CHRIST THE WIFE OF THE LAMB IS LIVING IN A GLORIOUS TIME!

Today I want to talk about *Christ the Wife of the Lamb Is Living in a Glorious Time!* We appreciate the Lord for bringing us through many time periods that were glorious; and we rejoiced in the glory of them. And now we appreciate what He is doing in this moment of the twinkling of an eye where we are rejoicing in the glory that excelleth, which is the glorified flesh and bones. Now before going any further, let us pray.

O' my Father, we come to you once again, and we come with a special praise in our heart for the great, great things that you are doing and for all the joy and happiness we have by being the Wife of your Son, Jesus Christ, the Lamb of God. We realize that we are living in a time now when everything is clear as crystal. Lord, you have brought us through many things, which are now behind us; and we are not looking back, but we are rejoicing in this moment of time as we see the mighty things that you are doing, and we are looking forward to the things that you will lead us to do. And we know that it will all be joyful in thee because of this river that is clear as crystal; and we thank you for it. We thank you for your blessing to minister the Word, and we give you all the praise for it in the name of our Lord Jesus Christ. Amen.

Today we will begin reading in Revelation 19:7-8, which pointed us to a new and glorious time of marriage. And we are rejoicing in our marriage to the Lord Jesus Christ. And because of our marriage to Him, the battles are over for us; and that is the great part. My wife, Barbarajean, was

talking to me and rejoicing this morning about the message that she read last night called *The Breakaway Feminine part of the Christ Spirit and the Wrath of the Lamb*. And the Lord gave us this message after she was reading in Revelation 19:11-16, which shows that we come back with the Lord Jesus Christ after the tribulation period is over to start the millennial reign. And after reading that, she thought about Revelation, Chapter 6, where the Lord Jesus Christ fights in the Battle of Armageddon. And she wondered, "Does the Lord actually fight that Battle of Armageddon alone?" So she fleetingly had that thought and did not think any more about it, nor did she say anything about it. The next morning when I woke up, I suddenly had a thought come to me which was, "The feminine part had to be broken away from the Lord Jesus Christ *before* He fought the Battle of Armageddon where the wrath of the Lamb is seen." When I told her what had come to me, she immediately started shouting and rejoicing, saying, "It's the Lord! It's the Lord!" Well, I did not know what was going on until she calmed down enough to tell me that she had been reading about the Lord Jesus Christ coming and fighting that battle, and that she was wondering if He actually did that alone. So when that thought came to me, I already knew that He fought that battle alone, but the revelation that was added to us was that the feminine part of the Christ Spirit had to be taken out of Him before He did that, because His Wife was not to be involved in that battle. So that is when I preached the message called *The Breakaway Feminine Part of the Christ Spirit and the Wrath of the Lamb*. Revelation, Chapter 6, is the only time in the Bible that it talks about the wrath of the Lamb; and before the Lord Jesus Christ could be seen in this way, the feminine part of

the Christ Spirit that was part of Him had to be broken away. And when the feminine part was broken away (which took place when the fullness of Christ Jesus came in Revelation, Chapter 10), it came into us and solidified; meaning we furnished the feminine part of the Christ Spirit a physical body of glorified flesh and bones, thus making us the Wife of the Lamb. The male part of the Christ Spirit stayed with the Lord Jesus Christ, and the feminine part is now manifested here in the earth as the Queen. But the King and Queen have that perfect union, perfect fellowship, perfect consent (agreement, one mind); and that is what makes it so beautiful and so glorious! So when the marriage took place, it ended all the other things behind us; for all the other things behind us were stepping stones. And we can know by looking at the battles that He has brought us through (which we do not dwell on), how every time there came victory after victory. But now the battles are over for us; for we have obtained the high calling of God that Paul was looking for and talked about, which was marriage. And the marriage has already taken place. The masculine and feminine parts of the Christ Spirit came together in marriage and produced a permanent home for the Queen of the King; and we are living in a glorious time.

