MY COMMISSION OF THE
LAST TRUMP OF GOD
MAKES THE CONNECTION BETWEEN
THE WORD FOR THE VIRGIN
AND THE WORD FOR THE WIFE

Today I want to talk about my commission. We are commissioned to do certain things in the great plan of God, as all His children have a place in the Kingdom of God. And our being members of the body of Christ the Wife of the Lamb, each one has their particular place in the body. And as we have come through the different time periods, God has revealed His Word to us. And now in our time of 'in a moment, in the twinkling of an eye,' we see that anything that was lacking in details is now being made known in this twinkling time that is just for us, the Wife of the Lamb. So we thank God for His goodness; and His goodness is so great that we cannot name all the good things that He does for us.

We know there were many things that the Apostle Paul wrote about to the saints of his day, and his commission was to bring the Word to both the Gentiles and to the Jews to call out a virgin, to get her ready for her long journey to marriage. He said in the Book of 2 Corinthians 11:2-3, "For I am jealous over you with godly jealousy: for I have espoused you to one Husband, that I may present you as a chaste virgin to Christ (meaning the Lord Jesus Christ). But I fear, lest by any means, as the serpent beguiled Eve through his subtilty, so your minds should be corrupted from the simplicity that is in Christ." But we know that by God's will and plan and what He saw before the world was, the espoused virgin would get away from some of the things that Paul was preaching, for they began to listen to other voices that went contrary to what Paul was say-

ing. And in doing so, they began to belittle Paul and make his message of less importance. Therefore, God let the virgin fall away to the point that the marriage to the Lord Jesus Christ did not take place; and the virgin went into a time of great mercy called the Seven Church Ages, where God had mercy upon them. He even winked at their ignorance and let them continue in that way until the physical bodies of the saints in each age went to the grave; but their souls went into that spiritual body (that spiritual building or house) not made by hands, eternal in the heavens. But they are now back on earth again, and they have been taking on glorified flesh and bones by the hearing of this last trump of God message, for the trumpet is sounding and is revealing them (as well as us) in glorified flesh and bones. For we have gone from being the spiritual body of Christ to now being the physical body of Christ in glorified flesh and bones.

Notice, the saints in that day did not receive the great things that God is doing in this moment of time when the last trump is sounding out this message of glorified flesh and bones. Paul only brought the virgin so far, and then he left. But prior to this, he said, "I have not obtained it yet, but I *press toward* the mark for the prize of the high calling of God in Christ Jesus." But we know that God saw fit to take Paul home, along with the other virgin saints that followed what he taught. As said earlier, his commission was to get a virgin espoused to the Lord Jesus Christ—and he did a very good job fulfilling his commission! But between that time and now, there was a two thousand year period. There was a long period, and through that long gap, there was the time of the Seven Church Ages, and those saints for the most part lived on the mercy of God, where the Lord Jesus Christ in the office of the High Priest was making intercession for them, because God was preserving them until the time when He would send a message to the Wife of the Lamb. And that

is this message that I have been preaching. Yes, there was a long gap between what Paul preached then and what I am preaching now. Therefore, my commission of the last trump connects them together and is showing how they fit together.

So our title is *My Commission of the Last Trump of God Makes the Connection Between the Word For the Virgin and the Word for the Wife*. This last trump of God message connects the prophetic part of what Paul said with what we have today. No, it does not connect everything, for Paul spoke some things that were for no one but the people that he was speaking to at that time. And he made that clear; for he said in 1 Corinthians, Chapter 7, "I suppose this is good for the present distress. If you are not married then do not get married." See, it was only for the present distress. In other words, those instructions were temporary. There was a shelf-life on those instructions that he left; and, of course, when conditions changed, his instructions would have fulfilled their purpose. But then, on the other hand, there was the *prophetic* Word that Paul spoke in 1 Corinthians 15:51-52, saying, "Behold, I show you a mystery; we shall not all sleep, but we shall all be changed, in a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed," thus showing that there would be a group of people here that would walk upon this earth in glorified flesh and bones. And then we see in the Book of 1 Thessalonians, Chapter 4, this group of people would not only be visible to one another but would be caught up together. That is some of the prophetic Word that Paul left, so it did not take place at that time. But we picked up this prophetic Word of 1 Thessalonians, Chapter 4, and 1 Corinthians 15:51-52 in this day that we are living in and have put life to it. We are making it live. And there is now a people that are experiencing glorified flesh and bones as the feminine part of the body of Christ the Wife of the Lamb.

Today we are going to read about the saints whose bodies went to the grave that Paul wrote about in the Book of 2 Corinthians 5:1, and show that we have brought the Word that he spoke there up to date. And the Word that we have brought up to date is as it was with Paul, for he said about certain things that there was not any scripture that he could refer back to that he was getting his revelation from. So he was not getting it from Isaiah, nor from Moses, nor from Jesus, nor anyone else. No, but he just said, "I say unto you," or, "I give my judgment on this." He had a message that God had given him; and he brought Word that not only espoused a virgin to the Lord Jesus Christ, but Word that became prophetic Word that would be for the time of marriage. And God let the prophetic Word come all the way over to the time when there would be a marriage. So what took place then was not a marriage, but, instead, the virgin went through seven church ages, a two thousand year span of time. And then God picked up the prophecy of 1 Thessalonians, Chapter 4, and 1 Corinthians 15:51-52 again in this last day, and He began to move by His Spirit; for He sent Christ Jesus, who was hid in the form of a Mighty Angel (as shown in the Book of Revelation, Chapter 10), and He descended from heaven with a shout, with the voice of the archangel, and with the trump of God. And it is during this time of the sounding of the trump of God that all of this prophetic Word is brought up to date and made applicable to the Wife. And this message that the Wife has is the last trump. And God called me to stand forth as the apostle of the Lord Jesus Christ to spearhead this message and bring it forth just as Paul did his message in his day.

In Paul's day, there was Timothy, Titus, and there was that great apostle called Apollos. And Apollos had a heart that was open to God. I remember in Malawi, Africa, I preached a message called *Lord, Give Us a Heart Like Unto*

Apollos, showing when Apollos heard Paul's message, his heart was open to further Word, and he went forth and became a mighty preacher. So that is what I preached, showing that the Wife of the Lamb's heart is open to new Word. Apollos was a great preacher, but he only knew the baptism of John. But here came *Paul's* message that went so far beyond what John was preaching that it was astounding to him! And God opened his heart, and he said, "Yes, that is what I want right there! That is what I have been looking for all my life." And it was the message of that day to get the virgin espoused to the Lord Jesus Christ. But God let the virgin fall away, and the world went into the Dark Ages. But that did not change one thing about the Word of God and what was to be. And it did not make those things that Paul said something that we should be afraid of or that we should shy away from (because of the fact that much of what he preached was to the virgin), but there was some Word that he preached that did not take place then, but rather was prophetic Word that we picked up in this day, especially concerning the glorified body. And we have brought it forward and put life to it, thus it is fulfilled in us, the Wife of the Lamb.

Notice our title again, *My Commission of the Last Trump of God Makes the Connection Between the Word for the Virgin and the Word for the Wife*. Therefore, the things that Paul said and preached were true, but for the most part, they applied to the virgin and not to the Wife. But some of what he said was prophetic Word for us; and we picked it up here in the end time and connected it together, showing that he *introduced* a virgin to be married to the Lord Jesus Christ, but my commission of the last trump got the virgin *married* to the Lord Jesus Christ. And the Lord Jesus Christ is the King, and we the Wife are His Queen. And here we are today with a brand new message that made the connection with the prophetic part of the Word that was to the Wife of the Lamb, bringing to life those things

that were lacking.

Now let us read 2 Corinthians 5:1. It says, "*For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens.*" What Paul was saying about these that died was that they really did not die, but they changed dwelling places. Yes, their physical bodies died, but God let their souls go into that spiritual building, that spiritual body, a house not made by hands, eternal in the heavens. And they waited all through the church ages; they were waiting until all the predestinated seed of God came in through the ages until right here at the end time. And after the church ages were over, God began to wake up and shake up the church world by sending a man named William Branham; for his message was a *shout* that went around the world, calling a virgin out of the denominational religious system. Then came Raymond Jackson with the *voice of the archangel*, and he showed what was going to happen to the nation of Israel, as he made known the second part of the fifth seal; for he brought forth the revelation of the seven trumpets along with many other revelations. But then here came *this* message, which has been going for quite some time, which is the *Voice of the last trump*. And that is when the departed saints came forth in those spiritual tabernacles, which, of course, is spirit, and they began to take on glorified flesh and bones by this message of the last trump of God. So Paul's gospel revealed them as spiritual tabernacles that were in heaven, but my gospel is revealing them (as well as us) in glorified flesh and bones in the earth. And now we have this glory that only belongs to us, the Wife of the Lamb.

We know the virgin saints did not get married in Paul's day, and God let them go through seven church ages. And in the darkest age of all (the Dark Age), it was so dark that there was hardly any spiritual light at all. But within those

ages of spiritual darkness, there were some saints that were hid in there who were ordained to stand for God and stand for the Word that was for that time period. But they eventually went on to their death. And when they died, they did not go out here as a soul or a spirit floating around. No, not at all; but they (their soul) went into that spiritual tabernacle, a house not made by hands, eternal in the heavens. And that is the way they came back! For that spiritual house that was not made by hands has been taking on glorified flesh and bones, the same as we have, and it is glorified in every way. And this message of the last trump makes the connection between the Word for the virgin and the Word for the Wife, for it connected all of this prophetic Word together and began to project and bring forth a message that is saying that we are the Wife of the Lamb in glorified flesh and bones.

Now let us read in 1 Thessalonians, Chapter 4, and show what Christ Jesus brought back; for, as we said, He brought back those spiritual bodies, spiritual tabernacles. See, they were *spiritual* bodies, for they had not yet taken on this message of glorified flesh and bones. So Paul called them spirits. Paul's teaching here, when God began to let him see some of these things, was around A.D. 54. But later he saw more on this subject. God let him bring it to a certain point, and then He cut it off. It was not a marriage, for it was cut off before the marriage took place. We see that Paul warned the virgin, which he had espoused, by saying, "As the serpent beguiled Eve, I am afraid that you will be beguiled from the simplicity that is in Christ." In other words, he was saying, "Don't fall away from this simplicity, for there is a marriage to take place soon." That was the espousal time, and it was a glorious time for them. But instead of heeding to Paul's warning and having a marriage to take place, they began to listen to other voices. The other voices were almost like

Paul's voice as far as the Word, but they were deviating (moving the boundary lines) somewhat from what Paul said in order to bring out certain points that they wanted to inject into it that did not fit the whole picture. And there was some injections that took place that was detrimental to them. But God had already seen it and had already made provision for every one of those whose names were in the Lamb's Book of Life (the Book of Redemption), those that were part of that special part of the Word to begin with. And though their physical bodies went into the ground, or were burnt at the stake, and some were eaten by lions, here they came back again and picked up with *this* Voice that had the similarity of Paul's voice. And this Voice made the connection with what Paul said back there; and they can see it in reality taking place now in this moment of the twinkling of an eye.

1 Thessalonians 4:14 says, *"For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring (send) with him (Christ Jesus)."* Some translations say 'will God bring with Him,' while others say 'will God send with Him.' That is why we needed a messenger, an apostle, up here that is commissioned to go forth and bring these things out. And for us, the Wife of the Lamb, we believe it, because inspiration has struck it and made it live. So God sent with Christ Jesus these tabernacles, these houses, these people that were spirits, but they had to take on glorified flesh and bones to be part of the Wife of the Lamb. And God made sure that we were absolutely, one hundred percent sure that we were correct on the revelation of His Word so that He could take and connect the prophetic part of the Word that Paul said with what is going on in our time. For much of the things that we are saying are not found in scripture, for this last trump message is Spoken Word, the creative Word that was hid in God before the foundation of the world but is now mani-

fested, for it has created us the Wife of the Lamb in glorified flesh and bones.

Notice, that is just the same as it was when *Paul* preached; but in the days of Paul's preaching, his message created the virgin that was both Jew and Gentile, who were saints called out of pagan religion and other brands of Christianity by the message that God had given him. He said, "God ordained me from my mother's womb, and that is why I am here." (Galatians, Chapters 1 and 2) He had a job to do. And now, here at the end time, God called me to sound forth this last trump of God, which connects where Paul's message left off. And I have never let anything stop me nor slow me down. I have just kept right on going, and here it is today. And there is a people that love it with all their heart. It was the will of the Father that we would become the Wife of His only begotten Son, Jesus Christ. And we have become that. We accepted and believed; and we do not associate with doubt. Yes, there are some people that get a little detail that they do not understand, and they will try to work on it so much that they get frustrated. But we do not do that. We believe. For we know that God is moving in this moment of the twinkling of an eye and is giving us that which was lacking, and our revelation is clear as crystal. There is a river that is pure and clear as crystal that is seen in Revelation, Chapter 22, which is our Spirit. And that river flows from the throne of God and of the Lamb and on through us, the Wife of the Lamb, who is the tree of life where the fruit is borne. So we are giving out the fruit today, which are words of encouragement and words to bless people.

So my commission here at the end time makes the connection between the Word for the virgin and the Word for the Wife; for this trump of God message connected with the prophetic part of the Word of 1 Corinthians 15:51-52 and 1 Thessalonians 4:14-17, thus making it applicable to

the Wife, to whom it was spoken. **Remember, it was not spoken to the virgin then that they would be changed in a moment in the twinkling of an eye in that time period.** Paul only prophesied about it, but it had to be reconnected and preached in another form to a living people that God was going to make it come alive for. Paul and all the other saints had already gone by the way of the grave, so it could not have been for them. And since it was not for them, we connected in back there and brought it all the way up here. And here we are today with the living Word of glorified flesh and bones, which is for us and for them. We appreciate all the things that God is doing and is going to do for all the other saints in His family, but we are the Wife, and we are separate from all other Christianity.

Sometime back, I had a dream about two rivers. In the dream, I saw a great river coming around the bend, and from this river there was another river that broke away from it. And in my mind, the main river was the river of life for salvation (salvation for all mankind, and especially for those that are to receive glorified bodies), but then there was a breakaway river. And it was amazing how the main river just kept on going without hindering the breakaway river, and the breakaway river did not take any water out of the main river. And I noticed that the breakaway river was pure and clear as crystal, while the main river had gotten muddy as it came through time, for it had other things in it, including many people that have eternal life. And those with eternal life will stay right with that river through the tribulation period, where many will be put to death for their stand for the Word of God, while Christ the Wife of the Lamb, who is that breakaway river, is rejoicing in a heavenly realm, dressed in fine linen, clean and white. Notice, those other saints are dressed in white robes; and those white robes can get stained and need washing. But we are dressed in fine linen, clean and

white, which has never been stained nor can ever be. And He made us part of the Godhead, where there is no sin nor shadow of turning; and since there is no shadow of turning in us, we have kept on going forward. And here we are today with courage and zeal and strength to do that which He has ordained for us to do, for He has anointed us. Not just me, but He has anointed *us* to go forth with this living Word of glorified flesh and bones. And here is the Voice of the trump of God sounding forth! And we perk up our ears and listen and rejoice; and we say, "I am so glad to be one of them." Though this world does not understand us, and they may criticize us, still we can say, "I am so glad to be one of them!" And when I say 'one of them,' I am talking about a member of the body of Christ the Wife of the Lamb, which is the Queen of the King—and here we are today.

My commission of the last trump of God makes the connection between the Word for the virgin and the Word for the Wife, making them one in this end time. And that was through marriage. Those departed saints that He brought back as virgins, they will leave here as Wife, because we have a message here, a marrying message, that got them along with us married to the Lord Jesus Christ, the Lamb of God; and together we are the Queen of the Lord Jesus Christ, the great King. And here we are today, and we glory in it! We are no longer carrying a cross; for the only way we could carry a cross is to go back and pick one up. Some people are not happy unless they are carrying a cross; but I love to say, "How do you like my crown?" We are not carrying a cross, but we are wearing a crown of glory!

Yes, we know there are certain things in the world that are going to happen, and that is just the way it is. But here we are today, glorifying God and praising God as the Wife of the Lamb. And there are certain things happening

among us, for we are seeing and we are believing with joy unspeakable and full of glory. My commission picked up all of that prophetic Word and brought it up here in this moment of time and made it live, and we are not dealing with *virgin*, we are dealing with *Wife*. **When Christ Jesus brought the departed saints back, they were virgins, but when they leave, they are Wife.** Notice, they went to the grave as virgins, but Christ Jesus brought them back as a spiritual building of God, a house not made by hands (2 Corinthians 5:1 and 1 Thessalonians 4:14). That is when the rest of the Word (the prophetic part, which was shown as a little book) came. And we ate it up and became the Wife of the Lamb, marching forward, echoing this message of glorified flesh and bones in this moment of the twinkling of an eye, where we are caught up in the rapture to be with our Lord Jesus Christ.

So my commission reached back and picked these virgins up and brought them up to being Wife. Some might say, "Well, Paul said *this*, and Paul said *that*." Well, praise God for what Paul said. And what Paul said was right. But we must keep in mind that what Paul said was to the virgin, with the exception of the prophetic part of his message that did not take place in that day, which is what we are preaching in this day. And whatever Paul said, he said to the virgin to help her and encourage her. But then he prophesied about what would happen to the Wife of the Lamb. And here we are. And now we are not just a virgin, but this is the marrying message, and it caused us to become the Wife of the Lamb. And while our mortal bodies are being changed (for we have taken on glorification), those that departed as virgins have taken on glorified flesh and bones on their spiritual bodies. And soon the Lord Jesus is going to call us up in the rapture. That is when all hell is going to break loose in this world. Hell is opened, and demons will come out, and there has never

been anything seen like it before. We see with all the riots and things that are going on that it is a troubled world out there, but we have peace, peace that came down from the Father above, for He let us know that we are the Wife of the Lamb. He let us know these things of the Word that were hidden in Him before the foundation of the world. And He let us hear a Voice, and that Voice has such a wonderful sound to it!

Years ago, people that would hear me preach would say, "You sound like Brother Branham when he was preaching." And some would say, "You sound like Brother Jackson." But now this is a different Voice. Yes, there has been a shout, and there was the voice of the archangel, but here is the trump of God going forth, and we have ears to hear a trumpet sounding. My commission of the last trump makes the connection between the Word for the virgin and the Word for the Wife. And when we read what Paul said, we can glorify God, for we know what applied to the virgin, and we also see the prophetic part that applies to us, the Wife of the Lamb.

We know the virgin did not get the part that Paul prophesied, "We shall be changed in a moment, in the twinkling of an eye." And they did not get, "This mortal shall put on immortality." Those are things that were left for the Wife of the Lamb to receive as this last trump made the connection with Paul's prophetic Word that God left for us. And God spared us a moment, for He gave us a little time period called 'in a moment, in the twinkling of an eye,' and now we are right here at the end of it, as we have been receiving the finishing touches of our glorification along with the saints that Christ Jesus brought back to this earth for that same purpose.

All these things are here today, and it is my commission to sound forth this Voice at the end time. And the other members of the Wife of the Lamb are hearing it and are

echoing the revelation out to one another as we are rejoicing in this rapturing message of glorified flesh and bones. So I am not a normal preacher, and this is not a normal message, and we are not a normal people, but we are the Wife of the Lamb. We are not normal. We are special. We are the only group in the entire history of the world that is dressed in fine linen, clean and white, which is the righteousness of the fullness of the faith of Christ that came straight from God, making us part of the Godhead by our marriage to the Lord Jesus Christ. So as His Wife, we are walking beside Him, proudly wearing the crown of life; therefore, we are not carrying a cross, but we are wearing a crown of glory!

Just think, those that died a virgin while waiting for this, their souls became that spiritual building that Paul spoke about, a house not made with hands, eternal in the heavens. And they came back to earth, thus completing their glorification. And now we are all clothed in fine linen, clean and white, those that came back and we that did not go to the grave.

God bless you today. I trust these Words today will be of a blessing to you and that you realize they are sent of the Lord.

Heavenly Father, we thank you and praise you for your goodness and for all the things that you have been doing for us. It is so precious to know these great things that you are revealing to us. In the name of our Lord Jesus Christ, we pray. Amen.

MORE, MORE, MORE IS BEING GIVEN
IN THIS MOMENT OF
THE TWINKLING OF AN EYE,
WHICH IS TAKING PLACE!

It is so good to be here again to look to the Word of God and fellowship in the things of God. It is wonderful to be part of the things of God. We especially praise God that He has permitted us, the Wife of the Lamb, to be part of the Godhead. And knowing that we are part of the Godhead is something that we cherish much. It is a great thing to be made from the same special part of the Word that the Son of God was made from. That is what made us a very part of the Godhead; it was by our marriage to Him. And we praise God that more, more, more is being given in this moment of the twinkling of an eye.

Here, I want to tell again about a dream that I had a while back, which I have spoken of previously in other messages. In the dream, I had gone to a certain place just to sit in on a meeting. And while sitting there, I heard someone say, "Ben Howard is going to preach." So we were all waiting for him to come forward, as I thought to myself, "There must be another Ben Howard," because I did not know I was to preach to these particular people. I thought there was someone else named Ben Howard there. So while I was thinking like that, someone behind me tapped me on the shoulder and said, "Go on; it is you!" Well, I walked up on the platform and looked around, waiting for the interpreter to come because I did not speak these people's language, for not everyone spoke English. Then suddenly a woman walked up next to the pulpit and said to me, "Sir, are you ready?" And being a little stunned, I said, "Yes." At first, I did not know she was the one that would be interpreting for me; but then I realized

she was the interpreter. So I started preaching, and she was doing the interpreting. And after I preached a little while, I began to think that I might be speaking too long, so I began to close. Then the people stood to their feet and began to say, "More! More! More!" So I continued on preaching the 'more, more, more' in further revelation that pertaineth to our glorified flesh and bones. So we are praising God for this gospel of the Wife of the Lamb; for we the Wife were created glorified flesh and bones from the same special part of the Word that the Lord Jesus Christ was created from.

