

Caroline

Sean Bertram

Verse 1:

Legs up to her neck; hair down to her toes
She can put the sun to shame and draw poetry from prose
She sweeps me off my feet and gets me on my back
She's tenderly ferocious, bringing fiction into fact

Pre-Chorus:

All I'll ever need is right in front of me

Chorus:

**Caroline my love
Oh she's my day and she's my night
Caroline my love
Caroline, Caroline for all my life**

Verse 2:

Strawberry curls; emerald eyes
She's got candy on her lips and I'm taking a bite
She's dancing in my head every second of the day
She's got me groovin' to her music that refuses to fade

Pre-Chorus:

All I'll ever need is right in front of me

Chorus:

**Caroline my love
Oh she's my day and she's my night
Caroline my love
Caroline, Caroline for all my life**

Bridge:

Charged by friction I'm in shock; we'll never lose this
Just one moment never stops with just one kiss

Pre-Chorus:

All I'll ever need is right in front of me

Chorus:

**Caroline my love
Oh she's my day and she's my night
Caroline my love
Caroline, Caroline for all my life
Caroline my love
Oh she's my day and she's my night
Caroline my love
Caroline, Caroline for all my life**