So we see that the feminine part of the Christ Spirit had to be broken away from the Lord Jesus Christ before the wrath of the Lamb and the Battle of Armageddon takes place, because as the Wife, we are not to partake of that battle. So the feminine part of the Christ Spirit (which was for the Wife) was taken out of Him and is now manifested here in the earth, and we are showing forth this river that is unpolluted, and can never be polluted, for it is the pure

river of the water of life, clear as crystal. So this breakaway part, the feminine part of the Christ Spirit, broke away from the masculine part of this same Spirit so that the King, the Lord Jesus Christ, could come down to this earth to fight in the Battle of Armageddon.

Notice again, once the feminine part of the Christ Spirit broke away, She came into us and solidified (took a permanent home). So we are a body of people who has furnished Her a physical body of glorified flesh and bones; thus showing that we are the manifested Wife of the Lamb that God created. It was as it was with Adam and Eve, for the feminine part broke away from the masculine part of Adam, leaving Adam all masculine and Eve all feminine. And from this point the masculine and the feminine were separate. And that is how God created a Queen, a Wife for His Son, who is our Lord Jesus Christ.

So Christ Jesus came in the fullness of His spiritual makeup, bringing both masculine and feminine attributes of Himself, as John seen Him clothed with a cloud, and a rainbow was upon His head, and His face was as it were the sun, and His feet as pillars of fire, bringing the feminine attributes of His Spirit, which was represented as the little book, for marriage to His Wife, which we took and ate up. This transaction broke away the feminine attributes of Christ from the Lord Jesus Christ as they became solidified in a body of people in the earth, who at that point became the Wife of the Lamb. That was what John wrote about in Revelation, Chapter 10. John was one of the twelve apostles, but it seemed there was much more about him; for in Book of John, he spoke of the love of God and how God is love; and those are things that are prevalent in the Wife of the Lamb today. So all these things have put us

into a glorious place in this moment of time where there are wonderful things taking place! And one of the most wonderful things about this is we do not know today what tomorrow is going to hold for us, but we cannot wait to get up each morning and start a new day!

Here, I want to make a confession: My wife usually gets up every morning before I do, and I find her in the kitchen singing and praising the Lord and cooking breakfast. She wakes up with the joy of the Lord, and she wakes up sometimes with certain scriptures that the Lord quickened to her, and we rejoice over it. And it is just a wonderful, wonderful day to be living in the plan of God; because the plan of God has come to its finality for the Wife, who is here in the earth, for we have already passed all our battles. Our battles are over, and we are enjoying our marriage. We are living in a glorious time!

Notice, I am speaking of the Wife of the Lamb as John saw us in Revelation 19:7-8; and I know you can probably quote this without me reading it, but I just love to read it because it is a prophecy that has come to pass in our time after the Lord Jesus Christ the Lamb of God took us for His Wife. And after He took us for His Wife, He is our Husband, our Lord, and our King. But He is not the King of the whole earth at this time just yet. There is one still ruling, the prince of this world, which is soon to be put down and bound and cast into the bottomless pit for a thousand years. Meanwhile, we are rejoicing in the Lord because of this breakaway river.

It was a few weeks back that I had the dream where I saw a river that broke away from the main river of life (the main river of salvation). And that main river provides both the natural and spiritual life to all except the Wife of the Lamb.

That main river of salvation is still going, but it is in another realm than the realm that the breakaway river is in. It is in the realm of the natural, where the tribulation saints will still be when the time arrives for them to give their lives for their stand for truth. And in God's time, that main river will eventually produce all that God has ordained for that realm of life. So in the great tribulation, those saints will hear a message that is sent of God through 144,000 Jewish preachers (shown in Revelation, Chapters 7, 14, and 18), which is for those within that main river of salvation, and they will wash their robes and make them white in the blood of the Lamb. But *we* do not have robes on; we have fine linen, clean and white, and we are no longer carrying a cross as they are still doing, but we are wearing a crown. Now tell me, how can we help but be happy and full of joy? We do not have any sad stories to tell. We do not have any stories to tell about what happened in our lifetime that made us hard or made us this way or made us that way, because we were made new. We are living in a glorious time, in a new environment. And in this new environment we are rejoicing in the glory of Christ the Wife of the Lamb.