We see the special part of the Word that was with God in the beginning, for in the beginning was the Word, and the Word was with God, and the Word was God. And there was a special part of the Word that He created His Son Jesus from. For God sent to earth this special part of the Word by the angel Gabriel, who spoke this Word unto a little virgin named Mary, and the Word made flesh came into the world. Then later on, Jesus was anointed of God, and the fullness of the Christ Spirit came into Him, which made Him Jesus the Christ; then in Him was the fullness of the Godhead bodily, for He had the masculine and feminine attributes of the Christ Spirit in Him, showing forth that '*them*' that was first seen in the Book of Genesis 1:27.

We first see these masculine and feminine attributes in Adam, God's created son, in the Book of Genesis 1:27, which says, "So God created man in His own image, in the image of God created He him; male and female created He them." So it is here that we first get a glimpse of the word *them*. And we see the importance of that *them* by what it represents in this setting, for here it shows the two parts of that *them*, both masculine and feminine. So when Jesus was baptized of John the Baptist, making Him Jesus the Christ, the two parts of that *them* that was in the Christ Spirit came into Him. And those *feminine* attributes

stayed in the Lord Jesus Christ for safekeeping and came all the way through the New Testament time, and they are shown in Revelation, Chapter 10, where there was a break-away; for the feminine part of the Christ Spirit was broken away from the masculine and was put into a body of people that were prepared to receive that feminine part (just as it was with Adam and Eve). And the feminine part of the Christ Spirit took a permanent dwelling place in us, the many-member body of Christ the Wife of the Lamb who has furnished Her with a physical body of glorified flesh and bones.

Notice, the feminine part of the Christ Spirit was taken out of the masculine part of this same Spirit and was put into a body, and then the feminine part was joined to the Lord Jesus Christ in marriage, thus giving the members glorified flesh and bones of His glorified flesh and bones. And now the 'fullness of the Godhead bodily' is no longer seen in one person, but it is seen in both the Lord Jesus Christ and us, Christ the Wife of the Lamb. So now there is Christ the King and Christ the Queen, who were made one glorified flesh in marriage, with the Queen being made up of many individual members in the glorified body of Christ the Wife of the Lamb.

So there is a special part of the Word that created the Lord Jesus Christ, who was 'the fullness of the Godhead bodily' part of God; and it takes being married to the Lord Jesus Christ to be part of that same special part of the Word. All others are part of God's family, making every one of God's children part of the Word. But there is a special part of the Word that God created His Son from, thus making Him the Lord Jesus Christ. And when we were married to Him, we became glorified bone of His glorified bones and glorified flesh of His glorified flesh. **So we the Wife were created from the same special part of the Word that created the Son. And He named us Christ the**

Wife of the Lamb, for We gave the feminine part of the Christ Spirit that was taken out of Him a permanent dwelling place, for we have furnished *Her* with a physical glorified body.

Yes, all of God's spiritual children are brothers and sisters in the Lord. But we the Wife of the Lamb have become one with the Lord Jesus Christ by a message, the last trump of God, which has created us glorified flesh and bones of His glorified flesh and bones; and that is marriage. So we are part of that same special part of the Word that the Lord Jesus Christ was created from. That is what we are today, and that is why we are holding our head up high. And we are wearing the crown of life that He placed upon our head as Queen, and we are wearing it with pride and dignity. We do not have a haughty pride, but we feel honored, and it brings us great joy to know that we are the Wife of the Lamb. And that is the greatest calling there is, for that is the high calling of God.

The Apostle Paul looked for the high calling of God in his day. But in God's plan the virgin that Paul had espoused to the Lord Jesus Christ to be married to Him had to go through the different church ages, waiting for the other members to come into the earth and live their lives and be sealed by the Spirit into the body of Christ in their day, and for the body to be brought to its fullness in this last day. That is why God gave this special Word of the last trump of God, which has brought forth the marriage of the Lamb. That is why Christ Jesus brought those departed saints, who were in spiritual bodies, back with Him when He came for the marriage.

In the Book of 1 Thessalonians 4:14, Paul prophesied, "*For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring (send) with him (Christ Jesus).*" And God *did* send those spiritual bodies with Christ Jesus when He came, for they came to earth

with Him when He came in Revelation, Chapter 10, for this end-time jubilee of the Wife of the Lamb. So today we are having a jubilee, and all those saints are here, and they are hearing the same message that we are hearing as we all have taken on glorified flesh and bones.

There were many hidden revelations that were not preached in the days of Paul, such as the two parts of that *them*. This revelation was not seen in the days when Paul and other ministers of that time were here preaching, nor was it seen at any other time down through the ages. Although they had such great callings in God, time had to elapse through seven church ages before this revelation could be given. But here in this end time, this last trump is sounding, and it has brought forth the revelation of the two parts of that *them* that are now manifested in the Lord Jesus Christ and us, His Christ Wife. And it is echoing throughout the whole realm of the glorified body of Christ the Wife of the Lamb, for every member of the Wife is echoing the same revelation of glorified flesh and bones to one another in this moment of the twinkling of an eye; for God spared us a moment, and the action of the twinkling is taking place in this great jubilee for us, the Wife! And now, praise God, the full revelation of that *them* ("in the image of God created He him; male and female created He *them*") is flowing through us, the Wife of the Lamb. The feminine part of that *them* was taken out of our Lord Jesus Christ and was put into us; and then the masculine and feminine parts of Christ were brought together in marriage, thus creating this new and pure river of life. And each member is carrying this revelation, as this pure river of life that is clear as crystal is flowing through us to bless all of God's family now and in eternity.

All the children of God are part of the Word, but there is a special part of the Word that God used to create His Son from. And He created His Son's Wife from the same Word

that He created His Son from. So there are many other saints of God that are *part* of God, but not the 'Godhead part' of God, but they have great positions in God's Kingdom. But we the Wife of the Lord Jesus Christ are a special group of saints, and we have the last trump of God message that has created us glorified flesh and bones, which made us one flesh with our Husband, the Lord Jesus Christ.

Some people may ask, "Why do you say 'a special part' of the Word?" Well, that gives identity to the part of the Word of God that Jesus is from, a special part that God used to create His Son, which began within the virgin, Mary, as God sent the Word down by the angel Gabriel unto Mary and said unto her, "You shall conceive in thy womb, and bring forth a Son, and shall call His name Jesus. He shall be great, and shall be called the Son of the Highest (the Son of God): and the Lord God shall give unto Him the throne of his father David. And He shall reign over the house of Jacob forever; and of His kingdom there shall be no end." And Mary asked the question, "How can these things be, seeing I know not a man?" And he said, "The Holy Spirit shall overshadow thee." And she said, "Behold, the handmaid of the Lord. Be it unto me according to thy Word." And that is exactly what happened. Then about nine months later, Jesus the Word-Child was born. And during the next thirty years, all of the godly attributes that God wanted in an earthly human being began to be formed in His only begotten Son, Jesus. Then after Jesus, being about thirty years old, was baptized by John the Baptist, God's Christ came into Him without measure and brought all of the spiritual attributes of God His Father (which were both masculine and feminine) into Him, thus making Him Jesus the Christ. And Jesus the Christ began to say things such as, "All that the Father gives me will come to me, and "I and my Father

are one." See, there was a special part of the Word that created Him in the womb of the virgin, Mary, and He came forth and lived here for thirty years as a man; and although He was 'the Word made flesh' during that thirty years, God had not yet anointed Him to go forth.

Before His anointing, Jesus loved the Lord God, and He loved the Word, and He would read the Word, which was His custom to do on the Sabbath. And after He (the Word made flesh) was anointed of God, it says in the Book of Luke, Chapter 4, "And He came to Nazareth, where He had been brought up: and, as His custom was, He went into the synagogue on the Sabbath day, and stood up to read. And there was delivered unto Him the book of the prophet Esaias. And when He had opened the book, He found the place where it was written, 'The Spirit of the Lord is upon me, because He has anointed me to preach the gospel to the poor; He has sent me to heal the broken-hearted, to preach deliverance to the captives and recovering of sight to the blind, to set at liberty them that are bruised, to preach the acceptable year of the Lord.'" And He closed the book, and He gave it again to the minister, and sat down. And the eyes of all them that were in the synagogue were fastened on Him. Now He had their attention; and He concluded His statements by saying, "This day this scripture is fulfilled in your hearing."

Notice, that is a great, great thing the Lord Jesus Christ said, which we can also say in *this* moment of time. We can say concerning many things, "This day this scripture is fulfilled," such as when we talk about the Wife—"The Wife has made Herself ready," meaning the Wife of the Lamb, not virgin, not just someone espoused, but the Wife. The Wife—that means marriage! That means becoming one with the Lord Jesus Christ. Revelation 19:7-8 says, "She is clothed in fine linen, clean and white," and we are the only group in the Bible that is dressed this way.

And we are a special group. Yes, all the family of God are part of God, part of the Word, but not part of the *special* part of the Word that is the Godhead. He chose and planned it to be thus before the world was. Before the world was, it was in the mind of God to create His Son, and then from His Son, the Son's Wife would be created. So God's Word has been fulfilled; for we now see that from that special part of the Word that God's only begotten Son was created from, we the Wife were created from the same. And we are the feminine part of the Godhead, as the Lord Jesus Christ is the masculine part of the Godhead. And now seen is the fullness of the Godhead bodily, the Lord Jesus Christ and His Christ Wife. We are the crown of the Lord. We are His joy. And the crown of our rejoicing is the knowledge that we are the Wife of the Lamb, clothed in fine linen, clean and white, which is the righteousness of the fullness of the faith of Christ, which God gave to us when we were married to His Son. Amen.

So the Godhead is something special, and by the working of God we have been made part of it; for by our marriage to God's Son, we the Wife became part of the 'Godhead part' of God. (Ephesians 5:30-32) Again, all Christians are part of God. All Christians are part of the Word. All Christians are part of the eternal Spirit. But that special part of the Word that God used to create His Son, *that* is the same part of the Word that we the Wife were created from; because the Son became one with the Wife of the Lamb. And this took place as Revelation, Chapter 10, was fulfilled, and we the Wife came forth. And here we are manifested in the earth today, the Wife of the Lamb, rejoicing in the Lord! And being the Wife of the Lamb, we know that we are the special part of the Son of God, of His glorified flesh and bones. So we were made part of the Godhead bodily as the Wife of His only begotten Son.

Being the glorified Wife of God's Son is so great that we cannot express in words just how great it is! There is a song that says, "How great is our God! How great is His Word! He is the greatest one that ever was heard. He rolled back the water of the mighty Red Sea. And He said, 'I will lead thee; put thy trust in me.'" Well, that same one came down into His people, first by the Holy Ghost (and all the born again people of God are partakers of that), and later by the coming of the fullness of Christ shown in Revelation, Chapter 10, which was only received by His Wife. So there was a *special* part of the Word that created the 'Godhead part' of God, which is the Lord Jesus Christ. In the Book of Colossians 2:9, it says, "For in Him dwelleth all the fullness of the Godhead bodily." Now the Wife is the feminine part of the Godhead. So that lifted us to the high calling! It did not lift us up in vain pride, but it lifted us up to make us feel good about ourselves and about the things that God has given to us. It makes us know that there is nothing greater than to be the Wife of the Lord Jesus Christ, glorified bone of His glorified bones and glorified flesh of His glorified flesh, which makes us part of the Godhead bodily! Amen.

Today there are people in different parts of Christianity that are saying, "There is something great coming." Well, for us there is something great that has come! And it is here! And we are rejoicing in that great thing that is here and is taking place, for it has already lifted us up, already made us the Wife of the Lamb, already clothed us in fine linen, clean and white! Yes, those white robes are wonderful. If someone gets a white robe, they have something to be proud of! Because that lifts them up above the worldly realm; they are not part of the world, but they are part of God's family. But when we look at the throne of God, there is the Lord Jesus Christ and His Christ Wife. We as His Wife are one with Him like no other people that

are part of God.

Once again, we do not want to belittle anyone who is part of God. **But we know that not everyone of God's children are part of that same special part of the Word that God created the Lord Jesus Christ from. And after His resurrection, He was glorified flesh and bones. And He married us, and we became glorified bone of His glorified bones and glorified flesh of His glorified flesh.** And John said in Revelation 19:7-8, "Let us be glad and rejoice and give honor to God (meaning the rest of God's family is to be glad and rejoice and give honor to God) for the marriage of the Lamb has come, and His Wife (His Wife!) has made Herself ready." And that isolates everyone else from the Wife in the sense that it puts the Wife up by His side. **"He is Christ the King, and we are Christ the Queen."** Praise God!

So I tell you, it is so good to know these things, and not just to know them by the natural hearing of the Word, but to know them in our hearts, knowing that we are that. So you know when you are the Wife of the Lamb because you have that revelation. And having that revelation, we are not enticed by some type of religion that some of God's other children are enticed by. But that is why there is a tribulation period for them to go into, which He sends to wake them up.

Many in the tribulation period are really going to wake up and realize that out there in religion is the antichrist spirit that has transformed itself into an angel of light. In the Book of 2 Corinthians 11:13-15, Paul told about that religious antichrist spirit (the spirit of iniquity), saying, "For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall

be according to their works." But we the Wife are not part of that. We know we are not part of that religious system. But many of those out there in that realm of Christianity (where the antichrist spirit is working) are part of God's family that have lost their way, they have been led astray. But God sends something to wake them up! And, of course, that is the message of the 144,000 Jewish preachers who were sealed out of the twelve tribes of Israel, shown in Revelation, Chapter 7, for they heard the two prophets (the two witnesses) of Revelation, Chapter 11, prophesy to the nation of Israel at the time of the beginning of the 70th Week of Daniel. And they will go forth into all the world during the last part of the 70th Week of Daniel; for they will be preaching the everlasting gospel, which is shown in Revelation, Chapters 14 through 18, saying, "If any man worship the beast and his image and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God." But we are not going to deal with that again here, for we have dealt much along those lines lately, and we all know exactly what I am talking about. And it just makes us, the Wife of the Lamb, shine so much brighter when we see the places of the others, and we see what God has revealed to *us* from His Word. And His Word is not necessarily just the written Word; remember, the Spoken Word is the original seed. And we are hearing the Spoken Word today through the Voice of the last trump of God sounding forth, which is the creative Word of God that is *of* and *to* the Wife of the Lamb.

So I tell you, God is great! He has a people here, and He is honoring them. He is honoring His Son's Wife, the Wife of the Lord Jesus Christ, the Wife of the Lamb. He is putting honor upon us. And God honoring the Wife is to be especially noticed by the people during the millennial reign and on into eternity, for we are the tree of life, where

the pure river of the water of life, clear as crystal, flows freely through us. In the millennium and on into eternity, the natural people along with all the other saints will come up and behold the King on His throne and the glory of God, which is seen in His Son and the Son's Wife. And the glory of God will light the city of God. That is why we are walking forward in the fullness of the faith of Christ. And being part of Him, we are part of the same special part of the Word that God created His Son from. And when we were married to the Lord Jesus Christ, we were made a very part of the Godhead bodily.

Notice, we were made from the same special part of the Word that created the Godhead bodily! For that special part of the Word created the Son in the womb of Mary. Then after His crucifixion and resurrection, it was *that* Word of glorified flesh and bones that we were connected to at our marriage. So that lifted us up and separated us from all other Christianity. And the Lord Jesus Christ could not be deceived, and neither can His Wife be deceived. We know when something is not clicking just right with our spirit when we hear it. No, the person may not be of the devil, but his teaching is not what the Wife of the Lamb is; because we the Wife are the Word, and we cannot be deceived. We can no more be deceived than the Lord Jesus Christ could be deceived, because Jesus knew the hearts of all men. And now the Wife does too; for we can hear, not just with our natural ears, but with our spiritual ears, so we know that something is not setting just right when it hits our soul and bounces off. So we are a people, the Wife of the Lamb, that is special among all the people. For we are glorified bone of the Lord Jesus Christ's glorified bones, and glorified flesh of His glorified flesh, and there is nothing greater than being His Wife.

So we are rejoicing in this moment of time, for we are glorified flesh and bones, the Wife of the Lamb, and so are

those spiritual bodies that Christ Jesus brought back with Him when He came, which includes Paul and all of those who were ordained to be part of the Wife. Paul called them in 2 Corinthians 5:1 'a building of God, a house not made by hands, eternal in the heavens.' But they came back in this last day and have taken on glorified flesh and bones along with us. And now we all together are glorified flesh and bones, being created by this Word, this message, for this last trump is the creative Word of glorified flesh and bones.

So 'More! More! More!' That is what our soul cries for when these great truths are coming forth. And it is thrilling our soul. Yes, some of it we have heard before, but some of it we have not. And that which we have not heard, it feels like we have always known it because we were part of it before the world was. Glory to God!

I love the Lord, and I appreciate Him with all my heart. And I praise the Lord today for this. And I thank Him because He is so wonderful, and this is so real, and because He has chosen us to be members of the Wife of the Lamb, just as He chose Paul, for Paul was ordained from his mother's womb, and he was a chosen vessel. And so are we. We are chosen vessels in *this* time. And I am not just speaking of me being a chosen vessel, but each one that is part of the Wife of the Lamb is a chosen vessel who is part of this same special part of the Word that Jesus was created from. And it thrills our souls. We are happy even when others are sad, and we can shout when others are crying, because of the joy of the Lord. The joy of the Lord is our strength. Amen! We praise Him. And whenever someone is praising our Lord Jesus Christ, they are giving honor to His Wife also. So we honor each member of the glorified Wife of the Lamb above anything else that is going.

Heavenly Father, we thank you for giving us this opportunity

to speak to the other members of the Wife of the Lamb. I pray that you will move on the hearts of everyone, that we will be more appreciative, and that everything will be so exciting for us as we go forward into the blessings that you are blessing us with in the joy of being the Wife of your Son. O' Father, we praise you for the pure river of the water of life, clear as crystal, that is flowing freely through us. In the wonderful name of our Lord Jesus Christ, we pray. Amen.

POSSESSING A RAPTURNING MENTALITY HOW?

We are reading today in two places—1 Thessalonians 4:13-17 and 1 Corinthians 15:51-55. And the title of our message is *Possessing a Rapturing Mentality—How?* That is the thing we want to know—“How is this done?” So that is what we want to look at today. Everything that God has ever done, it was talked about among the people, those that were part of that particular Word of God that He was bringing to pass; and *that* was their mentality. And because we are the Wife of the Lamb, created glorified flesh and bones from the same special part of the Word that the Lord Jesus Christ was created from, then *that* is our mentality. For along with the glorified flesh and bones came a rapturing mentality, and that is about the only thing we *can* talk about; everything else seems foreign to us. So we thank the Lord for giving us this rapturing mentality; and for *our* part, we have been training our mentality by hearing and receiving the last trump of God that He sent. For God sent this trumpet message of glorified flesh and bones, which has given us a rapturing mentality that fits what is going on in this moment of time when the action of the twinkling of an eye is taking place.

We can look back and see the other workings of God; for example, we see the baptism of the Holy Ghost and the gifts of the Spirit. And there was a time when that was basically what it was all about—“Have you got the Holy Ghost?” and “Have you got this gift or that gift?” Well, our mentality was on that. That was our mentality. And then came the revelation of water baptism in the name of Jesus Christ, and that was one of the things that began to be asked, “Have you been baptized in the name of Jesus Christ yet?” Prior to that, we would baptize in the name

of the Father, Son, and the Holy Ghost without calling the name. But when the revelation of baptism in the name of Jesus Christ came, there was a group of people that were baptized in the name of Jesus Christ, and then that was the main thing. And most all sermons included that. Each time you went to church, it included being baptized in the name of Jesus Christ, speaking in tongues, and praying for the other gifts of the Spirit. And that created a certain mentality among the people. But we do not have *that* mentality anymore, for we are in a different time, a different working of the Lord Jesus Christ; for we are living in the time *after* Christ Jesus came back, which is recorded in Revelation, Chapter 10, for He came in the fullness of His Spirit at that time and brought us (who were virgin saints) a little book. And we took the little book and ate it up. And we changed from being a virgin to being the Wife of the Lamb, for our marriage to the Lord Jesus Christ took place. And when the Lord began to move by revealing more and more Word, our mentality began to be geared in on the revelation of the changing of our bodies into glorified flesh and bones in this moment of time.

Now, if I get up and preach about the baptism of the Holy Ghost and the gifts of the Spirit, well, I would not be preaching something that was not so, but I would be preaching something that would not be profitable for the Wife of the Lamb, because there has been a marriage that has taken place, and there is a glorification of the body taking place, and our mentality relates to *that*.

Sometime back, a man came by and said to me, "I noticed that you do not have a graveyard here at your church. Most of the churches around here have a cemetery at their church. Why do you not have one here?" Well, there are several reasons. But *now* one of the reasons is that there is a people that are not looking to go to the grave. We are not trying to search out a place to be buried.

We do not have a mentality for that. But we have a rapturing mentality. And our mentality has been translated to that extent. So we are possessing a rapturing mentality rather than a mentality of going to the grave. And that is only for us, the Wife of the Lamb, for we are the only ones that are going to be raptured out of this earth.

