V1

I'm not the type to go to extremes but I can do that.  
Once in a while I pull a big surprise out of my hat.  
I finally found what I was meant to do.  
And darling when it comes to loving you  
Honey, I would make time.  
Darling, I would make time.

V2

Like anyone I've got a lotta little things on my plate.  
But when it comes down to being 'round you I won't hesitate.  
The world can wait another week or two.  
Let'em line up 'til I get to you.  
Honey, I would make time.  
Darling, I would make time.

I finally found what I was meant to do.  
Let'em line up 'til I get to you.  
The world can wait and let'em line up 'til I get to you and...  
I finally found what I was meant to do and darling that is...  
The world can wait and let'em line up 'til I get to you and...  
I finally found what I was meant to do and darling that is...  
The world can wait and let'em line up 'til I get to you and...  
I finally found what I was meant to do  
And darling that is loving you.

Honey, I would make time.  
Darling, I would make time.  
Sugar, I would make time.  
You know I would make time.
