the rough,  
We've been waiting for ya.  
Peter must've had enough,  
And you're no holy roller.

## CHORUS

**Hey man, you're in the clear,  
We've been waiting for ya.  
So wake up, wake up,  
Carry on soldier.**

But you ain't how it left you.  
Hey, you ain't on your own,  
Peter's here to test you.

We've been waiting for ya.  
I know you ain't had enough,  
And we ain't here to mourn ya.

We've got leave you on your own  
Until another day