When Paul preached to the virgin, those saints' bodies *did* go to the grave, but their *souls* went into that spiritual building of God. Paul told us where that place was in 2 Corinthians 5:1, saying, "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, a house not made with hands, eternal in the heavens." So he told about the spiritual tabernacles, spiritual bodies, there in waiting. But in 1 Thessalonians 4:14, he tells us that God would send them back to this earth with Christ Jesus when He came so that they would be here to hear a rapturing message. See, these virgin saints had already heard a message about going to the grave. They had already heard a message that said 'If our earthly house of this tabernacle were dissolved, we have a building of God, a house not made with hands, eternal in the heavens.' They have already heard *that*. But now they (along with us) are hearing a rapturing message of glorified flesh and bones. So all the members of the Wife have a mentality towards rapture. We the Wife have received life for not only our soul but also glorification for our body! Now let us pray before continuing.

O' Father, thank you for taking us into your hands in a special way and for giving me that special anointing of the fullness of Christ to minister your Word. And this subject that we are on, Possessing a Rapturing Mentality, Father, it has come from you as you have given us the inspiration for it, as you have made us the Wife of your Son. Thank you for that special anointing of the fullness of Christ, not just for me, but for the hearers. We will be so careful to praise you for it in the name of our Lord

Jesus Christ. Amen—meaning so be it!

Notice, we are not preparing for death and looking for our souls to go into that spiritual tabernacle (a house not made with hands, eternal in the heavens), and that specific group that Paul talked about in 2 Corinthians 5:1 is not even there anymore; they are *here*. They have been brought down to earth. So that makes a big difference now that they are here on the earth. And they have taken on glorified flesh and bones because this last trump of God is the message of glorified flesh and bones. So they have received glorified flesh and bones as we have received the same, and together we will soon be raptured out of this earth.

Today we hear people say that there is going to be a rapture. But when you talk to them a bit, we realize they do not have a rapturing mentality. They might tell about the gospel that grandma had and how it used to be, and, praise God, I was there when it used to be that way! And it was good. Paul spoke of that and made it so vivid and clear in 2 Corinthians, Chapter 3, when he began to compare what he was preaching with the Law of Moses. He said what Moses had, which was the law, was glorious. He said it was so glorious that the children of Israel could not steadfastly behold the face of Moses for the glory of his countenance, which glory was to be done away. But when talking about the ministration of the spirit that *he* had, he said, "But now that which was glorious has no glory by reason that *this* outshines the glory of that." But now here is the Wife's message of glorified flesh and bones, and it has stripped all others of their glory! We see that as that took place then, it is the same as what we are saying today. So what I am talking about here is not so strange, because when Paul preached to the virgin saints, he said, "What Moses said has no glory when you compare it with *this*." So when we compare all the other work-

ings of God, even Paul's espousal message, with the Wife's message of glorified flesh and bones, they have no glory because of our glory that excelleth.

So what I am talking about here, Possessing a Rapturing Mentality, is revelation that is for a specific group of people who are the Wife of the Lamb. So if we try to apply this rapturing message of glorified flesh and bones to others, it just does not fit them, for this is only for the Wife of the Lamb. We had to have the mentality of being glorified, and so did those that Christ Jesus brought back with Him. When Christ Jesus brought those saints with Him, they came here for a purpose. They had to hear this message of glorified flesh and bones. They had already heard the message of espousal under Paul, and it was so wonderful. But now it has no glory in the sense that here is something that outshines that glory. And Paul is here right now receiving his part of it. He said, "I am pressing for the prize of the mark of the high calling of God." Well, he is here; and he has found what he was pressing for. What he was looking for while he was here on earth, he is here receiving it and is rejoicing over it as God has given us a new mentality that fits this message for this time that *we* are living in.

Sometime back, a preacher that I know said to me, "There is something wrong, Ben, something I do not understand. It used to be that when I preached the Word, there would be healing, and there would be rejoicing, and there would be repenting; but now it seems like everything I say just kind of falls flat. It just does not work anymore. Something is just not working right." Well, it *is* working right. It is the preacher that is not working right. He is trying to preach a message that the glory has left and moved away from. The glory of God has moved away from that part of the Word of God and has moved on to the Word that is fresh for the people in this day and in this

time. The only thing we can do with the Word that has already come and gone is to look back and get a historic background, showing how it came, in order to solidify the position we are in now. That is why we are talking about the Word for our time, the Word of glorified flesh and bones. This is our mentality! This is our life! And when we listen to other people talk, we can hear what they have built their mentality around. And that is all right; I am not criticizing any of those things. A person can only be what they are. And if that is what they are, then so be it. But there is the Wife of the Lamb that God is dealing with. He has given His Son a Wife, and now here we are, and we are talking about our physical body of glorified flesh and bones, and we are rejoicing!

So here we are at the end of this moment of the twinkling of an eye, and we have a mentality that fits this message of glorified flesh and bones. And we cannot help it because that is what is in us. We cannot help but talk about it. And we cannot help but read about it. And if one cannot read, he or she can listen. We have it in audio and in written Word. Some people prefer the books, and other people prefer the video, while others prefer the audio, and some like a good mixture of all. That is the way I am. And this is the mentality we the Wife have.

Now let us begin reading in 1 Thessalonians, Chapter 4, starting with Verse 13. This is Word that Paul prophesied, and it is written in a prophetic way; it is something that did not occur in his day. Verse 13 says, *"But I would not have you to be ignorant..."* He did not want them to be ignorant of the last thing that God was going to do to bring them to rapture. See, he did not want them to be ignorant of this last trump of God message. Likewise, I do not want you to be ignorant of it. Others can talk to us about getting the Holy Ghost, and that is all right for them and is not a problem for us, the Lamb's Wife. But we the Wife of the

Son of God have *this* Word shining brightly in us because we are a part of that same special part of the Word that the Lord Jesus Christ was made from. And the rapture, the process of it, has already begun by this present-tense message, the present-tense Word translating our mentality!

I know when people begin to get older, they start planning for their death. I am eighty-four and a half years old now, and normally when people get my age, they start thinking about dying and going to the grave, and they plan their funeral. And some of them make a big notebook of what they want done and how they want things said, and so on like that. They make all those plans to go to the grave. Well, I tell you, I would rather be on this side of that green grass, over here rejoicing in the Lord, and then go up in the rapture to meet the Lord Jesus Christ before the tribulation gets going.

So Paul was telling them, "I do not want you to be ignorant of these things. This is what is eventually going to take place with the espoused saints that go by the way of the grave." *"But I would not have you to be ignorant, brethren, concerning them which are asleep..."* Some had already died, and these people were troubled about it. And since the virgin had fallen and the marriage to the Lord Jesus Christ did not take place at that time, that was the way it was going to be for them all. So Paul's writing about these virgin saints lets us know that they would go by the way of the grave throughout the church ages until Christ Jesus came back, shown in Revelation, Chapter 10. *"...that ye sorrow not, even as others which have no hope."* In other words, this group was different, for these here that Paul was speaking to was a different group from all others, for they were to be part of the Wife of the Lamb. Verse 14, *"For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring (send) with him."* And we know by revelation that God sent those spiritual tab-

ernacles, those spiritual bodies, of these saints down here to the earth with Christ Jesus when He came. (Revelation, Chapter 10) He came and He brought them with Him. So now they are not where they were before; they have changed dwelling places. That heavenly realm they were in is now *here*. And they are here with us; they are hearing the same thing we are hearing. And they are not just spiritual bodies, but now they have physical bodies of glorified flesh and bones. And we do not necessarily see them, for it is just like Jesus was when He was in His glorified body, which was the same body that He lived in and grew up in. The Lord Jesus Christ's body became glorified after His crucifixion, and He went down and preached to the spirits in prison, and He brought out those Old Testament saints; for they were not to be there. They changed dwelling places and were seen of many after He brought them up with Him. Then after forty days upon the earth, they ascended into the heavens with Him. So during the forty days upon the earth, the Lord Jesus Christ was in His glorified body, as were the saints that He brought up; for they changed dwelling places, just as the saints of Paul's day and the church age saints have now changed dwelling places from just being in a spiritual body to being in a glorified body.

Notice, in His glorified body, the Lord Jesus Christ could appear in the midst and disappear as He willed it, just as we see in the Book of Luke, Chapter 24, where it shows two disciples that were on their way to Emmaus, and the Lord Jesus Christ joined Himself to them in their journey. They thought He was just a stranger as He spoke to them and walked with them along the way. And upon the journey's end, after much persuading on their part, He went into the place of their abode with them; and when they sat down for their supper, He revealed Himself to them by the way He broke the bread. For when He broke the

bread a certain way, their eyes were opened, and they knew who He was! It was the Lord Jesus Christ risen from the dead, and now He was in a glorified body! And as suddenly as He appeared, He was gone! And they hurried back to Jerusalem to go tell the disciples, who were gathered at a certain place, about what had happened! And when they heard what had happened, they began to say different things about it. Thomas said, "Well, I will not believe that unless I can put my hand in His side and see the nail prints in His hands. I do not think my faith is going to reach that far." Then, suddenly, the Lord Jesus appeared in the midst! And God, being the great merciful God that He is, He let the Lord Jesus Christ show Thomas the nail prints in His hands. And Thomas said, "My Lord and my God." Now he believed! "And Jesus saith unto him, Thomas, because thou hast seen me, thou hast believed: blessed are they that have not seen, and yet have believed." And then Jesus talked to them there. At first, they thought He was a spirit, and they were frightened. And Jesus said unto them, "Does a spirit have flesh and bones as ye see me have?" And then He said, "Have you got anything to eat?" And they gave Him some fish and honey. So He ate with them, and suddenly, when He got through talking to them, the chair was empty—He was gone! **He was in a glorified flesh and bone body that could eat and function as a regular person, yet He was glorified right to the bone, right to the core.** And that is the way the Wife saints are right now.

Just as He only brought up from prison the Old Testament saints and not everything that was in hell, and they dwelled upon this earth before they ascended into the heavens and went to their place of rest, likewise, when God sent Christ Jesus down to this earth, He only brought the virgin saints back to earth, for they were part of His Wife. He did not bring *all* the saints back to earth at that

time, for the other saints will come forth at the beginning of the millennial reign to be helpers to the natural people in the great millennium. But those He brought with Him are here in the earth right now and are hearing this last trump of God message, which has created glorified flesh and bones on their spiritual bodies, just as *we* have taken on glorified flesh and bones; and together we will ascend up, which we call the rapture!

So we see these things, and we praise God, and, oh, how glorious it is! It is wonderful! And it is what we are talking about. It is our mentality. It is what we are. It is what is in us. We are hearing this Word, and this Word of glorified flesh and bones has become part of us, for it solidified in us, as well as in the saints that Christ Jesus brought back to this earth with Him. This Word has brought glorification to our mortal bodies while those saints have taken on glorified flesh and bones on the spiritual tabernacles they came in, as we are all made new and young again! And I feel that Spirit right now!—the great glory of God as it just shadows all around us.

We have created an atmosphere around us because that is what we talk about, that is what we live for. The things of the world have lost their glow, and they do not have any effect on us, for those things are not being glorified nor translated. But we the Wife of the Lamb have been given a rapturing mentality, and very soon we are going up. We are going to be in glory with our Husband and King. But for now, we (His Queen, who is the feminine part of the Christ Spirit) are being magnified in the earth.

See, the Lord Jesus Christ magnified the masculine part of the Christ Spirit, but we the Wife are magnifying the feminine part of the Christ Spirit. Now we see both the masculine and feminine parts of that *them*, see, 'God created He him; male and female created He *them*.' But just as with Adam, that *them* was all in Adam until God cre-

ated Eve; and then there was a breakaway, for He broke away the feminine part and put it into Eve, which left Adam all masculine and Eve all feminine. And when their marriage took place, that brought both parts of that *them* together as one once again. Now we see this same picture in the Lord Jesus Christ and His Queen Wife. Praise God!

Notice, that is what happened in Revelation, Chapter 10—a breakaway took place; for the feminine part of the Christ Spirit was broken away and came into a body that was prepared to receive *Her*, and now here we are, the Wife of the Lamb. Just like with Adam and Eve, God took the feminine part from the Lord Jesus Christ and created us, the Wife of the Lamb. And while the Lord Jesus Christ is the masculine part of Christ, we are the feminine part of Christ. And then both parts were brought together again when we were married together as King and His Queen. And now there is a people, the Wife of the Lamb, that the masculine and feminine parts of the Christ Spirit can be exercised in again, just like it was in the Lord Jesus Christ before the breakaway took place. For there is a bodily people that is the Wife of the Lamb, and that flesh is made from the same flesh of the Lord Jesus Christ, making us glorified flesh and bones of His glorified flesh and bones in perfect oneness.

So that is what we are; we are glorified flesh and bones of the Lord Jesus Christ's glorified flesh and bones, thus making us the feminine part of the Godhead bodily. It came down through Christ into Jesus, and then when the time came for the marriage to take place, God broke away that feminine part from the Lord Jesus Christ and created a physical glorified body of saints that He called Christ the Wife of the Lamb. That is what this last trump of God message is about. Paul was blowing a trumpet in his day, and his message created a virgin that he espoused to the Lord Jesus Christ. Even so, this last trump message has

created the Wife of the Lamb, all with that same Word, which is now glorified flesh and bones. Amen! This is so wonderful!

Let us continue reading in 1 Thessalonians, Chapter 4. Verse 15 says, *"For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent (precede) them which are asleep."* In other words, Paul was saying, "We which are alive at His coming are not going to precede them because they are going to be *with* Christ Jesus." Amen, they are with Him, so we cannot precede any of that. Verse 16 says, *"For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first (come forth):"* In other words, they will be made visible among us. And they have to become visible because the next verse, Verse 17, says, *"Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord."*

So we become visibly together. See, there is a togetherness with us and the saints that came back with Christ Jesus, which are the saints that died through the church ages that were destined to be part of the Wife of the Lamb. And they are one with us. And they are one with this Word of glorified flesh and bones. And their mentality is trained exactly with this Word. Anything that they were lacking, now this last trump of God message is supplying; for it has created them a physical body of glorified flesh and bones. Yes, it is this last trumpet Word that is doing the creating, as we have become Word bodies. And together we will be caught up.

Let us read some in 1 Corinthians, Chapter 15, starting with Verse 51. Paul says, *"Behold, I shew (show) you a mystery; We shall not all sleep, but we shall all be changed,"* Notice, he did not say this in 1 Thessalonians, Chapter 4; but it is

the same happening. We have to put these two scriptures together. He did not give all the details in 1 Thessalonians, Chapter 4; but we can take 1 Corinthians 15:51-52 *and* 1 Thessalonians, Chapter 4, and put them together and make a perfect picture. *"In a moment, in the twinkling of an eye..."* That is the last little period of time that is shown for the Wife of the Lamb upon the earth. *"... at the last trump..."* **The Word even tells when it is—not at the shout, not at the voice of the archangel, but at the last trump of God. See, it puts that time period right here where we are at now. And our mentality is built around that.** *"...for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. For this corruptible must put on incorruption, and this mortal must put on immortality. So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory. O death, where is thy sting? O grave, where is thy victory?"* So we can say death is no match for the last trump of God, for it has given the victory. For God's Word says here in this same chapter, "The last enemy that shall be destroyed is death." And the Lord Jesus Christ destroyed it for His Wife! He had the victory over death, hell, and the grave, and He gave it to His Wife; so now we have that same victory. That is why Paul said, "We shall not all sleep, but we shall all be changed." This last trump of God has given us a rapturing mentality. It did not create a mentality to think about how we want our funeral conducted, having plans to go to the grave. But the life of Paul's prophecy of 'We shall be changed in a moment in the twinkling of an eye' is here and is taking place. And *that* is our mentality.

We see there are two great forces in the mentality of people today. The greatest force in the world is the life of God. But there is one great force that is greater than any force

other than life; and that great force is called death. And that is what people make preparations for all along the way—their death. But we the Wife of the Lamb have not made preparations for our death, for the Lord Jesus Christ destroyed death for us, and we only have life, and we have made preparation for meeting those saints of old and for the catching away.

So these things we are saying are not words that are pulled out of thin air, but it is revelation that has changed our mentality. Here, I am talking to a people, the Wife of the Lamb, whose mentality has actually been changed, who have a rapturing mentality as glorification is taking place in our mortal bodies. And we have passed from the baptism into death (or 'baptized for the dead') that Paul spoke of in 1 Corinthians 15:29 unto the baptism into this last trump of God message of glorified flesh and bones. So our mentality is that we are one with those that He brought back with Him; and we are to be caught up together. So our possessing a rapturing mentality fits this moment of the twinkling of an eye that we are living in. And that is where we are now, and we are at the end of it!

So our mentality is what this last trump of God message has produced, which is the mind of Christ in glorified flesh and bones, showing forth the feminine part of the Christ Spirit. And as the people rejoiced over the Holy Ghost, we are rejoicing in the fullness of Christ as the Wife of the Lamb. And, yes, it is still all right to speak in tongues now just as they did with the Holy Ghost, for that gift is still here. In fact, these gifts are now seen in the Wife in fullness, in perfection. So it is all right to speak in tongues or to demonstrate the other gifts of the Spirit; but that is not what we put the emphasis on in this time of the rapture. Our emphasis is on Christ the Wife, and we are members. In other words, we have furnished a physical body of glorified flesh and bones for the feminine part of

the Christ Spirit to permanently live in. And it is all because of the fact that the masculine part married the feminine part, making us one.

Again, Verse 55, *“O death, where is thy sting? O grave, where is thy victory?”* That is what Paul talked about—victory! *“O death, where is your sting? O grave, where is your victory?”* Where is your victory, O’ death? Tell us about it! We the Wife of the Lamb do not have any death. It does not apply to us. And to the natural people, the last thing that will be destroyed is death. And the Bible says that death and hell is cast into the lake of fire, and there is where they will be consumed and will be in existence no more. And that is why it is said in Revelation 21:4, *“There will be no more death, no more crying.”* The way is so bright, so good, so wonderful! Wonderful, wonderful, wonderful is He!

So God bless you. It has been such a joy and such a pleasure to talk to you about this. So each church age had the mentality for their time period, which was manifesting the masculine part of the Christ Spirit. But now here is the feminine part of the Christ Spirit being manifested in a physical body of glorified flesh and bones right here and now; and that is *our* mentality.

Father, we thank you for today, for the Word, and for all the good things you have done and are doing and will continue to do, and for this great rapture that our mentality is fixed on as we walk right into it with the saints that Christ Jesus has brought back. Father, we love you, and we praise you for it in the wonderful, wonderful name of our Lord Jesus Christ, your only begotten Son. Amen.

THE GREAT NATURAL AND SPIRITUAL AWAKENING IN ISRAEL

We thank God for all the good things that He is doing and for the greatness of the revival that is taking place within the hearts of God's people; and it is being expressed outwardly. And we praise God for that! The glory of God is being shed forth upon us, and we praise God for it. And at this time, we want to have our prayers directed towards Israel that God will give them a great victory; and He is. Sometimes God has to let certain things happen to wake us up good; and when we are awakened, then we can go forward with what God has ordained for us to do. So we appreciate Him and love Him with all our hearts. Now let us pray before going any further into the Word.

Heavenly Father, we praise you, we thank you, and we love you, and we want to offer a special prayer for your natural people Israel, whom you are sending a great awakening to, that they may see the reality that they now need to step forth and do what you have ordained, and you will give them back the land that you gave to Abraham, which has been in other hands. And now we the Wife of your only begotten Son see you moving in ways in Israel that we could not foretell or predict to bring forth that part of your plan for thy glory. And as you are fulfilling that part of your plan, the Wife of the Lamb's gospel of glorified flesh and bones is also going forth there in this same moment of time for thy glory. O' Father, help me to say the things that you would have me to say to glorify thee in the name of our Lord Jesus Christ. Amen.

We thank God for the Spoken Word and the written Word; and when we read in the Word, we see the great promises of God. And when we are dealing with Israel in the natural, we could go all the way back to Abraham and see how God promised Abraham and his seed a certain

amount of land and set the borders thereof; and that promise still holds true today. And when we talk about the natural seed of Abraham, we could look first to Isaac. But to complete the beginning of the natural seed, we look to Abraham, Isaac, and Jacob and his twelve sons. God chose Israel, above all the people, as the nation to carry out His law that He gave to Moses. They were not the greatest people, as far as numbers are concerned, but they were the people that God chose. So that natural lineage came through Abraham to Isaac, then to Jacob and his twelve sons, thus establishing Abraham's natural seed in the earth and giving them their land as shown in the Word of God. And then much later down the road, here came the Apostle Paul speaking about 'the spiritual seed of Abraham' in the Book of Galatians, Chapter 3, giving us a greater understanding of the seed of Abraham, saying, "Now to Abraham and his seed were the promises made. He saith not, and to seeds, as of many; but as of one, and to thy seed, which is Christ (meaning the Lord Jesus Christ)." So he spoke about the spiritual seed of Abraham being the Lord Jesus Christ. **So that is the seed that also is being awakened in Israel as many see and believe God for a new birth into God's Spiritual Kingdom. We could call this working 'Abraham's day of Pentecost.'** So as the natural seed is being awakened, so now is Abraham's spiritual seed being awakened. So there is a great natural and spiritual awakening in the land of Israel.

Notice, God is now working things according to His will for Israel to take back all their land according to God's Word; and at the same time, the gospel of the Wife of the Lamb is also going forth there to those that are part of the Wife, as the gospel of the Wife of the Lamb has left the Gentile world and has gone to where God is presently working. So now we see two prophecies that are happening in this same moment of time, which we preached in

the message called *The Quick Converging of Two Prophecies in This Moment of the Twinkling of an Eye*, which became a chapter in our book *The Miracle Wife of Glorified Flesh and Bones*, showing that 1 Corinthians 15:51-52 has come together with the short work of Romans 9:28. Here, in Verse 28, God is dealing with Israel, and He will finish the work and cut it short in righteousness. But *within* this verse there is something hidden, a secret working, which is the gospel of Christ the Wife of the Lamb, who is echoing out the Voice of the last trump of God to the members of the Wife in Israel just before the catching away takes place. And at the same time, God is bringing into fulfillment His other workings which pertaineth to the nation of Israel.

