

## **BROKEN - by DAHLIA FERNANDES**

### **Verse 1**

I let you in  
not knowing how I could do without your love now

I love every part  
Part of you  
But you don't feel like I do now

### **Chorus**

So I walk away from something beautiful  
You just don't think that we are incredible  
One look at you - Oh so invincible now  
But I'm broken!  
Oooh...ooh-ooh-ooh-ooh  
I'm...ooh-ooh-ooh-ooh

### **Verse 2**

You seemed perfect from the very start  
And now it's time to save this bleedin' heart

### **Chorus**

Now I walk away from something beautiful  
You just don't think that we are incredible  
One look at you - Oh so invincible now  
But I'm Unbroken!  
Oooh...ooh-ooh-ooh-ooh  
I'm Broken...ooh-ooh-ooh-ooh

## **BRIDGE SOLO**

### **Chorus**

So I walk away from something beautiful  
You just don't think that we could be incredible  
One look at you - Oh so invincible now  
But I'm broken!
