Today

I'm gunna change the world
Even if its not too much
A littles enough for me
Cause hey

Even if I can't fight the flames
I can play my part

In the hearts that know my name

Even if your voice won't carry far
You're still creating waves
Just standing where you are
So don't you stop
Making all that noise
Cause the world needs
To hear you today

Yesterday

I sent my message to the world
Yeah I sang a song
It was carried along
By the wind
What I'm trying to say
No matter where you stand
You should do your thing
Don't be afraid to sing your life
away

Even if your voice won't carry far
You're still creating waves
Just standing where you are
So don't you stop
Making all that noise
Cause the world needs
To hear you today

Oh Oh Oh Oh
Oh Oh Oh Oh
Oh Oh Oh Oh
Oh Oh Oh Oh

Oh Oh Oh Oh
Oh Oh Oh Oh
Oh Oh Oh Oh
Oh Oh Oh Oh

So what have you got to say
What have you got to say
What have you got to say
Today
So what have you got to say
What have you got to say
What have you got to say
Today