So we see all these great things as God is moving in the land of Israel; and notice, at the same time, Christ the Wife of the Lamb is echoing out the Voice of the last trump of God, which is the creative message of glorified flesh and bones. And it is so great that it is hard to keep our feet on the ground. We the Wife are collectively furnishing the feminine part of the Christ Spirit a physical body of glorified flesh and bones, and we are fulfilling this role with great joy. So Paul's prophetic Word that is seen in the Book of Ephesians 5:30-32 is now fulfilled in us, for the marriage to our Lord Jesus Christ has taken place, and we have become glorified flesh and bones of His glorified flesh and bones. And this physical body of glorified flesh and bones is like the one that the Lord Jesus Christ came forth in (from the tomb) when He rose from the dead, for He now had a physical body of glorified flesh and bones.

When the Lord Jesus Christ talked to the two disciples that were on their way to Emmaus, they had no idea who He was. Here was a glorified man talking to them, and they could not tell the difference between Him and an ordinary man. They thought He was a stranger that had come upon them who was interested in hearing what they

were saying to one another. **He walked with them a while, and then He began to expound on all the scriptures that pertained to Himself.** And even though their hearts were burning within them as He spoke to them along the way, they still did not know who He was, for their eyes were holden. And when they got to where they were staying, He went in with them and began to break the bread at suppertime. And that is where He revealed Himself; for He broke the bread in a certain way. He just did it in a certain way, which was a signal to them, and the Bible says, "Their eyes were opened." Sometimes God gives us certain things, certain signals, to open our eyes very widely to the things that we already know within.

Prior to the Lord Jesus Christ's crucifixion and resurrection, He told His apostles that He would be crucified in Jerusalem by evil men but that He would rise again after three days—"As Jonah was three days and nights in the belly of the whale, so will the Son of man be three days and nights in the heart of the earth." But with the Lord Jesus being taken captive by the servants of the high priest, and the apostles leaving Him, and then Him being crucified, by this time they had let what He had said to them slip their minds. So He needed to remind them; and when He broke the bread, that was the signal they were looking for! That was it! And then He vanished out of their sight! And they said one to another, "Did not our heart burn within us while He talked with us by the way, and while He opened to us the scriptures?" And they rose up the same hour and returned to Jerusalem and found the eleven gathered together. (Judas was not among them, for he had already done his job. The enemy had already used him, and he was already gone, for he went out and killed himself.) But they told the eleven and those that were with them, "The Lord is risen indeed!" And they told what things were done in the way and how He was

made known to them in the breaking of the bread. Mary, Martha, and some other women had been at the tomb earlier and they saw that it was empty, and they saw an angel sitting upon a stone that had been rolled back; and then they saw Jesus and spoke with Him. But when they told this to the disciples, their words seemed to them as idle tales, and they believed them not. See, it was holden to them. That is what the Bible also says about the two disciples that were on the road to Emmaus; they were holden to the fact that it was actually the Lord Jesus talking to them. But then it was revealed.

Notice, the same one that keeps things holden until a certain thing happens, a certain signal takes place, is the same one that reveals it. And this certain thing that took place was the breaking of the bread. No one did it like the Lord Jesus; He had a special way of doing it. It was familiar to them, and they knew right then who He was. So they ran to tell the other disciples. But the other disciples had already heard it from the women who they said 'had seen a vision of an angel or something.' Well, that was not correct, the story they were telling there, because that was not what the women said, that is not what happened. Because the women actually *talked* to an angel, and they actually *talked* to Jesus, for Mary went up to Him in the garden as His back was turned to her, and she supposing He was the gardener said to Him, "Sir, if you have taken Him somewhere and laid Him, please tell us where you laid Him." And He turned around and spoke her name. And that settled it for her; for then she knew who He was.

See, the Lord does things in certain ways. Sometimes certain things come along, maybe things we know, things that are already implanted in us and in our mentality, but there is a quickening—and we just know that we know that we know! And that is what happened here. So the apostles were gathered in one place, and the two disciples

that had come from Emmaus were telling them they had seen Jesus and that He had spoken to them. Then suddenly Jesus appeared in the room, the doors being shut, and they were frightened and thought He was a spirit. And Jesus said, "Does a spirit have flesh and bones?" And then He asked them, "Have you anything to eat?" and they gave Him some fish and honey; and He ate and then disappeared. So even though Jesus had told them that He would be crucified and would rise again, it was still holden to them until it was revealed.

Notice, we the Wife of the Lamb have the Holy Ghost, and we have the feminine part of the Christ Spirit, which have been married together in us, and we can express both the masculine and feminine parts of the Christ Spirit. We have all of that. And we might hear it over and over, but then we hear it said in a certain way, or the Lord speaks to us in a certain way, or maybe we have a dream, or read a scripture, and suddenly it is no longer holden. Then we see clearly, "Yes! Yes!" And that is what happened with what we see going on in Israel in the natural as well as in the spiritual; and, yes, there is a quickening! The power of God is moving, and we thank God for all these things!

It is just wonderful, wonderful! Wonderful is He! We praise God for the things He is doing. And we praise God for where He has brought us to. Each one of us have our own story as to how the Lord has led us. And some of us have been here a long time and probably have more testimonies to tell about how we were led. But now it has been quickened to us that there has been a marriage and we are now glorified flesh and bones of the Lord Jesus Christ's glorified flesh and bones. And it makes such a difference. So each day as the sun rises and a new day begins, we look for the things that the Lord does, little things He quickens to us that might have happened before, which we might not have paid much attention to, but suddenly it is quick-

ened — “Yes, Yes! Why didn’t I see this earlier?” Well, sometimes the Lord lets us see things earlier, and then He lets us see them in a greater way. And we thank Him as He leads us and guides us by the Spirit, thus letting us know we are in His perfect will.

Notice again our title, *The Great Natural and Spiritual Awakening in Israel*. So now that things are beginning to take place in Israel in a great way, when we wake up in the mornings and turn the television on to watch the news of what happened overnight, we see that we are now living in a different world. We see what is now taking place in Israel, for God is fulfilling His will, for it is ordained of God for them to get every bit of their land back. And when I say every bit of their land, I am talking about the land that God gave to Abraham and his seed for an inheritance; for God said, “Every place whereon the soles of your feet shall tread shall be yours: from the wilderness and Lebanon, from the river, the river Euphrates, even unto the uttermost sea shall your coast be.” The nation of Israel is the only nation in the world that I am aware of where God drew out the boundary lines, showing where their borders come to and details about it. So they have a clear-cut Word as to what belongs to them and what does not. And just because someone else is living on their land does not mean that they own it. But Israel owns it because God gave it to them! And when God gives you something, that is *your* gift. That belongs to you. It is a gift from the Almighty. So what God gave Abraham is for one nation only, and that is for Israel, which was at that time God’s gift to Abraham; and later to his seed through his wife Sarah, it went to his son Isaac, and then it went to Isaac’s son Jacob. And then from Jacob sprang twelve sons, and after each son was named a tribe. And in the millennium, the twelve apostles will sit on twelve thrones and judge the twelve tribes of Israel. But at the end of the

millennium, when God comes and takes His abode here on the earth, all the redeemed will be here, whether Old Testament or New Testament, *all* of the saints will be here. God will bring those saints that were here long before the Lord Jesus Christ was ever born and came on the scene.

So just as God set the borders of Israel's land (for that was His gift to them), He made us the Wife of the Lamb when we married His Son, and we became glorified flesh and bones of His glorified flesh and bones. And He clothed us with fine linen, clean and white, and set us apart from all others. *That* is our borders. Glory to God! And no one else can intrude on those borders and say, "I am clothed in fine linen, clean and white." They might *say* it, but the King knows His Queen. So their folly is made known by this last trump of God, for by this trumpet message we were created glorified flesh and bones. So the fine linen, clean and white, is for one people only. It is for us, the Wife of the Lamb.

We praise God for the great natural and spiritual awakening that is taking place in Israel. And we thank God for the last trump of God that is sounding in Israel, for the Wife's message of glorified flesh and bones is going forth there to the members of the Wife in this moment of time as the action of the twinkling of an eye is taking place.

Sometime back, I preached a message called *The Gospel for the Wife in Israel*, which we put into book form, where we separated out the workings of God in Israel in this end time. First, we see the Wife of the Lamb's ministry of glorified flesh and bones, which is now going forth to the members of the Wife in Israel just before the catching away takes place. Then along about the time of the beginning of the 70th Week of Daniel, the two prophets of God, which are the two witness of Revelation, Chapter 11, will begin to prophesy to the nation of Israel; and they will prophesy for three and a half years, and then they will be killed, but the anointing of God will raise them from the dead in the sight

of their enemies. And then they will ascend to heaven in a cloud. And then the earth will be lightened with the glory of the Lord; for the 144,000 Jewish preachers that heard the two prophets' message will be anointed to go forth into all the world with a message during the last three and a half years of the 70th Week of Daniel, which is the great tribulation period, saying, "Fear God, and give glory to Him. Do not worship the beast nor his image. Do not receive his mark. If you do, you shall drink of the wine of the wrath of God." (Revelation, Chapters 7 and 14-18) And all of this takes place right before the Day of the Lord when the wrath of the Lamb is seen in the earth. And then it will go on into the millennium.

The Word of God is wonderful, and certain things that apply to us, the Wife of the Lamb, is recorded in the Word. But when Paul wrote in the Book of Romans, Chapters 9-11, about what would happen to Israel in the natural, he did not say anything about the gospel of the Wife of the Lamb being in Israel, but he told basically about the restoration of Israel, and how God deals with Israel, and that it is according to predestination. In Romans 9:28, it shows a short work of God dealing with Israel. But hidden within this verse is the Wife of the Lamb's gospel of glorified flesh and bones in Israel, because for the Wife, the short work and the twinkling of an eye is the same time that we are living in now. Notice, this short work is happening at the same time as the moment of the twinkling of an eye, and both are taking place now. So now we see two prophecies; Romans 9:28 and 1 Corinthians 15:51-52 have converged together in a moment of time. See, Paul did not speak about the Wife's gospel in Romans 9:28 because it was hidden. And even now, it is still hidden to all but the Wife. And we recently preached a furtherance of revelation of this in the message called *The Righteousness Which is of the Fullness of the Faith of Christ*

Has Spoken, which became a chapter in our book *Christ the Wife of the Lamb is Echoing the Voice of the Last Trump of God In This Time of the Twinkling of An Eye*, showing the Wife's gospel of glorified flesh and bones in the land of Israel in this end time. And our gospel is not to the natural nation of Israel, but it is *within* the spiritual part of Israel, to those that are members of the Wife of the Lamb. So everything is going just right. Sometimes we may think it is not going just right; but He is going to take that which you think is going wrong and make it just right. And then you will agree and say, "He doeth all things well!"

See, we the glorified Wife of the Lamb are the fullness of the body of Christ, which means that we are showing forth both the masculine and the feminine parts of that *them* that was first spoken of in Genesis 1:27, "So God created man in His own image, in the image of God created He him; male and female created He them." When Adam walked around on the earth, being the king of the earth, he had both parts of that *them* in him. And when he saw that all the animals that God made had a mate, having a female for each male, he realized, "Here I am, just a male, with no female!" That is when he got lonesome, and God came to him and told him that He would create him a helpmeet. And God kept His Word; for later He put him to sleep and took a rib from him to get the flesh part, and then He broke away that feminine part of Adam's spirit and created Eve. And Adam had never seen anything so beautiful in all his life. Well, never again has there been an earthly man whose spirit was both masculine and feminine. There has been no other earthly man that God had to breakaway the feminine part of his spirit and create a female; but man is one hundred percent man, masculine, and woman is one hundred percent woman, feminine; and there is not a mixture there. But when God's second Son, Jesus, came on the scene, John baptized Him at the

age of thirty years old, and then the fullness of the Christ Spirit, which contained both the masculine and the feminine attributes, came into Him, making Him Jesus the Christ. And He went and preached for three and a half years and turned the world upside down. He healed the sick and raised the dead. And He became the Lamb of God and was crucified, and He resurrected. Then He was the resurrected Savior with the masculine and feminine parts (attributes) of the Christ Spirit within Him. And that feminine part of the Christ Spirit had to stay within Him hid away until Revelation, Chapter 10, was fulfilled, because the virgin of Paul's day fell away from his gospel, so the marriage did not take place at that time. And that was just exactly according to what God's plan was. And we know God's plan was that way because we read it in the Book of Matthew, Chapter 13, in the seven parables, for each one represented a church age. So it was a long period of time from espousal to marriage. But in this last day, in Revelation, Chapter 10, *Christ Jesus* came back hid in the form of the Mighty Angel, which came as a proxy for the Lord Jesus Christ to marry us to Him. The physical Lord Jesus Christ could not come, for He must sit on the Father's throne until the time of the regeneration, meaning the day of the Lord and the millennium. (Acts, Chapter 3) So this here in Revelation, Chapter 10, was not the fleshly glorified man Jesus, but it was a spiritual coming; Christ Jesus came back to earth in His fullness in the form of the Mighty Angel with a little book in His hand. And when He came, that was the masculine and feminine parts of the Christ Spirit that came for the purpose of marriage, and He brought back with Him all those virgin saints (those spiritual tabernacles; the spiritual bodies that had been in heaven) for the marriage. And here in Revelation, Chapter 10, a breakaway took place of the feminine part of the Christ Spirit, for the feminine part of that Spirit was

broken away from the masculine part and was put into a body of people as we ate up the little book, which gave us the special part of the Word, which became glorified flesh and bones. So there was a marriage that took place, thus creating us the glorified Wife of the Lamb.

Today we are rejoicing in the Lord, claiming Him as our King and our Husband. And we are so happy with Him, and He is so happy with us that we the Wife furnished the feminine part of the Christ Spirit a physical body of glorified flesh and bones. And here we are, Christ the Wife of the Lamb, in the earth today with both masculine and feminine working out through us. In other words, the masculine part of the Christ Spirit (the faith of the Son of God) and the feminine part of the Christ Spirit (which is called the faith of Christ) married together and created the perfect faith, and it is called the fullness of the faith of Christ.

Now we are watching as it has all come to the end time. We have come down to the end of all things, including the end of this last trump of God message; and at the end of this message is the rapturing (catching away) of the Wife. And now we are all here. We are in a glorious spot. We have become glorified bones of the Lord Jesus Christ's glorified bones and glorified flesh of His glorified flesh by this rib (the Word, the message) that He created us with, which is this last trump of God, the creative Word of glorified flesh and bones.

Notice, here is the creative Word of glorified flesh and bones today. And it had not been heard of before. Christ (the feminine part of the Christ Spirit) had been hid, and it had not been preached. It had not been known. And it was not supposed to be made known until now; for God knew when the time came that there was a people that it would fit like a hand fits a tailor-made glove. And here we are today with this gospel, and it fits us just that way,

and we love every bit of it! And every bit of this gospel has caused every fiber of our bodies to begin to be glorified, just as it has caused those spiritual bodies, which came back, to take on glorification also; for this message is the glorified flesh and bones that we are all getting, for it has created the glorified body. Glory! Hallelujah!

Now, when we look over at Israel, we see that God is going to give them a complete victory in taking back all their land and whatever else God has ordained for them. Do you know why? God made a promise to Abraham. And that promise to Abraham cannot be broken. It will come to pass—‘Every foot of the land, everywhere the soles of your feet touch, I give thee.’ And everywhere the soles of our feet have touched in this gospel of the last trump of God, He has given to us in the glorified flesh and bone realm, because we are wearing the fine linen, clean and white, and it has never been soiled and cannot be soiled.

Notice, we are not trying to get spots and blemishes out of our garment, for that was being done coming through the virgin stage of the gospel. But now that we have become the Wife of the Lamb, that is no longer needed. See, that was a step we took getting to this. Now we have fine linen, clean and white, which has never been soiled, and will never be soiled, and we are clothed in that. When the marriage took place, God clothed us in that special clothing that no other people in the world and no other Christians in the world are dressed in—the fine linen, clean and white. It is *only* the Wife that is dressed this way. Revelation 19:7-8 says, “The Wife has made Herself ready, and to Her (to Her and Her alone) was granted that She should be clothed in fine linen, clean and white, which is the righteousness of the Wife saints. And this is the righteousness which is of the fullness of the faith of Christ.

Oh, here we are today, and we are saying, “Isn’t He won-

derful, wonderful, wonderful!" More and more as we realize what He is doing as He is leading and guiding us in the last trumpet message, we find ourselves seeing something in the Word, or hearing something in the message, or reading something in one of the books that just strikes us and just thrills us, and we will say, "Where was I when that was being preached?"

I love the Lord today and appreciate Him. I appreciate what He is doing. So as the natural and spiritual awakening in Israel is taking place, we the Wife are possessing a rapturing mentality. So our mentality is on the right thing. Everything is working just as it is supposed to work. And that *them* shows the Lord Jesus Christ and His Christ Wife are together in marriage. The feminine part of the Christ Spirit was taken out of the masculine part of this same Spirit and put into a body of people that were prepared to receive Her. And then the masculine and feminine parts were brought together again in marriage. And now we are part of the fullness of the Godhead bodily. The man, the Lord Jesus Christ, and His Wife came together perfectly, one flesh, and then they produced what God ordained them to produce. And we find the Wife of the Lamb, who is the tree of life, producing fruit. And the nations of the world come up to be in the presence of the Wife of the Lamb and to drink of the pure river of the water of life that flows right through us.

O' Father, we thank you for today, and we thank you for what you are doing. And I pray that you will take these words and bless them so that the precious Wife of the Lamb and others that you have ordained to hear will know that you have everything under control, and everything is working out just right. We praise you in the name of our Lord Jesus Christ. Amen.

WE HAVE CROSSED THE RUBICON!

We praise God for the chance to stand up once again for the Lord Jesus Christ, for the Lamb that was slain for us. So here we are today, and we are living in a time now where truly the scriptures have come alive in fulfillment. We can preach messages and write messages, and they are good, and they are the Word of God, but when they begin to be fulfilled right in our midst, then that makes the Word alive to us. So we are here today, and we are seeing the scripture being fulfilled. God is bringing everything to an end now, just like He said He would, and we praise God that we have crossed the Rubicon!

You might ask, "What does the phrase 'crossing the Rubicon' mean?" It means 'passing a point of no return.' This phrase came about when Julius Caesar and his army crossed the Rubicon River into Italy on their way to Rome in 49 B.C. And by doing this, it was an act of treason. Caesar made the decision to go across the river with his army into the territory of the enemy; and when he did, he invaded the land and won the battle and became dictator for life. Therefore, when he crossed the Rubicon, there was no going back. He had passed a point of no return. So what he did by crossing the Rubicon came down through history and became a figure of speech for an irreversible action or passing the point of no return. It is said, "They have crossed the Rubicon!" And we see that is what has taken place not only for us, the precious Wife of the Lamb, but for Israel, as well as for all the nations that come against them; and so has this present world system crossed the Rubicon. And there is no going back.

Today we are going to be reading in the Book of Zechariah, Chapter 12, starting with Verse 4 and reading down just a bit. We could read the whole chapter (which

is being brought into fulfillment right now), but we just want to read here, confirming the fact that we are now living in the end time. This is the time when God is bringing all things to an end. And for us, the Wife of the Lamb, that is good, for we know that soon we will be leaving this earth in the rapture. And all things are working according to God's will in this end time.

We are right now seeing the working of the God of the Old Testament as He has moved on the scene in the land of Israel, for God is fighting through the armies of Israel, as shown in Zechariah, Chapter 12. And after Israel takes all their land back, Russia the bear, according to the Book of Ezekiel, Chapters 38 and 39, will come down on Israel, and God gets angry, for it says that His face turns red. And in this battle, Israel does not have to fight, for God does the fighting for them. God will send a storm that will beat down the enemy, and Russia will be destroyed there in the land of Israel. See, when God moves on the scene, people will see things that their eyes have never beheld.

We see these things being fulfilled right here at the end time, and it is a clear sign that we *are* at the end time. And when I say 'end time,' I am talking about the end of this age, the end of this present world system, whose end is drawing very near. The things that are now taking place are not things that are everyday happenings. It is God moving in the land of Israel. And things are different this time with Israel in this war that they are in now. It is different! And it is not going to stop until the Word of God is fulfilled. And we the Wife of the Lamb are rejoicing and giving praise to the Lord regardless of how troublesome the scenes on television of the recent happenings in Israel are, because we know our redemption has full come, and Israel's redemption is very near. Praise God!

Notice, we are in the time when Zechariah, Chapter 12, is being fulfilled; and we are watching it fulfill itself. Our

eyes are beholding the mighty working of God, thus confirming that the Word of God is the living Word. And, yes, there are many critics, like the woman I told about some time back that I saw on television. She was an atheist and was telling about people that believe in Christianity, and she said, "Those people are ignorant people. They hold the Bible as something that is an absolute. But what it is, some old men got together and started writing things down, and people believe that it is God speaking to them. They believe it is the Word of God. But it is not. It is just someone speaking things, and most of it cannot be understood anyway." Well, the Word has to be revealed. And it is not some old men speaking things that they did not know what they were talking about; because what they were speaking was what God was saying, and it always comes to pass. And the strange thing about it is *this*: If it was just some old men that got together writing the Bible, then how could it be that everything comes to pass just exactly like they said? The Bible is the written Word of God. But also, in this moment of the twinkling of eye, there is the Spoken Word that is straight from God, the creative Word of glorified flesh and bones of the last trump of God that is being fulfilled in us and by us, the Wife of the Lamb. For the action of the twinkling of an eye is taking place, and at the same time, God is moving in the land of Israel. So this creative Word of glorified flesh and bones is not only the Spoken Word, but it is also being put into written form, and it is the Word of God, and God has blessed it. So we appreciate all these things. And these things are a reality as God is working, God is speaking, and God is moving. Now let us pray before reading.

