

# Mr. Tinder

Jennifer Perez

## [VERSE 1]

You drive in style, impress the girls  
Flaunt daddy's money, cash'n string pearls  
You dress so well, can't help but smile  
You kiss so well, worth my while

## [CHORUS]

Panties are off, blonde hair blue eyes  
Panties are off, drink up your lies  
Panties are off, rich and tall  
Panties are off, watch me fall

## [VERSE 2]

Don't give 2 shits, he's in my head  
I won't put out, kicked out his bed  
Said no goodbye, just turned away  
Another score, another day.

## [CHORUS]

## [BRIDGE]

I keep trying, trying to contain myself, I can't help  
The way you look at me, drives me crazy  
I keep trying, trying to say no to you, I can't help  
Words you whisper, drives me wild

## [VERSE 3]

Still wish you well, on you're way  
Tasting cultures, got numbered days  
You call the shots, no God to pray  
blow n money, such a cliché

## [CHORUS]

So my panties stay on, rich and tap  
Panties stay on, you're off the wall  
Panites stay on, you mean as hell  
Panties stay on, no score to tell