Now I am going to read this scripture that you know so well because I want to get that word *rejoice* and show that this prophecy of the Wife of the Lamb has come to pass in us, and show why we are saying what we are saying today. We are in this breakaway river that is pure and clear as crystal; so we no longer worry about what is in that main river of salvation. We have let it float on by; for we have assurance that those that are in that river *will* come to where they are supposed to be. So we do not worry about it, nor try to change it; for we have the wisdom of the Lord, knowing that if we tried to get involved in someone else's

predestination, it would not turn out very well, it would only trouble us, and we are not to be troubled. We are in a different river than they are in. And in this river we are rejoicing in the Lord!

Now let us begin reading in Revelation 19:7-8. It says, *"Let us be glad and rejoice,"* See, that is the thing—"LET US BE GLAD AND REJOICE." That is what we have been doing, and now even more so because we are in this moment of time when the twinkling of an eye is taking place. And this is a glorious time as my title says—"Christ the Wife of the Lamb is Living in a Glorious Time."

So the scripture says, *"Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready."* Amen, so we are not trying to get ready. We have made ourselves ready. That is past tense—"We *have made*." We have made ourselves ready by accepting the Word that He sent to build us into the very Wife of the Lamb. And as this Word was built into us, that is what we are. And we *are* ready! Period!

Verse 8 says, *"And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints."*—which is the righteousness that He has given us. Marriage brought that righteousness to us. Notice, this is the righteousness which is of the fullness of the faith of Christ. So we the Wife are walking in glorification in the fullness of the faith of Christ. And we are that breakaway river in Revelation 22:1 that is pure, clear as crystal, and it is flowing through us today. So we, Christ the Wife of the Lamb, and the river of Revelation 22:1 are the same.

This 'righteousness which is of the fullness of the faith of Christ' that He gave to us, we did not earn it, for we are the

Wife, and it *belongs* to us. It came with our marriage. This righteousness is the same righteousness that is of God, that God has, the same righteousness of the Lord Jesus Christ, and now this righteousness is shown in the feminine, as the Wife is now a member of the Godhead. And we are rejoicing and praising God. And that makes us different than all other saints of God. And here we are today (and we could not be living in a greater day), one of the greatest times on the face of the earth that mankind has ever seen.

When the Lord Jesus Christ walked here, yes, it was a great day. He had to fight many battles. And He will fight the final one in the Battle of Armageddon; but we the Wife remain clothed in fine linen, clean and white. And in the message *The Breakaway Feminine Part of the Christ Spirit and the Wrath of the Lamb*, I emphasized the fact that *He* treads the winepress of the wrath of God. He does not say, "Wife, let us go on and fight this battle; you need to change clothes and get into something more fitting for the job." No, we do not fight that battle. But *He* came wearing the right garment to do the job, for He was dressed in a vesture dipped in blood, thus showing that He was ready to do battle. And He did. And that is the wrath of the Lamb. So the Wife part, the feminine part of the Christ Spirit, had to be broken away from the Lamb before the wrath of the Lamb could be expressed.

Almighty God, our Father, did not want the anger, the wrath of the Lamb, expressed in the earth while the feminine part of the Christ Spirit was in Him. But it was broken away, and He created by this message of the last trump of God a group of saints that are now the physical glorified body that the feminine part of the Christ Spirit lives in. And we are that people. And He gave us the name

Christ the Wife of the Lamb. There has been a breakaway from the masculine part of the Christ Spirit that had its final home in the Lord Jesus Christ as our Husband and the King of the whole earth. And that is why there was a river that broke away from that main river of salvation, for everything that flows in this river is pure and clear as crystal, while the other river rolls right on; and God will take care of those in that river on down the line.

So here we are today rejoicing and being exceedingly glad. And when we are doing that, we are only doing what we are supposed to be doing. We are in the realm of the glorified flesh and bones; and we do not go over into the other realm where there is strife and many troubles. We do not want to have any part of that because we know that God will take care of what needs to be taken care of in His own time. But we are rejoicing in the Lord and praising Him and being exceedingly glad because we are dressed in fine linen, clean and white, and wearing a crown!

So that message I preached, *We Are Not Carrying a Cross But We Are Wearing a Crown of Glory*, is straight from the throne of God. It is not of man. And when people hear it, they say, "I have never heard anyone talk like that before." Well, they *could not* hear anyone talk like that before because this new and pure language that God gave us was not here before. This river that is pure and clear as crystal had not broken loose until we were married to our Lord Jesus Christ, while that main river of salvation went right on. And it is so good that God did not dry that river up, because there are people such as the tribulation saints and the 144,000 Jewish preachers that will go forth with their message beginning in the middle of the 70th Week of Daniel who will stand tall at that time.