Heavenly Father, we come to you now. We come praising you and thanking you for your greatness. We praise you and thank you for all these things. We could stand up here and say, "Thank you! Thank you! We praise you!" And it would be unending

because you are so great and you are doing so many great things for us. O' Father, we pray for Israel, for a complete victory; because that is a prayer that is in your will. Thy will be done on earth as you planned it in heaven. In the name of our Lord Jesus Christ, we pray. Amen.

Now let us begin reading in Zechariah 12:4. It says, "*In that day, saith the Lord (And that day is now in this moment of time.), I will smite every horse with astonishment (And that is not necessarily a horse, as we know, but there is going to be confusion everywhere.), and his rider with madness: and I will open mine eyes upon the house of Judah, (Now, watch what He is doing here.) and will smite every horse of the people with blindness.*" That is what God did, and that is why the people cannot see—they are smote with blindness. They do not know what is going on. But the Wife of the Lamb sees clearly because we have been taught the Word of God, and we have been looking for this to take place in Israel. And it is coming to pass exactly like God laid it out, as we can see by referring back to the Prophet Zechariah, as well as other scriptures. For there are so many prophecies that we could mention, which would just barely scratch the surface. And the prophecies are specifically for the nation of Israel. And it is amazing to us to see that all nations have already begun to come against Israel; but let that be as it is because God is doing a work. So let the other nations that come against Israel do what they want to and say what they want to, for it does not hinder the working of God.

Let us read on a little further. Verse 5 says, "*And the governors of Judah shall say in their heart, The inhabitants of Jerusalem shall be my strength in the Lord of hosts their God.*" Israel was separated when Solomon died, for the kingdom was split, but God brings it back together again as one nation. And it is not going to just be Judah, but 'Jerusalem is going to be our strength.' In other words, they will all

be working together. "Let's do this together," they are saying.

Verse 6, *"In that day (now in this moment of time) will I make the governors of Judah like an hearth of fire among the wood, and like a torch of fire in a sheaf (That is where they put the sheaves of wheat together. The way they used to do it is they stacked it up in a field, and when it caught on fire, it would burn quickly. And it says here that is what God is going to make Judah.); and they shall devour all the people round about, on the right hand and on the left: and Jerusalem shall be inhabited again in her own place, even in Jerusalem."* In other words, right now we are going to see some miracles take place in Israel. And it is all in the Word of God. It is not surprising to any of us, because it is laid in the Word of God. And it is in Jerusalem where the King is going to sit during the great millennium. That is King Jesus; and His Wife will be with Him in the area of Israel, while the other saints that have found their place in the Kingdom of God will be scattered out all over the world teaching the things of God. And there will be a glorious kingdom for a thousand years. That happens before everything (including the earth and the natural people) is taken into eternity.

Since all the people that go into God's Kingdom have to first be tried (because God wants people to love Him because they love Him, not because He did something for them specifically), He will turn the devil loose for a season, and he will go out and tempt and test and try the people, and many will follow his wicked ways, and they will be destroyed along with the devil. And one thing that I have been thinking about lately is the fact that death and hell will be cast into the lake of fire, meaning there will be a time when death does not exist anymore. Well, for the Wife of the Lamb, we have already entered into this time period, and we can say, "We have crossed the Rubicon!"

meaning we have overcome death. And this is the time we were looking for!

Today we see that God is moving, and He will do miraculous things in the land of Israel, for it is a land of miracles and always has been. There is an old saying that we say sometimes, which is 'You have not seen anything yet!' as far as what is going to take place there. And we praise God for it; for God has looked towards Israel and has begun fulfilling the scripture of giving the land back to the rightful owners. Therefore, Israel will be the people that inhabit all that natural land, and that is so good! That is so great! And that is so wonderful! And not only will they inhabit the land, but they will be the ones that God blesses in many ways, for He will put many blessings upon them as He takes natural Israel and this earth into the millennium. Everything will just work out so good, and everyone will have plenty of everything. And we the Wife of the Lamb will be there too. All nations will come up to Jerusalem, and they will worship the Lord of hosts. And they will come for the refreshing. And those that do not come, the Bible says in Zechariah, Chapter 14, there will be no rain on their crops.

So we see what is now happening in Israel, for Israel has begun to take all her land back; and we are living in the time of the fulfillment of the prophecy of Zechariah, Chapter 12. So we are facing everything sane, sober, and sensible. We are not going to lose our heads because certain things are going on, for we have already been taught about the moving of God in Israel, and we are praising God and rejoicing that He is now fulfilling the scripture.

Back in the year of 2020, I preached a message called *The Father Worketh, and His Son Doeth His Own Work, Yet There is No Conflict*, showing the Father doeth His work with the nation of Israel, but then the Lord Jesus Christ is doing *His* work at the same time, and they do not conflict with one

another. We see that God has moved on the scene in the land of Israel, showing Himself forth as the God of the Old Testament; and He will do things as He did in the Old Testament. And the prophet of God, Micah, went as far as to say, "They will crawl out of the holes (tunnels) like worms. And they will put their hands over their mouths," meaning they have never seen anything like this. Well, what is that? **It is the Mighty God that has come on the scene.** But the Lord Jesus Christ has a work going on also, which is in the spiritual realm, the salvational realm, while God is working in the natural to bring to pass the promise He made to Abraham and the prophets of old, as everything they wrote is true and will come to pass, and we have begun to see it. So the Mighty God of heaven is bringing those things to pass while the Lord Jesus Christ and the Wife of the Lamb and the other saints of God do their work, as we showed in last week's message, *The Great Natural and Spiritual Awakening in Israel*, for there we showed the separate workings taking place in Israel in this end time. And, again, they will not conflict with one another. It all works together. Therefore, we stand firm for the God of heaven, and for the Lord Jesus Christ as His glorified Wife in the earth. The end time work is taking place, and it is going exactly according to the will of God.

When we read here in Zechariah, Chapter 12, this is some number of years before the Lord Jesus Christ was ever born and came on the scene. Here, it shows the Mighty God stretching forth His hand. This was written back then, when they had horses, and when mighty battles were won in supernatural ways. So now we see the Mighty God on the scene. In other words, He has gotten up off His throne and has begun to fulfill those prophecies—"Now it has come time; I want to fulfill and bring all of this to pass." Well, while God is doing *this* work, the work of the Lord Jesus Christ is going right on and being

a wonderful blessing to us as He is wonderfully laying out the Word for us in this moment of time. The church ages are over, and we are now the married Wife, and great things are taking place for us. We are enjoying the good Word of God as the last trump of God is sounding through us, Christ the Wife of the Lamb, which is the creative Word of glorified flesh and bones that is going forth. It is Word that was not spoken in times gone by; for it is the working of the Lord Jesus Christ and His Christ Wife. And God does not hinder the work of His Son and His Son's Wife.

Even in the great millennium and coming up to it, God turns certain things over to the Lord Jesus Christ, and He leaves it to Him. Then at the end of the millennium, God will show forth His final destruction, which is after the devil has been turned loose and has gone forth and got many of the people following him, those that were his to begin with, those that were of the wrong seed, with the wrong motive. They had enjoyed the millennium because everything went so good for them. But then here came a voice saying, "We can make it even better! Let us take over the whole thing, and then I will show you how to have a millennium!" And he will get his people together and go up to the camp of the saints, up to Jerusalem. And before they can do harm, God moves on the scene again (This is the last judgment call before eternity begins.), and Revelation, Chapter 20, says fire comes down from God and devours them. Then death and hell is cast into the lake of fire. Death and hell is cast into the lake of fire with the devil, and his whole kingdom of darkness comes to its end in the lake of fire. Then death is no longer in existence, for the millennium will then be over, and all the glorified saints, the earth, and the natural people will go into eternity. But the natural people who followed the devil were cast into the lake of fire, and when anything goes

into the lake of fire, it does not come out. Remember, *hell* is not eternal; it is to punish those that are the seed of the evil one for a season. When the Lord Jesus Christ walked here and ministered, He said that those deceptive religious leaders shall receive the greater damnation. But, eventually, everything that is not of God is going to be done away with completely. But the spirit that caused those people to live, the spirit of life that God allows them to have throughout their lifetime, will return to God who gave them that natural spirit of life. And they will just be as though they never were. Then, there will be no more hell and no more death. Amen.

Now as we move on with the message today, we can look back to Israel's 1967 War and other wars they have been in, and we can see how God anointed the Israelis to fight those wars. But finally God says, "It is now time to finish the job and get it over with." Well, that moving of God's Spirit does not hinder us. It does not hinder any other working that God has in the Spirit in the land of Israel. It does not hinder the Wife of the Lamb. So we say, "Glory, glory, glory! Hallelujah! Thank you, Lord, for revelation. Thank you for letting us see this. Thank you, Lord, for helping us to separate it and know the working of God and the working of the Lord Jesus Christ." Do you see how the Lord previously prepared our thinking with the message called *The Father Worketh, and His Son Doeth His Own Work, Yet There is No Conflict*? See, there is the working of God and the working of the Lord Jesus Christ, and their works do not conflict with one another, but their purposes are different.

Now, in the days when God gave Zechariah this prophecy, and he wrote it down, there was no such person as the Lord Jesus Christ. There was no such people as the Wife of the Lamb. There was no such thing as having Christ living in your heart. It was still the Old Testament.

Well, 'the Old Testament God' has moved on the scene. And now we see Him moving to do some great things in the land of Israel. What is it? The Mighty God. And when the Mighty God takes over, He says, "I will take care of this one. I made the promise to Abraham and the fathers back there, so let me take care of this." The Mighty God just goes through; for His Word is spoken, and it just comes to pass, it fulfills itself. And when God moves, it does not do any good for people to get upset, and cry, and say, "Don't do this. Don't do that. You ought not to do it this way. You ought not to do it that way." How are you going to stop God's Word from fulfilling itself? You cannot do it no more than you can stop the words of the Lord Jesus Christ from fulfilling themselves concerning the Wife of the Lamb and all the other saints that believe in Him.

Verse 7, *"The Lord also shall save the tents of Judah first, that the glory of the house of David and the glory of the inhabitants of Jerusalem do not magnify themselves against Judah."* In other words, it is all going to be one working there as one tribe, and we do not even know which tribe is what. But there are certain ones that live in certain areas, and God knows them all. And I am sure as they came back in the land, they kind of went to the place, unknowing to them, where they were supposed to be. But no certain tribe will be taking all the credit or magnifying themselves against the others because it is 'God that is moving on the scene.' And when He does, praise God, everything works out fine.

Verse 8, *"In that day (now in this moment of time) shall the Lord defend the inhabitants of Jerusalem;"* Who is going to defend? The Lord God will defend! Now, he is not talking about the Lord Jesus Christ here; it is the Mighty God rising on the scene! The work of the Lord Jesus Christ is not putting nations down or raising nations up

and showing them how to fight a war; He does not do that until the day of the Lord when He comes back to the earth and does that, thus showing forth the wrath of the Lamb. And we (His Wife) have already been taken out of Him and made His Queen before that battle takes place. And we brought out the revelation of this so beautifully in the message called *The Breakaway Feminine Part of the Christ Spirit and the Wrath of the Lamb*, showing that we do not get involved in battle, because here is why: We are clothed in fine linen, clean and white, which has never had a stain on it, and it never can be stained. See, we are not dressed for battle, for our fighting is over with. But the Lord Jesus Christ comes to earth dressed in a vesture dipped in blood, showing forth the wrath of the Lamb, and He cleans this earth up in the Battle of Armageddon to take it into the millennium.

Let us go on to Verse 8. It says, “*and he that is feeble among them at that day shall be as David;*” (Watch, this is speaking of *now*, that in *this* moment of time there is going to be an anointing.) King David could not lose in a battle, for God anointed him to fight. And now the feeble ones of Israel are going to be as David—“Get out of their way, or you are in trouble! If there is a rock, crawl under it if you can, because the feeble ones are going to be as David, and they are going to fight!” And it is not the Lord Jesus Christ anointing them to fight, but it is the Almighty God moving to do His work in the land of Israel.

Continuing Verse 8, “*and the house of David shall be as God* (In other words, they are going to do what needs to be done.), *as the angel of the Lord before them.*” Watch, this does not say the Lord Jesus Christ is out there leading them. No. *God* anoints His people Israel, and they get the job done. That is God’s work. And we could say that God says, “Son, keep hands off. Let *me* do this. This is one that I have been waiting for.” And He anoints His natural peo-

ple Israel and strengthens them, and the feeble fellow you see going down the street, suddenly the anointing of God will come upon him and he will feel about 16 feet tall and will have more energy than he knows what to do with! And he will do what he needs to do; for these feeble ones will be as David.

Verse 9 says, "*And it shall come to pass in that day (now in this moment of time), that I will seek to destroy all the nations that come against Jerusalem.*" I tell you, people are in trouble and do not know it. Those that are coming against Israel, against Jerusalem, they are in trouble. Why? God got off His throne, we will say, and they are in trouble. They do not know it yet, but they are in trouble; because when God fights, He always wins. And the feeble ones will be as David. And all the nations that seek to come against Jerusalem, God said He would seek to destroy them. Well, if someone wants to cry about it, if someone wants to shed tears about it, if you are going to do anything, pray for Israel. Because these nations, if they come against Israel, that takes them out from under your prayers, and God is going to deal with them in His way, like in the Old Testament before the mercy and goodness of God was manifested in the Lord Jesus Christ. And then at the end of it, Israel is going to be wide awake. Then here comes the Spirit of grace and supplications upon them. They will be a different nation then. They will honor God. When God gets through there, we will see a different Israel. They will never be the same again. They have crossed the Rubicon.

Notice, Israel has crossed the Rubicon as far as this war that they are in now, and they are going to take all their land back. And this is all the working of God. But the other nations too have crossed the Rubicon, for they have come against Israel. And God will seek to destroy all those that come against Jerusalem. See, they crossed the

Rubicon, and there is no turning back, just like casting the dye when you do something; it becomes a fixed condition. So they have crossed the Rubicon; for they have passed a point of no return. They cannot go back.

Now when it comes to us, the Wife of the Lamb, we too have passed a point of no return, and we cannot go back. And I am so glad that we have crossed the Rubicon. We do not want to go back, and we cannot go back; for that prophecy of 1 Corinthians 15:51-52 is fulfilled in us, as we are making that part of the Word twinkle, making it live. We have made it come alive; it is taking place in us. **Glorification has set in us**, and there is no going back. We are in a fixed condition, which is a glorified condition. We have taken on glorified flesh and bones. And not only have *we* taken on glorified flesh and bones, but so have those saints that Christ Jesus brought with Him shown in 1 Thessalonians 4:14; for He brought them with Him when He came in Revelation, Chapter 10. And by the sounding of the last trump of God, there has been a marriage that has taken place. So we cannot go back to just being virgin saints, just being the spiritual body of Christ. We cannot go back, because we crossed the Rubicon.

Let us read one more scripture in closing. So there will be a different attitude and spirit in Israel when all of this is said and done. Verse 10 says, *"And I will pour upon the house of David, and upon the inhabitants of Jerusalem, the spirit of grace and of supplications (And that was very rare in the Old Testament.): and they shall look upon me whom they have pierced, and they shall mourn for him, as one mourneth for his only son, and shall be in bitterness for him, as one that is in bitterness for his firstborn."* In other words, it shows a different spirit. Once this thing is over with, there is a different spirit, a different attitude. *Then* the Lord Jesus Christ comes in and begins to work with the pouring out of the Spirit and so on like that.

So we see the working of God that is taking place in Israel, and we see the working of the Lord Jesus Christ and the precious Wife of the Lamb. And I am going to close out here; and I hope these words help us all to see the things that are going on now in Israel and *why* they are going on. And what is happening there should not hinder our rejoicing, because it is God moving in Israel, the God of the Old Testament. And when we read in the Old Testament, we can see some of the battles, and they were rough, and they looked bad, but God won the victory every time.

Father, we come to you now praising you and thanking you because you are so real and so wonderful, and you have helped us. And, Father, we can say that we have crossed the Rubicon as far as going back, because we are a people, the Wife of the Lamb, that have taken on glorified flesh and bones in this moment of time. And you sent those saints back with Christ Jesus, and the Word says 'together with them we shall be caught up.' They have taken on glorified flesh and bones the same as we have, and we will go up in the rapture together, and it is closed out with the glory of God. We praise you, in the name of our Lord Jesus Christ. Amen.

EVENTS LEADING TO ARMAGEDDON

Today we want to talk about some of the end time conditions. And we are going to start by talking about the last battle that will ever be fought here on the earth. It is the great battle called *Armageddon*, which is fought in the valley of Megiddo. (*Armageddon* is a Hebrew word for the valley called Megiddo.) So we praise God for the opportunity to live here in this end time and see how everything closes out. And as we have been watching, we see everything is closing exactly according to the scripture.

First, we will read just one scripture in the Book of Revelation, Chapter 16, to get the word 'Armageddon.' We see that the conditions that surround this great battle begins to take place in Chapter 14, and it goes on up to Chapter 20. Therefore, our title today is *Events Leading to Armageddon*.

Notice, the Battle of Armageddon is the final battle. And it is a battle that is so great that Revelation 14:20 says in a prophetic manner that blood will run up to the horses' bridles by the space of a thousand and six hundred furlongs. So at that time the Valley of Megiddo will run deep with blood as the wrath of the Lamb is manifested, for the Lord Jesus Christ the Lamb of God comes back to earth and cleans it up, and He then sits on His throne in Jerusalem for a thousand year's reign in the millennium. And at the end of the millennium, all the dead will be judged before He takes the world into eternity.

We want to talk about some of these things today; and rather than reading so much scripture, I want to concentrate more on the conditions that the world is living in now. Yes, we the Wife of the Lamb have been made ready, and we are well acquainted with the scriptures that apply to us. But in this message today, I just want us to look

somewhat at the conditions of the world and the fact that we are still here in the earth and are seeing some of these things come to pass. Amen.

We can look at what is happening in the land of Israel. And, remember, from now on out until the beginning of the millennium and then *in* the millennium, Israel will be the focus point. In last week's message, *We Have Crossed the Rubicon*, and in the message we had the week before, *The Great Natural and Spiritual Awakening in the Land of Israel*, we showed some of the things that are now taking place and that all nations have started coming against Israel. But as we know, in the Book of Zechariah, Chapter 12, it says that God will seek to destroy those nations that come against Jerusalem. So we see more and more that the great red dragon (the devil) is moving to turn people against Israel. I have noticed that right now the nations are putting the emphasis on Israel bombing Gaza and condemning them for doing it, but they dismiss the fact of why Israel is doing it. They are condemning Israel for this war, even though their enemy (Hamas) broke a truce they had with Israel and came in and murdered over twelve hundred of them. The young and the old (men, women, and children) were killed. They were tortured, some beheaded, raped, and other horrific acts were committed on them, and the murderers videotaped it while gleefully rejoicing. So we see the prophecy of Zechariah, Chapter 12, has now begun to fulfill itself, for Israel is in the process of taking back all their land. And Israel will not be defeated. And we speak here not from their ability to fight, and not from the large number of military men they might have, but we are speaking strictly from the standpoint of scripture; because they could be overrun and defeated very easily if they were only depending on their own capabilities. But when God steps in, which He is beginning to do, 'that which is to be done' will be done by His power,

His anointing. And at this time when His Word is being fulfilled, we see the nations gearing up for war, and those that are against Israel are beginning to clearly express it. And all of this is leading up to a point—the Battle of Armageddon.

God will give Israel a great victory in this war that we are seeing in real-time. This is what we call a miracle war, for God is doing the fighting through the armies of Israel. God is letting certain conditions come into being now, and Israel will defeat the enemy. Then here comes the big bear from the north, which is Russia, who will come with plans to destroy Israel, but they instead will be defeated there on the mountains of Israel. And when God gets through destroying them, only a sixth part of their armies will survive. But I am not going into all the details of that in this message because we already have that in more detail in our message called *The Great Shaking in the Land of Israel*. So we are confident as the Lord leads us and guides us, and we know exactly where we are going, and we know exactly what is going to happen. We see it in the Word; and now we see that Word being fulfilled right before our eyes. And we are not nervous, we are not shook up, because all of it is going to work out according to God's plan. It is leading the world right to the Battle of Armageddon and to the beginning of the millennium.

So those are some of the things that are taking place today. And it has a great calming effect on us to know it is God working His will. So when we see *this one* coming against Israel or *that one* coming against Israel, it is not a time to get worried, wondering if they are going to defeat Israel. No, Israel is going to survive, and thrive! But when all of this is over with, some of the political people of Israel will be shook up, and they will sign a covenant with the pope, which is the antichrist, who will rise on the scene. He will make a peace covenant with Israel. He will go

over there and promise Israel much, and the political part of Israel will sign a covenant with him, even after God has given victory. And then, after that victory, there will be two prophets come on the scene, as shown in Revelation, Chapter 11, for they are the two witnesses that will prophesy to Israel along about the time of the beginning of the 70th Week of Daniel. But at the *middle* of the 70th week, the pope will break the covenant with Israel. And then there is the onset of the great tribulation. There is where world conditions lead right into the Battle of Armageddon.

