Verse 2

uh yeah
I just wanna feel it
Say it like you mean it
Boy you're overthinking
Uh yeah (hm yeah)
Tonight we stay in
It aint what's in your pocket
Give me your affection

Buss it up
Cause they all talk,
Line'm up, then light'em up.
All that you got put it on me,
Boy let me know that you bout it
Material (ya) is not enough (ya)
Boy I'm financially stable,
Yes I can pay for my cable

Dont say sorry
Baby just show me something
I'm being honest, yeah
you got me (2x)
Was with you for the glow up
Now it's the same thing

Hook

Focus, F-f-focus
I just need you to focus (aya-ai)
Focus, F-f-focus
I just need you to focus (aya-ai)
Ouu I just need you to focus (aya-ai) (2x)

I don't need you (2x)