Notice, that main river of salvation goes right on, and within that river are those that have been born again, along with all the other people that God has granted life from this water, whom God has a place for in the closing hours of the present age. This not only includes the saints that will wash their robes to make them white in the blood of the Lamb in the great tribulation, but it also includes many natural people from the nations that God will allow to live in the great millennial reign, for they have a conscience towards God, and they respect His moral laws on how to live and behave. And the tribulation saints that go into that awful period of time, who have been blinded by false teachers, who were not part of the Word that created the Wife, will have to give their lives for their stand for the Word. But the Wife is part of that special part of the Word that Jesus was made from. And by our being created from the special part of the Word, we connected to Him in marriage. And the members of the Wife of the Lamb are the only saints that could connect with Him in this way. No, we are not the only saved people, but we are the only ones that connected to Him as His Wife, and we are that breakaway river that is pure and clear as crystal.

So this breakaway river that is pure and clear as crystal is actually us, the Word-Wife. Therefore, the breakaway river is a spiritual river that broke away from the main river of salvation that flows from the throne of God. For after we ate up (took full possession of) the little book of Revelation, Chapter 10, we were baptized into the feminine part of the Christ Spirit, which made us the Wife of the Lamb, the Queen of King Jesus. Thus, we furnished the feminine part of the Christ Spirit with a physical body of glorified flesh and bones. This was our marriage to the

Lamb, which put us in a new realm of our relationship with our Lord Jesus Christ; and now we the Wife are seen as a new river, pure and clear as crystal. And this could not be until Christ Jesus (the masculine part of the Christ Spirit) came back to this earth bringing the feminine part of the Christ Spirit to marry us to the Lord Jesus Christ. And that is what has happened. Glory to God!

So there had to be a perfect connection with us and the feminine part of the Christ Spirit. There had to be this message of the last trump of God. And there had to be a Spirit that would connect one hundred percent to be the Queen of the King. And it was all in God to begin with, and now He has manifested it; for here it is visibly before us— the thing that God said He would do, He has done. Now very soon we will be raptured out of here to be with our Husband the Lord Jesus Christ to come back with Him, still dressed in fine linen, clean and white, while He treads the winepress of the wrath of God; for anger rises up in Him when He comes back to earth and sees what is going on, and He fights the Battle of Armageddon. And when the battle is over, we used to say ‘we shall wear a crown,’ but we are wearing a crown *now* because our battle *is* over. But when the battle of Armageddon is over, He will sit on His throne, crowned King of kings and Lord of lords; and He will control everything perfectly throughout the millennium for a thousand years, and we will be right there joyfully assisting Him in anything that He wants to do. And if we have breakfast there, I am sure we will get up singing and praising God and rejoicing to start a new day.

It is so good to think, “Why would He choose us of all the people in the world? Why would He not have chosen a super church, or a big denomination, or something of that

nature, other than just a few?" But here we are as God is moving His plan on; and now right here, just before the rapture, He has made known to us that we are the breakaway river; for the feminine part of the Christ Spirit broke away from that masculine part and came into us; thus, we furnished Her with a glorified body. Now we are seen as that breakaway river, that pure river of the water of life, clear as crystal. And not only that, but He showed us that the main river of salvation is running on by. But within that main river of salvation are those that are born of God, those that have a place in God, not the Wife, but those that have a place in God. As said earlier, when the time comes, they will hear the Word that is for them. And the 144,000 Jewish preachers will preach the everlasting gospel—"Come out of her, my people! Fear God, and give glory to Him; for the hour of His judgment is come: and worship Him that made heaven and earth and the sea and the fountains of waters. If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God." And when they hear it, they will give their lives for their stand for truth. They will say, "I am not going along with that religious, political system. It is not right, and I am not going along with it." And they will give their lives for their stand. And when *we* get back to earth, they will be resurrected and live and reign in the millennium. And some of them will be kings and priests, but the Wife is the tree of life. There is nothing higher than the Wife of the Lamb when it comes to the King. We are the Queen of King Jesus, and we are up close and personal. And there is no other group that stands that close to Him. Oh, He has brethren, but the Wife holds a greater place than the

brothers, or sisters, or anyone. So when the union of our marriage to the Lord Jesus Christ took place of God, the uniting of Word of His Word and Spirit of His Spirit was complete.

