

## **Closure**

Sean Bertram

### *Verse 1:*

I must be drunk because I'm calling you  
You must be drinking 'cause you're answering  
the phone  
It's been so long and when I try to speak  
You interrupt me with the dial tone

### *Verse 2:*

In the morning I'll regret tonight  
But tomorrow night I'm sure I'll do it all again  
'Cause you bit me once and now I can't move  
on  
With a heart that's twice as shy and half as  
confident

### **Chorus:**

**I don't want you back  
All I want is to be so far over you  
I want you at my back  
But I can't do that without a little bit of  
A little bit of closure**

### *Verse 3:*

I used to think that you were good for me  
And I thought I'd be a different kind of broken  
when you left  
But instead of whisp'ring for the tide to take me  
back  
I'm screaming underwater 'til I'm out of breath

### **Chorus:**

**I don't want you back  
All I want is to be so far over you  
I want you at my back  
But I can't do that without a little bit of  
A little bit of closure**

### Bridge:

Go ahead and waste my time  
God knows you took enough already  
So cut the line; cut the string you strung around  
my heart and mind  
You left me high and dry, you left me blind

How kind of you to waste my time  
God knows you took enough already  
So cut the line; cut the string you strung around  
my heart and mind  
The least that you could do is tell me why  
You won't let me leave you behind

### **Chorus:**

**I don't want you back  
All I want is to be so far over you  
I want you at my back  
But I can't do that without some heavy  
explanation  
And a little bit of**

**I don't want you back  
All I want is to be so far over you  
I want you at my back  
But I can't do that without a little bit of  
A little bit of  
A little bit of closure  
A little bit of closure  
A little bit of closure**
