I Try....I Try  
I don't know why  
Oh why'd you do it  
Left me there broke  
You said fuck'n screw it  
Baby low down  
The hardest round  
From me to you  
oh boo hoo  
oh boo hoo  
Tell me what I need to know  
Did you ever love me  
Ever Love Me  
I'm Cryin' every day  
I Cry and I don't know why

I'm Cry'n over you  
Are you Cry'n over me  
I bet not  
You use me up  
You tare me down  
You screwed my life up then ya  
Left me there bleeding on the ground  
And I cry  
Devastated, I don't know why  
I'm Cry'n  
Every Sorry  
I'm just Dyin'  
Right Here  
In Front of You  
Take a round  
Hold Me Down  
Hold Me Close  
Don't leave me, Don't Leave me  
Don't let me go  
Oh...how you like me now  
Do you try  
Do you Cry do you wonder why

I do. Every Day

I wonder why you made such a mess of me....

How I let it go down

Oh Lets' go one more round

Oh Baby Baby cut throat,

Watch Me Go

And then I'll Just Cry

Right There

Ah put it all on the floor and you don't care

You left me low down bleedin'

Why me

Why you

How did I let you

Take me back

How did I take you

Every day you're like a fucking heart attack

You bleed me down

Choke me

Smoke me Gun Stroke

Blow me up

Smoke me

Took me

Just make me yours

Abuse me on the floor

Then you slapped me

Took My words

Throw them back at me

All of my love

I heard

You just wanted to stab me in the back

6 feet under I fall

I'm dead man

I'll take this shovel

and bury it for you all.
