We were happy spendin' time together, I know I'm gonna miss you,
Feelin' sad that you are goin', I sure hope you'll miss me too.

Cuz now you're leavin', wish I could see you every day,
Wish I could find the words to say to make you stay (whoa, whoa)
To make you stay.

You're with me now and it's wonderful, but soon you will be
gone,
Why do people have to leave? I guess they just have to move on.

Cuz' now you're leavin', wish I could see you every day,
Wish I could find the words to say to make you stay (whoa, whoa)
To make you stay.

I'll write you a letter, you could write me one too,
I hope you'll be thinkin' about me 'cause I'll be thinkin' of
you.

(instrumental break)

And now you're leavin', I'll think about you every day,
I'll think about the words I'll say when you come back (whoa,
whoa), come back one day,
When you come back (whoa, who), I know you'll come back one day.
