

I'm No Good for You – Sean Bertram

Verse:

Open up your eyes, open up your heart
Open up the river; let it tear us both apart
Because I need your love to wash me away
I can't let you lose it all, I can't let you stay
No, I can't let you stay

Verse:

You're better off without me, I'm dragging you down
You've got wings like no one else and you need to leave the ground
You need my love to push you away
You're too good to lose it all, I can't let you stay
No, I can't let you stay

Chorus:

I'm no good for you and you know it
So save your tears
After all we've been through, oh it kills me to say that
I'm no good for you

Verse:

You tell me I'm just scared of another broken heart
But you're not so naive that you can fail to see my scars
You know if we don't go our separate ways
You'll realize the mistake you made, so I'm saving you the pain and heartache
Oh I can feel your heart break

Chorus:

I'm no good for you and you know it
So save your tears
After all we've been through, oh it kills me to say that
I'm no good for you

Bridge:

If you convinced me to wait I'd be wasting your love
If you believe I can change you know it won't be soon enough

But now there's nothing you can say
And nothing you can do
But realize the truth;

Chorus:

I'm no good for you and you know it
So save your tears
After all we've been through, it kills me to say
Oh it's killing me to say that

I'm no good for you and you know it
So save your tears
After all we've been through, oh it kills me to say that
I'm no good for you
