

## Sell Me This

© 2012 Richard Underhill – Wild Moose Music

Sell me this, cause I want it,  
Sell me this, Cause I need it,  
Dumb me down, with your chatter,  
Tell me lies, cause it don't matter.

I want a blue one and a green one and a red one too,  
Just one's not enough, I'm gonna buy a few,  
At these rock bottom prices, how can it be bad,  
It if breaks tomorrow, I won't be sad,  
I bought a thousand useless things and took them all to the dump,  
Stripped the soul of the earth, to make the economy jump,  
I don't care if we are headed straight for disaster,  
I just want to get my junk food faster.

Right this way ladies and gentleman,  
All aboard for the shopping train. Next stop disaster  
Bring your wallets,  
Oh, is that freshly printed money?

Sell me this, cause I want it,  
Sell me this, Cause I need it,  
Dumb me down, with your chatter,  
Tell me lies, cause it don't matter.