We thank God that before world conditions get too rough, we the Wife of the Lamb will be picked up into glory. And when I say 'the Wife of the Lamb,' I am including those saints that came in their spiritual bodies with Christ Jesus, for when Christ Jesus came back as seen in Revelation, Chapter 10, and 1 Thessalonians 4:14, He brought back with Him the spiritual bodies of those virgin saints so they would be here to take on glorified flesh and bones. And they have been taking on glorified flesh and bones as we which are alive and remain have also been taking on glorified flesh and bones; for we are all hearing the sounding of the last trump of God in 1 Corinthians 15:51-52. So all of that *changing* has been (and is) taking place each day. Each day with Him is greater than the day before!

Notice, while we have been taking on glorified flesh and bones, all the while things in the natural realm have been taking place. And today in this message, I am showing some of the things that are happening in the natural world to let us see that we did not mis-figure the time that we are living in, that we had it right, and that these things are beginning to come to pass a step at a time. And each day, when we turn the news on, we can see what else has taken place. But we know what the ultimate end of the whole

thing is. The Lord Jesus Christ will fight in the Battle of Armageddon as the Lamb; for the wrath of the Lamb will be poured out.

Today we are not going into the details of the seven vials or the seven trumpets, in which four of them sound under the message of the two prophets as they prophesy to Israel during the first three and a half years of the 70th Week of Daniel. But we praise God that we have a book called *The Interpreted Book of Revelation*, where those things are laid out step by step. And it is so wonderful, and it is so beautiful that God would think enough of the Wife of the Lamb that He does not want us *wondering* what is going to be and *worrying* about what is going to be. We know what is going to be. And we know the ultimate end for us is glorified flesh and bones; because He sent a message of glorified flesh and bones, and this is it, for the last trump of God is sounding! And we have been receiving it, and we have been rejoicing in it!

See, God is bringing the natural side of Israel up to the place where it will fit the spiritual side perfectly. In other words, He is bringing the whole thing to an end. Glory to God! The fact is, He is bringing to an end this present world order and will finish this work for the beginning of the millennium. In the Book of Matthew, Chapter 25, it says that He will gather those of the nations that are left. He will gather them together, and He will separate them as the sheep from the goats. He will speak the Word to the goat people, and they shall go away into everlasting punishment, but the righteous will go into eternal life. For the righteous sheep people will go into the millennium, and, oh, what a glorious time! And that will last for a thousand years. But that is only the prelude to *eternity*, which is when everything is absolutely so perfect that it is beyond our imagination. We cannot imagine all the wonderful things God has in store for the Wife of the

Lamb and for all of His children. But in this message today, *Events Leading to Armageddon*, I just want to reiterate some of these things in God's Word that have been revealed to us, which we have been waiting for. And now as we see the fulfillment of these things coming to pass, we stand solid with our feet on the ground. We are not shook up. We are not tossed to and fro. We are not particularly troubled about what is taking place because we know that *God* is doing this. It is a work of God.

Now, notice how I am saying my next statement (this is important here)— **What is taking place in Israel is the work of God (and not the work of the Lord Jesus Christ) to bring these nations into the prophetic picture.** The God of the Old Testament has stepped forth in Israel at this time and is giving them courage and power to take back all their land. Then soon after, the God of the Old Testament steps forth and sends two prophets, as shown in Revelation, Chapter 11; and they will be prophets like in the Old Testament. And their prophesying causes the woman (part of Israel that God spares to repopulate the nation of Israel in the millennium, which is also called the Kingdom Age), shown in Revelation, Chapter 12, to flee into the wilderness to the place that God has prepared for her; for she will be spared while many at that time will be put to death for the Word of God and their testimony (those shown in the second part of the fifth seal). But the point is that when the two prophets come and begin to prophesy and rebuke Israel for signing a covenant with the antichrist, they will have the power and authority of God to turn the water into blood just like Moses did, and they will smite the earth with plagues as often as they will. And they will say like Elijah did, "Let there be no rain until I call for it." It is the God of the Old Testament doing things in the earthly realm. Then after they are on the scene for three and a half years, which will be the middle

of the 70th Week of Daniel, the two prophets by this time will have finished their testimony and are put to death. But then after three and a half *days*, they will rise from the dead, and God will pick them up to heaven in front of their enemies. And at this same time, the earth will be lightened with the glory of the Lord, for there will be a people here that is following the Lamb of God, which is the message of the 144,000 Jewish preachers that will go forth into all the world and preach the everlasting gospel in the very last part of that 70th Week of Daniel. And the world will be so troubled and shook up, and they will be tossed to and fro, but those who are following the Lamb are not tossed, and they have peace in their souls. And at this time we the Wife of the Lamb will already be in glory with our Husband the Lord Jesus Christ. These 144,000 Jewish preachers will be preaching and telling the people exactly what they are to do at that time—"Fear God. Give glory to Him. For His judgement has come. Do not bow down to the beast nor His image. Do not take his mark, for if you do, you will drink of the wine of the wrath of God." And the Bible says that those that heard the message of the 144,000 Jewish preachers, 'they loved not their lives unto death.' They are willing to die for the great stand that they took, while we the Wife of the Lamb are safe and secure, rejoicing with the Lord Jesus Christ in glorified flesh and bones!

Now I want to read this one scripture here, mainly to get the word *Armageddon*. It is Revelation 16:16. It says, "*And he (God) gathered them together into a place called in the Hebrew tongue Armageddon.*" In other words, it is a great battle that takes place in the Valley of Megiddo, and we know who wins that battle. In Revelation 14:20 it gives an illustration of gathering grapes when they are ready for harvest. And the way they would crush the grapes, they would walk on them and squash them, and the grape juice

would run out. So here we see the Lord Jesus Christ the Lamb of God will tread the winepress of the wrath of God, and the blood will run many miles. And that means many people will be slaughtered.

So I tell you, these are some of the things that will take place, but watch this. They *must* take place; for the Battle of Armageddon must take place before the world goes into the millennium, because if God took into the millennium what is in the world today, the world would be as it is now. If He just took it into the millennium like it is now, we would have the same thing *there* that we have here. So the world has to be cleaned up. But there will be enough people left alive to repopulate the nations, and they will be allowed to go into the millennium. They will be people who did not go along with the moral decay of this present world. And man will be more precious than gold in that day and hour. So those prophecies are in Isaiah. And there is just so much Word here that when we get started on it, it is hard to stop. For we could get more of these prophecies and bring them in, but this is just an overall view to let us see what is transpiring in the world today and to let us see that it *must* be this way. There has to be an Armageddon.

Our message called *The Father Worketh, and His Son Doeth His Own Work, Yet There is No Conflict*, which became a chapter in our book '*In a Moment, in the Twinkling of An Eye, is the Real-Time Fruition of This 65 Year Ministry for the Wife of the Lamb*' is very profitable, because without it, it would be hard to understand some of the things that we are now talking about if we had not already brought them, and heard them, and believed them. See, God sent a message that showed us 'the Father worketh and His Son doeth His own work, yet there is no conflict' to let us, the Wife, see that God's work and the work of His Son, the Lord Jesus Christ, is going on in the same moment of time.

And now in real time, we are seeing God's work going on in the land of Israel. God is directing these tanks, the bombs, and the planes to get the job done. God is doing those things while the Lord Jesus Christ is dealing with His Wife. But then it blends together, and the whole earth is turned over to the Son after God puts down all of those armies.

Notice, Russia will be one of them that God will put down. He will turn the weather loose on them, and Russia will be defeated there in Israel. And it just gives us joy and peace knowing that these things, which are now taking place, must take place, and it is the Almighty God directing the scene. Everything is working exactly as the Almighty foresaw it. And it will come out at the end just exactly as He planned it. Every prophecy that has been prophesied will come out exactly as God ordained it. It will fit the modern day condition. And notice, *Armageddon* is a Hebrew word for the valley called Megiddo, which gives us an indication that the Battle of Armageddon is fought in that area. And from now on out, every eye is going to be on the land of Israel, a small portion of land, not a large portion. And why is all the world so troubled and shook up about this one little spot of land? Because God is fulfilling His Word in that land.

So the temple will be rebuilt there in Jerusalem, and much attention will be given to it. When someone turns on the news, that will be one of the first things they will hear about. There will be so much attention put on the temple there that the antichrist cannot stand it; because it is taking the attention off of him. So he will move his seat, move his headquarters right there in the temple. And he will sit in the temple for a while there in Jerusalem. He will sit in the temple to be worshipped as God. But I will tell you, as all of this is taking place, God will still be the one directing the scene.

God is closing out this present world order. And we realize time has fulfilled itself and ran its course. And here we are, right at the prelude of the last earthly battle that will be fought, the Battle of Armageddon. And the winner of it will be apparent when the Lord Jesus Christ comes manifesting the wrath of the Lamb. And that is when He will walk up and down and crush them like crushing grapes. And the Lamb will smite them with the sword of His mouth, which is the spoken Word.

So as all of this has begun to be set into motion, we know our feet is planted solidly on the ground, and we are rejoicing in the Lord. We are not all torn up about certain things that are going on and letting it hinder our rejoicing in the Lord; for we remind ourselves, "This must be! Hallelujah! Israel will have every foot of her land back!" And the thing is, it is God working these things. It is God fighting the battle through the armies of Israel to destroy these nations around and about that come against Israel. **And when this particular battle that we are seeing now is over**, Russia comes to destroy Israel, for God puts hooks in that bear's jaws to fulfill His Word. And they will say, "Let me show you how to fight a battle." Russia has been known for supplying artillery to others who do the fighting, but this time they are going to have to come and do the fighting themselves. And when they do, it will all be the working of God. Just read Ezekiel, Chapters 38 and 39, and you will see how all of this comes into being. God will use the weather and send an overflowing rain and great hailstones, and they will beat those armies of Russia into the earth. We will see these things happen, and all the while we will be rejoicing in the Lord and praising God for His mighty working.

Then after *this*, Israel will sign a covenant with the antichrist, for he will say to them, "Let me be in charge of keeping your peace." And the ten horns, which are ten

nations in Europe, will give the power and control of their armies over to the antichrist who will promise them protection, saying there will not be any more wars. Then soon after this, the antichrist breaks his covenant with Israel and those nations of Europe. And then there will come chaos all over the earth, for here comes the kings of the east with China in the lead, who are joined by the other far eastern nations (all of who were *not* part of that covenant, which the antichrist made with those other nations), and they will fight against the ten horns, and the ten horns will defeat China and the kings of the east. And China and the kings of the east will *all* be defeated in the Valley of Megiddo in that great Battle of Armageddon. Then King Jesus Christ comes back to this earth, and the ten horns will turn and fight against Him. And, of course, He overcomes them, for He is King of kings and Lord of lords. He takes over His Kingdom, and He begins His reign as the King of all the earth with us, His Queen, by His side. And then there will be *real* peace on earth.

Notice, in the middle of the 70th Week of Daniel, the antichrist breaks the covenant that he made with Israel and the other nations, and darkness is poured out upon the seat of the antichrist. But right now we see darkness has been poured out on many of the governments of the world, for they cannot get it together. One day they think they have it all worked out, and then the next day it is all back where they started from. I am not going to comment much on this because that is not our message here; but this is just highlighting certain things. So rejoice, rejoice, ye Wife of the Lamb, for by revelation we see these great things coming to pass! It just sparks a joy in us as we see exactly where we are living. And we thank God that He did not allow us to be in the dark when these things began to come to pass, for it has already been written in our book called *The Interpreted Book of Revelation*, as well as other

books.

So I am rejoicing today. I am praising God today. And I am not downhearted because of what is going on in the natural realm, because it is the God of heaven saying, "Son, let me take care of this for you." He moves on the scene, and when He gets through, as I said earlier, read Ezekiel, Chapters 38 and 39, and you will see what happens. Only one-sixth of the armies that came out of Russia will be able to return back home to tell what happened. Then they will have to glorify God and say, "Something happened to the weather. There were great hailstones falling! It just beat everything we had down to the ground, and we had to run for our lives!"

Well, that is the God of the Old Testament moving. He does things like that. But all the while, the Lord Jesus Christ is working. And the working of God does not hinder, interfere, or conflict with what the Lord Jesus Christ is doing. He has a Wife that He is dealing with now. His Wife has made Herself ready; and we are clothed in fine linen, clean and white. We do not have to wash our robes to get the wrinkles or the spots out, because we are not wearing white robes. We are dressed in fine linen, clean and white, which is the righteousness of the fullness of the faith of Christ.

Notice, we the Wife are clothed in fine linen, clean and white, but there *is* a group that is clothed in white robes; and they serve God day and night. They are servants, and they are praising and glorifying the Lord with palms in their hands. So there will be a people that are dressed in white robes. But the finest garment there is, especially in scripture days, is fine linen, clean and white. And the Bible speaks of just one group wearing that special garment, saying, "The Lamb's Wife hath made Herself ready, and to Her was granted that She should be arrayed in fine linen, clean and white, which is the righteousness of the

saints." It is the righteousness that God has given to us, the Wife of the Lamb, where there is no sin nor anything against us at all. There is no death. And here we are today, clothed in fine linen, clean and white, living in the full righteousness of God, basking in the sunlight of the full glory of God and the Lamb as the tree of life manifested in all our glory.

So everything is working out just right, for we see the two workings ('the Father worketh, and His Son doeth His work, yet there is no conflict') come together. Again, there is a group of people, good moral people, in the natural realm that God will allow to go into the millennium to repopulate the earth. But in this moment of the twinkling of an eye, the Lord Jesus Christ has married a Wife, and we are glorified flesh and bones of His glorified flesh and bones.

So these things that are happening in the world, including the things concerning the land of Israel, is the plan of God, and I am so happy to tell you about it. Why are all these nations getting involved? Why are our ships over there? Why are the carrier strike groups all gathered right in that particular area? Well, the attention of the world has come to a little spot called Israel. All these things that are happening are events leading to Armageddon. And we knew it ahead of time.

So God is working His part; He is not lagging behind. And the Lord Jesus Christ is not lagging behind on His part. God is taking the natural world and getting it ready to go into the millennium. And before this earth goes into the millennium, there will be an earthquake in the Day of the Lord like there has never been since man has been on earth. It will cause this earth to reel and rock like a drunk man. And when it gets through reeling and rocking, it will set up exactly like it was before the flood in the days of Noah, when they measured months at thirty days and

there were three hundred and sixty days in a year. Now we have three hundred sixty-five and one fourth days because the earth is tilted back, and it puts strain on everything, causing the different weather, the storms and so on like that. But in the millennium, all of that will be taken care of. There will be rain, but it will be good showers of rain to water the crops. And the dew in the morning hours will water the ground also. The earth will be green and beautiful. But before the wonderful time of the millennium, there will be an earthquake like has not been since mankind has been on the earth.

When my wife and I were in Uganda, Africa, we saw a great valley that goes through several countries in Africa. It is a huge crack in the earth that is called the Great Riff Valley, which is a testimony of a great earthquake in ancient times that almost separated the continents. See, that no doubt was a huge, tremendous earthquake that took place. But this one that is on the way now, which will come before the world goes into the millennium, will be the greatest earthquake known to man. And during this earthquake, the earth will reel and rock like a drunk man. (Isaiah 24:20) And there will be people here on the earth who will go through this great destruction; and when it is over with, fallen mankind will be wondering what happened. But after this, the earth will be set up straight, which will cause the weather to be perfect as it goes into the millennium!

We are seeing the work of God in the natural realm, while the Lord Jesus Christ continues *His* work. And here we are, His Wife who is perfect, and we are not worried about all the things taking place in the earth today. And after our catching away, the earth will go through a total cleansing, and then the Lord Jesus Christ will bring us back with Him to begin the millennial reign; for after all, we are the Queen of all the earth. And during the time

when He is sitting there on the throne as the King of the earth, we, His Queen will be sitting by His side; just like Adam and Eve back there in the beginning. It has now come full circle. And back in those days, the Bible says in the Book of Genesis that it did not rain, but, rather, there was moisture that came from the earth. There was no storms like we have now. But in the millennium it will continue to rain, but there will be no storms; and it will be so wonderful for all mankind!

We are blessed to know about the glorious things that God is doing, and has done, and will do! Why do we know about them? Because we are part of the Godhead part of God. We know about the prehistoric world. We know there was a time when there was great dinosaurs on the earth, and they weighed many tons; but God had reason to cleanse that kingdom from the earth. And then He started a new phase of the earth. It is so good to know these things! It is so good to know the Lord! It is so good to be contented. It is so good to know that we are part of the Godhead part of God. That is why we know about those things that came before us. That is why we know what is going to be. That is why we know what is now. We know Him that was, and is, and is to come. Hallelujah! God created the earth, and He is not going to destroy it, because He had a reason for creating it.

God ordained certain things to be; and it is just so good to know that *we* know about these things. And the millennium—do we know there will be a millennium? Yes. Do we know there will be a catching away of the Wife of the Lamb? Yes. Do we know there will be a great Battle of Armageddon? Yes, we see events leading to it right now. Everything is working into place, for God is moving everything exactly into place like it should be. Therefore, we are not anxious. We are not frustrated. And most of all, we are not worried about any of those things out there

because we know He doeth all things well, and it is all going to work out according to His will. While He is destroying the old world, there is a new world being created. There are glorified people that will be in the millennium that are going to know exactly what to teach the natural people.

Today I just wanted to bring these things in to freshen our minds. We are part of the Godhead part of God; we are part of that special part of the Word that created the Son. So we the Wife of the Lamb know all these things. Some of the other people may not understand, because they are not part of that special part of the Word that created the Son. But they are part of God in another realm. But we the Christ Wife are not just part of God, but we are part of the Lord Jesus Christ's glorified flesh and bones. And there is only an elect number that way, and that is the members of the Wife of the Lamb.

So here we are today, rejoicing in the Lord and praising God, and we are as happy as can be! 'Happy is the man that puts his trust in the Lord.' And when we see these things and know these things, we cannot help but put our trust in the Lord and praise Him. And we cannot help but say, "Lord, you doeth all things well!" And we cannot help but see what *God* is doing and what the Lord Jesus Christ is doing; and their works do not conflict one with the other. It all works out perfectly to finish up the plan of God.

Heavenly Father, we come praising you and thanking you for the great things you are doing and for the fact that you have revealed them to us and enlightened us. Father, we know the world is in darkness, but you are our light, and we praise you. You made us the light, and you said, "You are the light of the world." Oh, God, we praise you and thank you in the name of our Lord Jesus Christ. Amen.

THE FIFTH SEAL AND THE TWO PARTS OF IT

We want to take a thought today that we have not really dealt with in one single message. This came to my mind because of the present-day happenings in the land of Israel; for it seems to be very fitting for this time. I want to preach on the fifth seal and the two parts of it. And as we read today and speak, we will see more about what the two parts of the fifth seal are and how wonderful it is that God laid all of this in His Word for us. So before reading, let us have a word of prayer.

Father, we come to you once again on this beautiful day. The sun is shining brightly and the temperature is comfortable. You made it so nice for us that we simply say, "Thank you." We praise you, Lord, for all these good things that you are doing. O' Father, we praise you and thank you in the name of our Lord Jesus Christ for the anointing to speak words that will be helpful in this time that we are now living in. Amen.

We are reading today to begin with in the Book of Revelation, Chapter 6, and we will start with Verse 9, which deals with the fifth seal. And the fifth seal deals strictly with Israel. But in today's message we are only dealing with those that are given white robes who are not believers in Jesus Christ, but they believe in the God of the Old Testament, and they serve Him to the best of their knowledge. History tells us there was a great slaughter of the Jews, which took place from 1933 to 1945, where Adolf Hitler of Germany and his henchmen killed some six million Jews. And I am not going to go into a lot of details about it because it is a well-known fact there was a Holocaust, and at least six million Jews were killed just because they were Jews and for no other reason; but many of them honored the Jewish principles, which was the Word of

God that was given in the Old Testament.

See, not all Jews are saved, but those that kept the Word to the best of their knowledge were the ones who were ordained of God for such a time as that. And because they were not believers in Jesus Christ, at the time of their death they were just naked souls. They were blinded to Jesus Christ and who He is; but because they were believers in *God*, they were given white robes. Notice, they were not believers in Jesus Christ; I want to make that clear to begin with. It has always been thought (until the opening of the fifth seal) that it took believing in Jesus Christ to be saved. But these Jews were not believers in Jesus Christ; they were believers in God (the God of the Old Testament). And they went to their deaths believing. They went to their deaths believing the Word as it was given to Moses.

Notice our title, *The Fifth Seal and the Two Parts of It*. This fifth seal is divided into two parts. So it has a first part and a second part, which are in two different time periods. The first part is divided into two parts, which is a natural happening and a spiritual happening. And so is the second part, it is also divided into two parts, which is a natural happening and a spiritual happening. And the natural happening of the second part of the fifth seal, we see coming into being right now. Now I want to read, and I will comment as we go along.

In Revelation 6:9 the Apostle John is on the Isle of Patmos, and he is seeing this in a vision that God gave him, and he is writing it down. It says, "*And when he had opened the fifth seal, I saw under the altar the souls of them that were slain for the word of God, and for the testimony which they held:*" I want you to take note of this fact; they were slain for the Word of God and for the testimony they held. Notice, Jesus Christ is not in the picture here; He has nothing to do with *this* one way or the other, as far as them believ-

ing in Him. Of course, Jesus Christ died on the cross, and He paid for the sins of all God's family, but these Jews were not believers in Him, for they were blinded. And it was all sealed away in God from the beginning; He knew it all.

