CLEAN. DELICIOUS. MINDFUL.™

Dear Store Manager,

I would like to place a request for Soozy's muffins to be carried at your store. Soozy's muffins are “clean ingredient” muffins that are FREE FROM gluten/grain/dairy/soy/peanut and are also Non-GMO Project Verified. Soozy's muffins are nutrient-dense, and do not contain any gums, stabilizers, fillers or artificial ingredients. Most importantly, they are DELICIOUS. I frequently shop at your store, and would love to be able to purchase them when I do the rest of my grocery shopping. Please contact hello@soozy.com for more information on how to order.
