Verse 1:

I'm sitting all alone  
The darkness surrounds me  
The skies are all gone  
Everything's left behind me

I wonder if I were gone  
Would anyone care about it?  
I'm just dying, I'm just crying  
I just can't keep living all alone  
(Can't keep living all alone)

I don't wanna wake up everyday  
Nothing bothers me  
I wanna fade away  
(I wanna fade away)

My only friend is me  
I guess that's my... destiny...

I don't wanna let it be  
'Cause I wanna live  
Even though  
I'm just dying, I'm just crying  
I just can't keep living all alone  
(Can't keep living all alone)

Chorus:

All Alone  
All Alone  
All Alone  
All Alone... (x2)

Bridge:

I'm waiting for you...  
Make me happy once again  
I'll give my life for you...  
'Cause I have nothing  
I have nothing  
I have nothing to lose...