Notice, John saw under the altar the souls of them that were slain for the Word of God and for the testimony which they held. So now we will begin to see the spiritual part come into view as these souls that were naked are given white robes, which is God's righteousness given unto these souls. Now, I want to place a note in here that the *tribulation saints* shown in Revelation, Chapter 7, "wash their robes and make them white in the blood of the Lamb." They are slain for the name of Jesus Christ. But these souls that John saw under the altar **were not slain for the name of Jesus Christ**, but they were slain for the Word of God and their testimony. They held on to what Moses said, and they still do. And many Jews still do not believe in Jesus Christ, but there are some that do. **And at this particular time, we are not dealing with those that do, but we are dealing with these souls under the altar that were not believers in Jesus Christ.** And I want you to notice, they were slain for the Word of God and for the testimony which they held. They did not have on white robes. They did not have on anything; they were just naked souls under the altar that kept the law here in this life and did all they could do to please God. And they could not see that the Lord Jesus Christ was the Messiah, whom they were looking for, because their eyes were holden to who He was and is. So they died being believers in the Law of Moses. They went down without having any type of righteousness that came from believing in Jesus Christ. So there they were, just souls under the altar. And I want you to notice what happened to those souls that were under the altar as we read. And this is very important because as we go further into this message, I will

tie it in with what is going on today.

In Verse 9, it said 'these souls were slain for the Word of God and the testimony which they held.' Verse 10, *"And they cried with a loud voice (all these souls were crying out), saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?"* See, they were crying for revenge on those that did this to them, "Why are you tarrying, O' Lord? We died for your Word. We died for the law. We died for what Moses said. How come you are delaying your punishment upon them that did this to us? How long shall we wait?" See, they had to wait. Why? For their fellow servants also and their brethren to be killed as they were.

Today we are seeing the same thing has begun to take place; that same evil spirit has come upon the world that was seen during the Holocaust, when the slaying of the Jews took place under Hitler. And now that same Hitler-Nazi-spirit is turned loose again today of hating and persecuting the Jews. And it is very apparent. And now when people should be rallying around the Jews after seeing what was done to them in their own land a few weeks back, how their enemy (Hamas) went in and murdered over twelve hundred of the Jewish people and took over two hundred hostages, we are seeing again most of the world turning against Israel and the Jewish people. And right now Israel is making their enemy (Hamas) pay for what they have done, or getting revenge; but because they are eradicating their enemy, nearly all the world is turning against Israel. So we are seeing that the Book of Zechariah, Chapter 12, has begun to fulfill itself, where all nations turn against Israel. And the Word of God says that all nations that rise against Israel, God will seek to destroy. He will cut them to pieces. So leave Israel alone and let them fight their battle, for God is helping them. Just let them do what God has put in their heart to do.

Now I want to get to what happened to these naked souls under the altar who were crying for revenge. "How long are you going to wait, O' Lord, before you avenge our blood upon these people?" And then Verse 11 says, "*And white robes were given unto every one of them;*" I want you to get that real good—"And white robes *were given* unto every one of them." They did not have white robes, and they certainly did not have fine linen, clean and white, but white robes were given unto these that died for the Law of Moses and for the testimony of God. They lived strictly according to the Word that was given to Moses. So white robes were given unto them. And now they have white robes, and now they know more about what is going on and where they stand. White robes is a form of righteousness, salvational righteousness, and that means eternal life, eternal existence, and it made them more than just naked souls under the altar. They are now saved people with white robes on. Amen! Amen!

Notice, God gave them white robes. But this story continues because it says, "*And white robes were given unto every one of them; and it was said unto them* (Watch what was said. This is important because what was said unto them is now coming to pass.), *that they should rest yet for a little season, until their fellowservants also and their brethren, that should be killed as they were, should be fulfilled.*" Now, 'killed as they were'—what were they killed for? Just because they were Jews. And what makes a Jew? Actually it is the natural seed of Abraham, and they hold right on to what God says, and they will not move. Do not try to move them!

It is often said, "It is hard to convert a Jew." Well, some of them do not need converted. Some of them have their place without being converted as to what we understand as conversion. They are keeping the Word of God, and they are doing what God wants them to do; and they are

going to go right into the millennium as a Jewish people. And God is going to preserve many of them to repopulate the Jewish nation in the millennium after all the destruction takes place in the day of the Lord and the wrath of the Lamb is manifested (Revelation 6:16). For there will be a people, a group that is called the woman with a crown of twelve stars on her head, which represents the twelve tribes of Israel. And we are not going to put a number on those that make up the woman. They are not the 144,000 that are sealed out of the twelve tribes that are shown in Revelation, Chapter 7, for that is talking about the Jewish preachers that follow the Lamb wherever He goes, and they will preach the everlasting gospel in the last three and a half years of the 70th Week of Daniel. But this woman that has twelve stars upon her head, which is seen in Revelation, Chapter 12, is natural Jewish people that God is going to use to repopulate the nation of Israel in the millennium. They will marry, have children, build houses, and live in that great land of peace. Amen.

We see great things that are happening now in the land of Israel as she is taking back all her land that God gave to Abraham and his seed. And because of this, we see that suddenly there has come a hatred for the Jews. I have been seeing on the news what is going on in our universities and how they are demonstrating against Israel, against what Israel is doing, against the Jews. In one case, an administrator of a certain university had to lock some Jewish students in a library because some of the other students wanted to do them harm. Why? Because they are Jews. That is the same spirit that got on Hitler, and it is now spreading around the world.

In Zechariah, Chapter 12, it talks about 'all nations will turn against Israel.' Well, we are seeing that now, exactly one hundred percent, and we are seeing that second part of the fifth seal kick into gear and begin to fulfill itself.

And soon it will be all over with. Soon it will be finished. So that little season of rest for the souls under the altar is coming to an end as their fellowservants also and their brethren are fulfilling the second part of the fifth seal. And neither are *they* disciples of Jesus Christ, but they believe in the God of Moses (who wrote the Old Testament law); and because they hold on to the Law of Moses, they are given white robes—every one of them! They will have white robes and have the glory of God upon them. Yes, they died as Jews not believing in Jesus Christ, but the mercy of God provided them white robes. Now remember, I am speaking specifically of the souls that are under the fifth seal. Please understand, there is *and will be* others that accept Jesus Christ and become Christian Jews, and some even accept the message of the Wife of the Lamb and become a member. But we are speaking in this message about the Jews of the fifth seal (the first part and the second part) who give their lives for the Word of God and their testimony.

Lately I have been mentioning about the message I preached not too long ago called *The Father Worketh, and His Son Doeth His Own Work, Yet There is No Conflict*. See, God's work does not hinder nor interfere with what the Lord Jesus Christ is doing, and the Lord Jesus Christ's work does not interfere with what God is doing. So the Lord Jesus Christ has nothing to do with this war that is now taking place in Israel; *that* is God. You are going to see the hand of God move as you have never seen it before, and He is going to give victory. It is going to be such a great tremendous victory! And it is all coming to pass! So we see the remainder of the fifth seal (that second part) has kicked in and has begun to take place. And for this reason, we praise God that His workings have been revealed to us. And we praise God for His mercy upon the Jewish people, the natural seed of Abraham.

When God got ready to reveal the seven seals, He sent our brother, William Branham, back from Arizona to his church in Jeffersonville, Indiana, to bring the revelation of them to the people. So he preached on the seals, and everyone rejoiced over how they fit together. And during those meetings, a brother named Raymond Jackson had some out-of-town visitors staying at his home who were attending the meetings, and a sister asked him at the supper table one evening, "Do you think there is a possibility for those Jews that were killed by Hitler to be saved? They kept the law and were very dedicated to what they saw in the Word of God as was written in the Old Testament (the Law of Moses)." And Brother Jackson said something on this order, "I do not think so, because it takes believing upon the Lord Jesus Christ to have salvation. 'He that has the Son has life; He that has *not* the Son has *not* life.'" And she said, "Well, it was just on my mind. I just wondered about it." Well, that same night, Brother Branham preached on the fifth seal, which confirmed that what the sister had asked Brother Jackson was indeed the truth. So Brother Branham was the one that opened the revelation of the *first part* of the fifth seal, and he also mentioned that later on there would be other Jews put to death as those were that Hitler put to death, but he stopped off there without giving the revelation of the *second part* of the fifth seal. It was not revealed until God raised up and anointed Brother Jackson to bring more revelation on that second part of the fifth seal as he told us more about the Jews that would be persecuted and put to death in our day just as their brethren were. And he also brought the revelation of the trumpets that sound to Israel during the 70th Week of Daniel. But, again, it was Brother Branham that let us know that those souls under the altar were the Jews that were killed by Hitler and that they were given white robes and were told to rest a little season because there would

be more of their brethren killed for the Word of God and their testimony. And just as those under the first part of the fifth seal were given white robes (eternal life), these Jews under the second part would receive the same. And now here *we* are today, the Wife of the Lamb, and we are saying that the second part of this fifth seal has now begun to fulfill itself as we see all nations coming against Israel and the persecution of the Jews that is taking place all over the world.

Notice, this brings out the fact that there are two parts of the fifth seal. In the first part we see the souls that were crying, "Lord, how long shall we wait for you to avenge our blood on them that dwell on the earth?" And then white robes were given to them. And by God saying, "You must wait, rest a little season, 'until your fellow servants also, and brethren, are killed like you have been killed,'" we can see that there is a second part to this fifth seal. See, others too will be killed just for being a Jew and for being a believer in the Word of God as it was written by Moses. The first part of this fifth seal is history; it was the Holocaust. And we are now seeing with our own eyes the second part coming into being. That same old spirit of hatred for the Jews has begun to rise up again. And I am not talking political here. I have no political ties in any way. I am talking about the Word of God. So do not try to attach anything I say to a political belief, or political movement, or anything else. I am only speaking the Word of God. I want to clear that up so I do not get a letter saying, "Have you gone political?" or something of that nature. No, this has nothing to do with politics whatsoever as far as what God does for the Jews. And what God does is He gives this particular group of Jews that are under the second part of the fifth seal white robes also; for they too are killed because they are Jews. Remember, they are *not* killed for the testimony of *Jesus Christ*; they are killed for the Word

of God and the testimony they hold. And that testimony is of the God of the Old Testament, the God of Abraham. Amen. This does not involve the gospel of Jesus Christ in any way, form, or fashion. It does not involve Christianity in any way. But they too are God's people. And, I tell you, when they see the Lord Jesus Christ coming back in glory with us, His Wife, this group of Jews are going to see and believe, and they will say, "We were wrong. We were blind. But now we can see!"

Those that are under the first part of the fifth seal, which is the group under the altar, they are a different group of Jews than those in the second part of the fifth seal, which are the present-day Jews who are killed as they were; yet these two groups are one in the sense that they die for the same cause and receive white robes for their stand for the Word of God and the testimony which they held. And the God of the Old Testament will deal with their enemies just like He did in the Old Testament. Have you ever seen the Old Testament God move? You just keep your eyes open and look, and you will know — "It is the God of the Old Testament!" Many Jews are being killed, and *will be* killed, in the war that is going on now. Many are strong believers in God. Strong believers in the law. They are keepers of the Sabbath, the circumcision, and the different things; and they cannot be moved from that. But they love God. They do not know a lot about Him, other than He is a Spirit; but they love Him. They are dedicated to Him. And they will die for Him before they will change their belief.

Today Israel is in the process of taking back every foot of land that God gave them. Israel is the only nation in the world where the borders have been drawn out in the Word of God; for God said, "Everywhere the soles of your feet shall tread upon, that will be your land and for your seed forever." And every bit of it is still theirs today.

Other people have invaded it, and God has permitted it. But He is not permitting it any longer, because now all the land will be back in the hands of Abraham (Abraham's natural seed). Glory to God! And I feel so good about that. Amen.

Well, here we are down here at the end time, and we are just so happy, rejoicing in the Lord, praising God, praying for Israel's complete victory, which God is going to give whether we pray or not, but I like to pray a prayer where I know I am praying in the will of God. We can pray, "If it be your will, Lord," and so on. And that is fine. But I tell you, I like to pray when I know it *is* His will. How do I know it is His will? I know what the Word says. And what we are seeing now is the fulfillment of scripture. What is taking place in Israel has now become the *living* Word of God.

I praise God that He has revealed to us about this fifth seal and its two parts. I praise Him for giving those Jews white robes. So He not only revealed to us, the Wife of the Lamb, about those souls in the first part of the fifth seal (that they are no longer just naked souls under the altar, but they are saved people with white robes on), but He has also revealed to us that those under the second part of the fifth seal will receive the same—white robes, which is the righteousness that God gives to them, granting them eternal life.

O' precious Father, in the name of our Lord Jesus Christ, we glorify you with the glory that we had with you before the world was. And we praise you for your Word and what you are doing in these closing hours of this present world. Father, as we see this age coming to an end, it just means that you are starting another age. We praise you, for you doeth all things well! May you take this Word and use it for your glory. Amen.

CHRIST THE WIFE OF THE LAMB'S GOSPEL
OF GLORIFIED FLESH AND BONES
IS SO SURE, THAT WE ARE NOT ASHAMED

We thank God for His blessings, and we thank Him for His Word (both written and spoken) that brought the blessing that is now manifested in glorified human flesh. And here I want to bring in some of our new and pure language that God has given us, the Wife of the Lamb, which is, "Our being the Wife of the Lord Jesus Christ has made us part of the Godhead part of God." And the meaning of this phrase is that all of God is not the Godhead. The 'Godhead part of God' has to do with how God connected Himself with mankind through our Lord Jesus Christ and us, His Wife, who by marriage has become glorified flesh and bones of His glorified flesh and bones. And it is important to remember here that *the Wife* is the only group of saints that have become part of the Godhead, while all others are part of God through the Spirit of God and His predestinated plan for them. The Spirit is everywhere present at the same time and fills all the universe with His presence, and He and all of His angels take care of it. So as we use the phrase 'the Godhead part of God,' the purpose of God becomes very clear that He is dealing with the earth and mankind that dwells upon the earth. That is why the Lord Jesus Christ was made the fullness of the Godhead bodily, and His Wife has become part of the same, glorified flesh and bones of His glorified flesh and bones. And as far as all the other parts of God's predestinated family, He has already built their dwelling places and is waiting for each one of them to come forth in their part of the plan of God.

Today I want to talk about *Christ the Wife of the Lamb's*

Gospel of Glorified Flesh and Bones Is So Sure, That We Are Not Ashamed. We are not ashamed, for we are going forth with complete confidence as we are all hearing and echoing this last trump of God message; for we are living in this time of 1 Corinthians 15:51-52, "Behold, I show you a mystery (a secret), we shall not all sleep, but we shall all be changed. In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed." And we do not have to say, "I wonder if that is really going to happen." No, it has been happening, and *is* happening! And we are not ashamed to declare it. Now let us have a word of prayer.

O' Father, in the name of our Lord Jesus Christ, we thank you for your wonderful Word, your wonderful way, and for the wonderful deeds you are doing in this moment of time. We praise you and thank you, Lord, that you have brought us this far and have given us the ability and the revelation to know what is going on and what you are doing. And, Father, what you are doing in the natural, in the land of Israel in giving their land back, does not interfere with what we, Christ the Wife of the Lamb, are doing. And what we, Christ the Wife of the Lamb, are doing does not interfere with what you are doing, O' God. Both workings are taking place, one in the natural realm, and then one in the spiritual realm, as you have taken the spiritual things and have brought them into the natural realm, in the sense of glorifying a people; and we praise you for it. We love you and thank you for the blessings you have blessed us with and those blessings that you are now blessing us with. Amen.

We praise God that we know by revelation that Christ Jesus came back to earth, as shown in the Book of Revelation, Chapter 10, and in the Book of 1 Thessalonians, Chapter 4, and He brought with Him those spiritual tabernacles (spiritual bodies) that Paul told us about in the Book of 2 Corinthians 5:1, those that had died in the days

when Paul was preaching his espousal message as well as those who died through the church ages. All of those that were to be part of the Wife, Christ Jesus brought them back with Him. And He brought them back to hear this last trump of God message that would give them glorified flesh and bones. So they are here in the earth with us and have taken on glorified flesh and bones, for the Lord has been adding glorified flesh and bones to them while He has been *changing us* into glorified flesh and bones.

In 1 Thessalonians 4:14, God sent these spirits with Christ Jesus down to earth. And they came as spirits (as spiritual tabernacles). They came for a purpose. And they have been here for quite a while. They had to be here for the marriage that took place in Revelation, Chapter 10, when we took the little book and ate it up and went from being a virgin to being the married Wife. See, they have been undercover; no one knew they were here until the Lord gave us the revelation of it. And we are giving witness of it and are rejoicing in it, and we are holding our head up high and are not ashamed to declare it!

The great God of heaven through His Son the Lord Jesus Christ has made it possible for this last trump of God message to be put into written form, and now it is available to all. And we can see that our revelation has been growing day by day and moment by moment, and it has all come together perfectly! So we are not ashamed to say that we are Christ the Wife of the Lamb who is dressed in fine linen, clean and white; and we are not ashamed of the revelations that we have written in the books. We are standing on it and are praising God for it. It is the last trumpet sounding, and it is going to keep producing the things that God has ordained. And as we see certain things winding up in the natural realm with Israel, this too is winding up; for the end is very near, and the rapture is at hand. We can see all the signs, and we are so sure and not ashamed

of our revelation that time and scripture have met, and with joy we are proclaiming it.

We are not ashamed of the messages that have been brought forth; for we now have something to base our belief upon that is solid, and it is exactly with the Word of God. And now that Paul and all the others have been brought back, they are hearing this same message of the last trump of God and are echoing the revelation of it back and forth to one another as they are fellowshipping in the revelation of glorified flesh and bones the same as we are.

Yes, we are rejoicing in what God is doing in the natural realm in Israel, but we are rejoicing even more in our Husband, the Lord Jesus Christ, as we have been created Christ the Wife of the Lamb from His very own glorified flesh and bones and have been given the *feminine part* of His Christ Spirit, which solidified in us, thus giving Her a permanent resting place. And He has given us the revelation of the two parts of that *them*, the masculine and feminine parts of the Christ Spirit, which God showed in the natural realm in Adam and Eve as a type of what would be in His only begotten Son, the Lord Jesus Christ, and us, His Christ Wife. See, Paul did not preach this to the espoused virgin, for he was not given this revelation of marriage; for it was a mystery, a secret, hid in God, which they did not receive at that time. But now he has received it, and he is saying, "Why did I not see that before?" Well, Paul, it was not time. But now he (as well as all the others that are part of the Wife) have received this revelation about the masculine and feminine parts of the Christ Spirit, and they are rejoicing about it!

In the Book of Genesis 1:27 it says, "So God created man in His own image, in the image of God created He him; male and female created He *them*." So there was a feminine part and a masculine part. And that masculine part (Adam) hid that feminine part (Eve) away for a while, but

then one day he began to want to see that feminine part manifested. Likewise, the Lord Jesus Christ wanted to see *this* feminine part manifested, and here we are today. And because of our marriage to Him, we are not carrying a cross, but we are wearing a crown of life! We are crowned with the glory of God. We are right here in the middle of the rapture, as that rapturing Word has grabbed us and we are rejoicing in it! And soon we will all together be caught up and be with our Lord Jesus Christ while the great tribulation is going on here in the earth. We are in the realm of the Wife's gospel of glorified flesh and bones, and whatever is going on in this world does not bother us because our marriage to the Lord Jesus Christ has taken place, and we are Christ the Wife of the Lamb and part of the Godhead, the Queen of the great King of all the earth.

Today we are rejoicing in the Lord, praising Him, and the glory of God is upon us. We are wearing the crown of life. We laid down our cross, and we put on our crown. See, when we look at what is happening in the natural, we see that Israel is carrying a cross, and then denominational Christianity is also carrying a cross, but there is a group here, the Wife of the Lamb, that is no longer carrying a cross, but we are wearing a crown of glory, praising God and giving honor to Him, and we are not ashamed of any of these messages and how it all fits together.

All of these things are working out so good, and the plan is so perfect. And this last trump of God message, which is the creative Word of glorified flesh and bones coming forth, is even greater than the Word Paul preached. Marriage is always greater than espousal. So Paul too is hearing and has received this marriage message. So just as we have preached the espousal message and now the marriage message, Paul once preached the espousal message, but now he is echoing the marriage message. He is echo-

ing this message of glorified flesh and bones, because our marriage has swallowed up the espousal, just as the Spoken Word has swallowed up the written Word, and now it is all one in glorification. So the whole body of Christ the Wife of the Lamb is echoing the Voice of the last trump of God, the message of glorified flesh and bones.

Notice again the title of our message, *Christ the Wife of the Lamb's Gospel of Glorified Flesh and Bones is So Sure, That We Are Not Ashamed*. And this gospel of glorified flesh and bones in the realm of Christ the Wife of the Lamb is taking place now, right before our eyes, and we thank God that He has made us part of it, which was *His* choosing. And we thank Him for choosing us. He always makes a good choice.

Heavenly Father, we thank you for this message, and for the anointing of God, and for helping us to see the two workings that are taking place, with one being in the natural realm in Israel as you have begun to give all their land back, and another working in the glorified realm of Christ the Wife of the Lamb. Thank you for letting us see how you are bringing all of it to a climax here at the end time and getting it all ready to go into the millennium. Amen.