So now for us, everything is pure, clear as crystal, and we are rejoicing in the Lord and praising Him as we are being honored every day that we are the Wife of the Lamb. No we are not boastful or anything of that nature, but we just feel it, we know. And when we feel it and we know, then nothing else matters, for nothing can take the place of this. We are living in a glorious time, in a new environment. It is in a very different realm than those that are in that main river of salvation. Yes, there are people in the natural realm, and they look for the things of the natural, what they own or what they do not own, and things of that nature. But we thank God for all these blessings that He has bestowed upon us in this realm that we are living in. And we like to talk about these good things of our glorified flesh and bones, for it is the glory that excelleth. We are living in a glorious time! And we feel good that God has met the need of glorified flesh and bones by the sounding of the last trump of God. He has made us happy, made us satisfied, made us contented.

So we are praising God going forth, for we have gone from victory to victory; we are not fighting anymore, but we are rejoicing over our victories. It is ours. It is already won. It is already taken care of. And I tell you, He is looking after His Wife. And He is not going to let anything come to His Wife that is not profitable. He loves His Wife, and we love Him. And God looks down and smiles. And when I say, "God looks down," God is a Spirit, but He has a certain place where His headquarters is at, where the

Lord Jesus Christ is sitting on the heavenly throne right now; but when He comes to earth, He will sit on His own throne throughout the millennium. And then God will come and rejoice. But God is a Spirit, so there will be one throne; it will be the throne of God and the Lamb. And the Bible says in Revelation, Chapter 22, "They will look upon His face." And when they look upon the face of the Lord Jesus Christ, they see God. They see love. They see compassion. And when it comes to the Wife, they see the tree of life sitting there. And the nations come and rest under that tree; the leaves of the tree are for the healing of the nations. **That is the words we speak to them, encouragement.** And when they leave and go back to their farms, they will have a renewing of such joy and peace in their hearts because of the presence of eternal life. I am talking about when the nations as well as the earth goes into eternity, the natural people cannot die (because there is no such thing as death). For when the devil is cast into the lake of fire to be destroyed at the end of the millennial reign, the Bible says 'death and hell' is cast into the lake of fire. But when God, our heavenly Father, comes back home (back to this earth), shown in Revelation, Chapter 21, there is a new heaven and earth. And it is such a beautiful thing. Just think, we are part of that! We are part of that eternity now. Oh, yes! We were with Him before the world was.

Now let us read Revelation 22:1-2. It says, "*And he shewed me a **pure** river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb.*" Do you see that river is pure? That is the breakaway part. But the main river of salvation shows this religious world, which includes those that have been born again and to a certain extent love God, but they want to stay with the world, they want to stay

with their denomination or some independent work of man. But we the Wife of the Lamb desire our Husband, the Lord Jesus Christ, with all our heart.

Verse 2, *"In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations. And there shall be no more curse: but the throne of God and of the Lamb shall be in it; and his servants shall serve him: And they shall see his face; and his name shall be in their foreheads."* Amen, we know His name, and we look upon His face *now* by revelation.

When we look upon the revelation, by faith we look upon His face. But there in eternity (as it gets to that point in time; and we are getting close to the millennium now, which is the thousand years before all things go into eternity) everyone can look upon God's face through the face of the Lord Jesus Christ. And being His Wife, we will still be by His side as the tree of life. And we praise God and thank Him for the glorious time that we are living in.

Father, I pray that you will take the words that I have spoken and use them for your glory, and may everyone that is part of the Wife of the Lamb rejoice and be exceedingly glad and appreciate what you have done for us. We thank you for it and we rejoice because you have made us this. Help each one to realize that it is their right to rejoice in the Lord, and not to worry, and not to be frustrated; for in this realm of Christ the Wife of the Lamb, there is such joy and glory that belongs to us, for we are living in this glorious time of the twinkling of an eye. Bless and help each one, we pray, in the name of our Lord Jesus Christ. Amen.
