**Have a ball, she said
I said midnight people always do
Then the lights went red
Incense burning and the voodoo-hoo
As she pulled the shade
All I saw were eyes of coco cool**

**In the parlour room
Red blood Lady Feelgood talks the jive
In the corner gloom
Faceless apparitions down the wine
In the setting moon
Four wheel black magicians ride the line**

**Into the sun
Into the sun**

**Call the captain quick
Do it or I shoot, is all she said
Looking kinda sick
Must be something tripping in her head
But she wouldn't quit
She just kept on staring straight ahead**

**Into the sun, into the sun
Into the sun, into the sun**

**Fall into the sea
Just the same to me
Baby, the punch before the line
Time to place the bet
Calling in debt
Baby, I can see the sign
I can see the sign
I can see the line
Into the sun**
