

SLICK MONKEY

**“HARDER COME, HARDER FALL”
by Chris Rolfe (socan)
as recorded by White Cowbell Oklahoma
Copyright 2018 Slick Monkey**

**She said, she said
She said I needed doing it right
She said, she said
She said she was the queen of the night**

**She said, she said
She liked to get her feet on the ground
She said, she said
She was coming from the underground**

**I'm feelin' down, I'll see ya 'round
Yeah yeah, there's no fakin'
I'm feelin' down, I'll see ya 'round**

**Harder come, harder fall
Hit the road, for Avalon
Carry on, supernaut
Take it to the end of the line**

**She said, she said
She said you gotta take from the herd
She said, she said
She was coming from the underworld**

**I'm feelin' down, I'll see ya 'round
Yeah yeah, there's no fakin'
I'm feelin' down, I'll see ya 'round**

**Harder come, harder fall
Hit the road, for Avalon
Carry on, supernaut
Take it to the freeway, alright
(repeat chorus)**
