Verse 1 (Amanie):

When my world is going crazy
When everything is going down
You're the king that keeps me stronger
And I'll know you'll be around
Your love comes with me everywhere
Your love leaves me without a care
Your love keeps me up every day
So don't mind what the others say
There's nothing I won't do for you
To you, I know, I will be true
You are the anchor to my soul
And I thank god each day
For send you my way

Chorus

Verse 2 (Yaba):

Girl you know your beauty in my eyes
You look so fine, oh
(Fine oh, fine oh, fine oh)
And I swear I ain't gonna lie you
Everytime I see you, I fall in love, oh
(love, oh, love, oh, love oh)
Allo, Baby, Don't really close
I just wanna let you know
For real, baby, I'm overdosed in your love
Lele lele lelele, Ita bamba taie
Lele lele lelele, Ita binea zay nar

Chorus (x2)
