[16] Khanna stated that she and Tamannaah play roles of equal importance in the film. [13] Because of her role, Khanna said she would play a smart girl and lose weight for the same. She added that her subplot in the movie, which explores the relationship she shares with her father (played by Rao Ramesh), has its own importance in the overall scheme of things. [17] Boman Irani was given a key role. [18] Posani Krishna Murali and Sayaji Shinde were given the main supporting roles. [19] Nassar was also signed for a key supporting role. [63] Sify gave 3 out of 5 stars and named the Bengal tiger a regular mass entertainer, got a lot of stress in comedy and glamour, and added: Compared to the recent Ravi Teja film, the Bengal tiger is more fun. The first half of the film, Ravi Teja antics, and Prudhvi is his strength and indicated that the second half should have been better. [64] Hans India also gave the film 3 out of 5 stars and stated that Nandi came out with full treatment for the mass audience, adding that the turn of the interval scene takes the film to a new level. [65] Suresh Kavirayani of the Deccan Chronicle also gave the movie 3 out of 5 stars and named the film a regular heeled vasool film with an appropriate dose of masala and glamour, adding that it is much more entertaining compared to Kick 2 and a good comeback for Ravi Teja. [66] Pravalika Anjuri of Oneindia also donated the film to 3 of 5 stars and stated: Although the Bengal tiger is a formula film, it really is full of Paise Vasool masses, so it is a great Mass Maharaj Ravi Teja brand film, and added that cinematography and production value makes it Tiger's technically good film too. [67] IndiaGlitz also gave the movie 3 out of 5 stars and named the Bengal tiger ravi teja-style power-full performance, with comedy doses from Prithivi Raj and Posani, not talking about a different shade of stamping lines. [68] Pranita Jonnalagedda of the Times of India gave the film 2.5 out of 5 stars and stated: Sampath Nandi fails in many ways - he failed to shape characters on screen, understated the age of performers with stunning potential - Ravi Teja in particular; and there is absolutely nothing that could take time here. [69] S.S. Kamal of Bangalore Mirror also gave the film 2.5 out of 5 stars and stated: Ravi Teja's charisma ultimately prevents the film from becoming a complete disaster, so the first half is quite entertaining in particular. If only Sampath Nandi had kept the momentum up to the very end, the result could have been much better. [70] Behindwoods gave 2.25 out of 5 stars and called the film a worn-out madman, adding that this is another mistakenly entertaining move from Ravi Teja, who is hardly a substitute for such weird, carefree but cute role-playing action hero. [71] CNN-IBN Karthik Keramalu gave the movie 2 out of 5 stars and stated: I found a giggling amount of comedy Bengal tiger. Focus on funny bits. It doesn't matter if you doze off for the rest of the movie though, adding that the film is a mixture of good comedy and boring storytelling. [72] Suh Yellapantula of the New Indian Express gave the film 1.5 out of 5 stars and stated: The film irritates you with its banality and angers you with its volume. It seems that every dialogue in the film is enhanced ten times. Humor is colorless and makes you crawl.