FAITH AND FELLOWSHIP ARE FERTILIZERS TO PRODUCE COURAGE

Today I want to take a thought from the Book of Acts, Chapter 28, Verse 15. And I want to title this message *Faith and Fellowship Are Fertilizers to Produce Courage*. We find here in this chapter that even the Apostle Paul, in all his greatness and with all the revelations that he had, still had to take courage at times. I am sure there were those that might not have thought he was great, because sometimes he would have just a few people to preach to, and he was persecuted and beaten for what he preached. And even one time he was taken outside the city of Jerusalem and left for dead; but the brethren prayed for him, and he rose to his feet and was found preaching again. So he had much trouble to face while preaching his gospel. And the gospel that God gave him was to preach grace without the works of the law; and that gospel called out a group of saints and made them a virgin to any other gospel, and they were espoused by his message to the Lord Jesus Christ. So Paul's gospel created this virgin that would later become part of the Wife of the Lamb, and he was persecuted much for doing so. Eventually, he was arrested in Jerusalem and was taken to prison and wound up in Rome. Paul was also a Roman citizen, so he appealed to Caesar to hear and judge his case. And on his way to Rome, he was shipwrecked, and many things happened to him that caused his courage to get low, but not his faith. See, his faith was still just as strong in the Lord Jesus Christ as it ever was, so of course it would be normal for him to begin to wonder, "Why is all of this happening to me? Lord, you showed me that I was born to be this. And you showed me that when you formed me in my mother's womb that I was to do this. But look where I am at now —

in a shipwreck, tossed from one island to another. And I do not see any believers. Where are the believers?" Yes, he kept his faith, but his courage began to get low after going through much turmoil. God did not show him ahead of time things that were going to happen. But after being in the shipwreck, another ship was provided for them, and they started back on the journey towards Rome. And then they came to a certain island, a certain place where they were going to dock for a while before going on to Rome. And unbeknown to Paul, some brethren had heard that Paul was on a certain ship that was to come that way, so they headed that way, hoping to meet him. And Paul no doubt was feeling forsaken, and he was feeling that he was all alone, so his courage was a bit low. But his faith stayed with him. He still loved the Lord, and the Lord still moved with him, but there were no believers around to share his faith with. So his courage had gotten low. And there is where we get our text for our title, *Faith and Fellowship Are Fertilizers to Produce Courage*.

Let us begin reading in Acts 28:14-15. It says, "*Where we found brethren, and were desired to tarry with them seven days: and so we went toward Rome. And from thence, when the brethren heard of us, they came to meet us as far as Appii forum, and The three taverns: whom when Paul saw, he thanked God, and took courage.*" Notice, he thanked God and took courage when he saw his brethren. See, he got his courage back. So we see that even the great apostle was a bit discouraged because of loneliness on the ship with only the prisoners around him and being out in the sea day after day and week after week. It was just not a good situation to be in, so his courage got low. And even one time, for fourteen days they neither saw sun nor stars as their ship was being tossed on the sea; and they began to throw overboard some of the things that were weighing the ship down, hoping that it would stay afloat. And that is where

our thought for this message begins, where he had lost courage. He probably had begun thinking, "Am I the only one? Does no one care? Lord, I am forsaken out here. I miss the brethren. It seems like I am just by myself." Well basically he *was* alone there on that ship, as far as having any saints to fellowship with. Yes, he found favor with the shipmaster and talked some with the others on board, but there was no believers to fellowship with. But Paul did not know that God had something special for him; for when Paul's ship docked into the port, there were some saints waiting for him! He had brethren that had come from long distances away to be there to greet him and tell him how much they appreciated what he wrote, how they appreciated the ministry that he had and the stand that he had taken for the Word of God. And Paul thanked God when he saw them—"My goodness! Where did all these people come from?" He thanked God and took courage.

I remember when I first began to baptize in the name of the Lord Jesus Christ, which was many years ago (about fifty or sixty years back), that I had announced in a tent meeting that there would be a baptismal service the next day. Well, when we got there the next day, there were people everywhere! Some of them were even up in the trees, hanging out over the water (which was so they could get a real good view). And I asked someone, "Who are all these people? What are all these people doing here? We are supposed to have a baptismal service here. Where did all these people come from?" And they said, "They heard that you were having a baptismal service here, so they came to be in the service with hopes that you would preach to them a little bit." So that gave me some courage—"Hey, I might not be alone in this after all." So that is kind of like Paul, he saw all these brethren coming to meet him, and he knew where some of them came from, which was from long distances. They had heard that he was going to be there, so they made prepara-

tions and came. So God has His ways to encourage His children. And that is the way it is when God is in something.

I am sure there have been times when our courage got low and we felt just like Paul did. Christians that have been serving the Lord for a long time have gone through those certain periods; and God allows it. But now that we have become the Wife of the Lamb and have the fullness of the faith of Christ, *that* has given us a good boost! That has given us a 'leg up' on whatever conditions come our way.

When my wife and I were over in Zimbabwe, we were faced with conditions that were not very good. When we boarded the plane in Malawi going to Zimbabwe, we noticed there was only three other people on the plane besides us. Then when we landed at the airport in Zimbabwe, it was practically empty, except for a few workers, which were very glad to see us. There was a Cholera outbreak, and people were being warned not to travel to Zimbabwe. Also, their currency (money) had collapsed, and it was no good. So everything had to be paid with cash; and at that time, it had to be American money or South African Rand. So we had just come into some bad conditions. There we were, and we thought, "Oh, my, what have we gotten into!" It looked like we were in a place that we did not need to be. But we went forward and had meetings, and some very large crowds came out. The people came to hear the Word of the Lord. And when we saw them coming, we took courage!

We stayed there about a week or so, and had several meetings, and the Lord blessed in all the meetings. We took courage when we saw the people that had come out. They came even though everything seemed to be in chaos; and the Lord blessed us all so much. We had such good times and met many good people. One brother drove all the way from the country of Botswana, which was a very long distance, just to hear me minister. My throat had got-

ten raw from all the preaching that I had done there in Zimbabwe, as well as in Malawi, so the brethren drove me around, looking for throat lozenges. We had a hard time finding them, as well as fuel for the vehicle, in which there was a shortage at that time; but the way things worked out, we had a wonderful time even though we were in conditions that were very bad. And when we left, we left with the joy of the Lord and knowing that He was in it.

See, we went there in faith. But our courage got a little low when we saw the conditions we were in. In some of the places we go, we have to go in faith! And that faith has to be anointed by the Spirit of God. And *now* it takes the fullness of the faith of Christ, which was given to us, the Wife of the Lamb, when we were married to our Lord Jesus Christ. And that keeps us going in the times when maybe our courage gets a little low because of daily difficulties that we might face.

Here in Acts 28:15, we see it did something for Paul when he saw all the brethren coming all those many miles, hoping to just get a glimpse of him, or just get to talk with him, or have prayer, or maybe hear him speak. So what happened there was worthy to put in the Bible. When Paul saw that they came all those distances, he thanked God, and he took courage! And that courage that he took, took him all the way to Rome! And then he began to preach daily in his own hired house. Instead of putting him in a regular prison, they just assigned soldiers to him and let him rent a house. And he was free to speak to everyone that came. The Lord made a way where there seemed to be no way! Oh, yes, the days were over with as far as Paul having the big meetings; we do not read any more about that, but he had a work to do, and he finished it, and he finished it with courage. And that high calling of the Wife of the Lamb that he was pressing for, he has received it by the sounding of this last trump of God.

Notice our title again, *Faith and Fellowship Are Fertilizers to Produce Courage*. Paul had the faith, but it took that fellowship. Do you see what that fellowship did? When he saw them, he thanked God and took courage! It did not say his *faith* was renewed, but it said that he took courage. He saw that his preaching had an effect in all those places he had been, and now it was showing forth! He probably left those places many times not knowing what happened after he had preached and left town, not knowing if some were converted and so on, because he may not have heard back from all of them. But it showed here that the gospel that he preached *had indeed* took effect, that they fellowshiped, and they wanted to know more about the Word. And when they came and Paul saw them, he thanked God and took courage!

So today we can thank God and take courage when we see what is going on. When we see what is going on in Israel, we can thank God and take courage because there is certain Word shown in the Book of Zechariah, Chapter 12, being fulfilled right to the letter. And we see it is taking place! And it would look like a time to get discouraged, or say, "This is not happening right," or "That is not happening right." But we are the Wife of the Lamb and we are enlightened. We have the Spirit of revelation and the fullness of the faith of Christ, and our courage just keeps growing and growing regardless of what is going on out there in the world, because our faith and fellowship are the fertilizers that keep our courage up. And if you are a shouting person, you might begin to shout because of the things that God is doing, not only in Israel, but what is happening with the Wife of the Lamb, for the last trumpet message has already been brought to us, and we are hearing it; and not only that, but those saints of the church ages have already come and joined us in this final jubilee!

We see where the departed saints *were*, and now we see

where they *are*. Paul told us where they *were*, for he said in the Book of 2 Corinthians 5:1, "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens." Their bodies went to the grave, but their souls went into a spiritual house or tabernacle (a spiritual body), and they were in waiting. So they were in a special place in the heavenly realm beyond the earth's atmosphere. It was not on earth. But now we know where they *are*, for they came back to earth as shown in the Book of 1 Thessalonians 4:14; they came with Christ Jesus when He came to earth, for He brought them with Him, and they came to hear this message of the last trump of God. So what Paul wrote in 1 Thessalonians 4:14 has come into fulfillment in our time, in Revelation, Chapter 10. Those saints came back to hear this message of glorified flesh and bones. They came to hear, and they are rejoicing over what they are hearing. They are hearing the same Word that we are hearing, and they have been taking on glorified flesh and bones as members of the Wife of the Lamb; and in this glorified flesh and bone realm, we are having fellowship with them and are all echoing this message of glorified flesh and bones!

Notice, we are no longer just members of the spiritual body of Christ, but now we are the Wife of the Lamb, which is the body of Christ in glorified flesh and bones. We are *not* a virgin anymore. We are *not* just the spiritual body of Christ; for we have progressed from being a virgin, the spiritual body of Christ, to being the Wife, which is the body of Christ in glorified flesh and bones. And we are going forth with courage. And we have absolute courage and revelational faith that all these things have taken place. And soon we will be seeing these saints in their physical glorified bodies as God ordains to bring them forth in a visible form. They are here, and they have

been taking on glorified flesh and bones as part of the Wife of the Lamb just as our bodies are being changed into glorified flesh and bones. So because we have been taking on glorified flesh and bones, our having to take courage is less, and less, and less because this reality is more, and more, and more!

So we are thanking God today, and we are praising Him, and our courage is strong because the Lord Jesus Christ's courage is strong. And we know that now, as members of the Wife of the Lamb, we are furnishing a physical body of glorified flesh and bones to the feminine part of the Christ Spirit that was taken out of the Lord Jesus Christ; for it came into us and solidified, thus manifesting us—the glorified Wife of the Lamb in the earth today.

Notice, the feminine part of the Christ Spirit that has become the Wife of the Lamb has existed all the way through time, but now She has taken on a physical body of glorified flesh and bones in us. And we are so happy to furnish Her with a glorified body. See, when the Lord Jesus Christ was resurrected, He had glorified flesh and bones, and now because of our marriage to Him, we are joined to Him as His Wife, His Queen, which has given us glorified flesh and bones and the feminine part of His Christ Spirit. And all the members of the Wife of the Lamb are rejoicing together, and that is the Jubilee, glory to God, and, oh, what a wonderful time!

We are rejoicing in the Lord today, and we are thanking God for this new and pure language that He has given to us, the Wife of His Son, which are these revelations that have been hid in God since before the foundation of the world, and they are so numerous. If we start a subject, we never get through with it; it just blooms, and it begins to grow, and it gets so big! And it brings that joy to our hearts. So if we need to take courage, thank God today we have the books that we can read and the messages we

can listen to. And when we begin to hear a message, soon we will be rejoicing in the Lord, praising God, and even dancing in the Spirit! So God has given us what we need to keep our courage strong.

God knew what Paul needed, and He gave him exactly what he needed. All those brethren came, and he tells how far they traveled just to see and hear him preach a little bit. They knew he was a messenger sent from God whom God had raised up to take the message to the Gentile world and to the Jewish world, because he was the one that took them from the Jewish religion to the message that God had given him to espouse a virgin, which began with the Gentiles. And the Jews that were among the Gentiles that were ordained to be part of the espoused virgin, it fit them just exactly right. So the group that he had espoused by his gospel was both Jew and Gentile.

So these are the things that God began to do, and now He is finishing up what He began to do. The marriage has taken place. First, He brought all those saints back, those that died through the church ages and so on who are part of the Wife. Yes, there is Christianity spread all over the world that is *not* the Wife; but we the Wife are the Queen and are part of the Godhead. We are the feminine part of the Godhead, as the Lord Jesus Christ is the masculine part of the Godhead, for flesh and bones was added to the Godhead through the Lord Jesus Christ and His Christ Wife. And the Godhead is expressing itself right here today. So we are holding our head up high, knowing that we are the Queen, and knowing that we are part of the Godhead part of God.

Notice, God is a Spirit, but flesh and bones was added to the Godhead part of God, first through the Lord Jesus Christ, for God's Christ (which was Spirit, and that Spirit contained both masculine and feminine) came into Him, manifesting the fullness of the Godhead bodily. And then

His flesh and bones became *glorified* flesh and bones after His crucifixion and resurrection. And then in Revelation, Chapter 10, the feminine part of the Christ Spirit that had been in Him all through time was taken out of the glorified man, the Lord Jesus Christ, and was sent to us in the form of a little book and put into us, thus creating us Christ the Wife of the Lamb, making another member of the Godhead. And sometimes the devil might try to cause some to think, "Well, maybe I am not that. I am not good enough." God did not say we would be good enough, but it was by His choosing, it is what He ordained before the foundation of the world. And here we stand today the precious Wife of the Lamb.

Now notice, Paul had faith, but the fellowship that he once had was missing. Many times when Paul was talking about having fellowship, he did not mention the sisters, but just said *brethren*. But Paul was not leaving the sisters out; that was just his manner of speech. But then when he began to talk about certain ones in the Book of Romans, Chapter 16, he told about Priscilla and Aquila, a man and wife, and other brothers and sisters too, but in most of his writings he just says *brethren*. And we who know the Word of God, and know the mind of God and the plan of God, know that when Paul said *brethren*, he was including all the people of God, both brothers and sisters.

Notice, when Paul said 'Brethren, take courage,' it meant for both the brothers and sisters to take courage. That was his manner of speaking. And we know it was the language for that day. I know that when Raymond Jackson preached, he would always say 'brothers and sisters.' But I am saying 'the Wife'—because now we (and that 'we' includes Paul as well as Raymond Jackson) have a new language for this day because of marriage. God has given us, Christ the Wife of the Lamb, a new and pure language. And it does not matter if we are male or female, we are a

member of the glorified body of Christ the Wife of the Lamb, who is a group of people that are dressed in fine linen, clean and white. And now our language includes 'the fullness of the faith of Christ,' which is the perfect faith of the Wife of the Lamb that came by our marriage to the Lord Jesus Christ. And being part of the Godhead we have courage, knowing that we have special access to our Father and to our Husband the Lord Jesus Christ.

In our being Christ the Wife of the Lamb, that goes beyond what other Christians have knowledge of. And the only way to break through to this glorified realm of the Wife of the Lamb, who is the Word of glorified flesh and bones, is by revelation from the Lord Jesus Christ. And when we receive that revelation, these books that contain this new and pure language that God gave us makes so much sense. You will say something like 'Where was I when that was preached! Look at this!' And we can shout and rejoice over it, and it will be as though we are just now hearing it for the first time. We are rejoicing, and we have courage in the fullness of the faith of Christ, and we are ready to go anywhere at any time the Spirit bids us.

Notice, Paul's journey was long, but it was very fruitful. And in reading about Paul, we can see the human side of him as well as the spiritual side. He did not talk too much about the fact that his body was going to be glorified, but he did speak a prophecy that we which are alive and remain until the coming of the Lord would be changed. And that coming was His Spiritual coming, which took place in Revelation, Chapter 10. And now Paul is here, because he is part of the Wife of the Lamb. Irenaeus is here. John Wesley is here. Martin Luther is here. William Branham is here. Raymond Jackson is here, and all the others are here; and we are all rejoicing, we are praising God for it, and we all make up the Wife of the Lamb. And every member is dressed in fine linen, clean and white, which is

the righteousness of the fullness of the faith of Christ that God gave to the Wife saints when we were married to His Son, the Lord Jesus Christ.

Well, there are other saints of God that are spread out all over the world, and they are dressed in white robes. Yes, they are born again, but they were just not ordained to receive this revelation of the Wife of the Lamb. But I tell you, those that are ordained to see this *will* see it. We cannot make someone be something they are not. So what I am saying is that we are the glorified Wife of the Lamb in human flesh, and we cannot help but be this because that is what we were ordained to be and born to be. There is no other gospel for us but this last trump of God, which is the Wife's ministry of glorified flesh and bones. There is no other gospel that thrills us, gives us joy, and causes us to feel like we are 16 foot tall. There is no other gospel that gives us a rapturing mentality, and tells us that we are no longer carrying a cross, but we are wearing the crown of life; for this last trump of God message is the only message that brought this revelation to us, and we received it. And after we received it, it solidified in us. We are rejoicing. We are praising God. And we are happy! We are part of Him as His Wife, Word of His Word, glorified flesh and bones of His glorified flesh and bones, Spirit of His Spirit—the same spiritual bloodline! Hallelujah!

The prophecy that Paul laid in the Word in Ephesians 5:30-32, which was the mystery of marriage, has come to life in a people in this moment of time as the action of the twinkling of an eye is taking place in us. Yes, God made it a mystery; He hid it in Himself before the foundation of the world. Now if something is hid in God, we do not get it until God reveals it. And when He reveals it to us, nothing can make us doubt, for our faith will hold, for we have the fullness of the faith of Christ. We are married to the Lord Jesus Christ. We are 'members of His body, of His

flesh and of His bones,' which means glorified bones of His *glorified* bones and glorified flesh of His *glorified* flesh. And we are joined to Him as His Wife, walking with Him, praising Him, and I will tell you what, the future looks good for us, the Wife of the Lamb! And we know there is nothing that can stop us or trip us up to the extent that it would hinder, because we the Christ Wife have a job to do, and He has provided everything we need.

Notice, the Bible says that He will meet our needs; and not only does He meet our needs, but many times He gives us our wants. But now that we are married and have His mind, which is the mind of Christ in marriage, our wants and His wants are the same. Our needs and His needs are the same. It is not that we have a want or a need and *He* has a different one. No, because we are one with Him, being part of the Godhead part of God. And we are rejoicing in the Lord, praising Him, and nothing can take away this joy. We love Him with all our hearts. And we thank Him because He has done so much for us. He is so wonderful. Wonderful, wonderful, wonderful is He! And we could say how wonderful He is all day long, and we would just barely scratch the surface of how wonderful He is. He has so many wonderful ways; and sometimes we do not know it is a wonderful way right then, until later on when we look back and we say, "He was working His wonders in us all the time." I love this wonderful way; I appreciate it.

I had a man come by a few days ago, and he asked, "When did you know you wanted to be a preacher, Ben?" And I said, "I do not really know. When I was just a little fellow, I told my father that I felt like I was called to preach." I did not even know how to spell my name; and I did not know for sure what my name was, because we were often called by nicknames. And my father said, "Well, if you are called to preach, go get you a necktie, and get some preaching license, and head out doing it!" So I

can look back and see that the thoughts were already in me; but there was a lot of immaturity there, so much immaturity that it is almost laughable. But it shows a thought—"If we are His, we were His before the foundation of the world." And *we* were ordained to be this, the Wife of the Lamb, and we were ordained to take courage. That is why this message is coming forth. These messages are not just pulled out of thin air or something. Go back to the messages from five or six months ago, and you will see how there is a link. And when I preach, I do not know how it is going to link up, I just preach how I feel led. And then later on I look back and say, "Hey, look how the message I preached back there fits with what the Lord has given today!" I love Him today, and I appreciate Him.

So here in Acts 28:15, "Paul thanked God and took courage!" And he rejoiced in the Lord! He thanked God for what happened. Do you thank God when He does something good for you? We need to thank Him every day. One time they asked General Stonewall Jackson, "How can you just keep on going when the odds are against you?" He just kicked in the sand where he was standing and said, "I never take a drink of water unless I thank God for it first." God honors that. And today He is honoring the precious Wife of the Lamb as we are all going forth in the ministry of glorified flesh and bones and are echoing the Voice of the last trump of God with courage in the fullness of the faith of Christ.

O' Father, we come to you, praising you and thanking you for all these good things that you have done for us and for every battle that you have helped us win, where we were just the instrument and you were the one that did the winning. Father, I praise you for it. And, Lord God, I pray that you will do the same for Israel, just let the soldiers be instruments in your hands to get the job done; and I know that you will. We praise you and thank you in the name of our Lord Jesus Christ. Amen.

OUR VISION, AND VISIONS

Today I want to talk about *Our Vision, and Visions*. There are a couple of places in the scripture that I will refer to. One of them is Acts 26:18-19, where Paul talks about the fact that he was not disobedient to the heavenly vision that he had within his heart (which came because of a literal vision where the Lord came to him and told him what He had called him to do). So what he was doing was because of a vision in his heart. It was not that he had a certain vision of a certain event that was to happen then, but he had a vision of the purpose of his life and his ministry. And the other scripture is Proverbs 29:18, which says, "Where there is no vision, the people perish." This does not mean having an experience of seeing an event ahead of time that is to happen, but it is revelation of what God is presently doing, the work of the Lord; and Paul's vision was that he was to take the gospel to the Gentiles and the children of Israel. And as he began to preach that way, he suffered a lot of opposition from those that did not believe that the *Gentiles* could have the Word of God and be saved, for many of the Jews at that time believed that salvation was only for the Jews. But the vision that Paul had in his heart was a creative Word that produced a new group, a new creation, from both Jews and Gentiles. But today we want to talk about *our* vision—the work of the Lord for *our* day.

Notice again our title, "Our Vision, and Visions." When a vision is put into our heart that relates to what we are to do in the Kingdom of the Lord Jesus Christ, it does not change, for it is a vision that is in us; it is in our life; it is what we do. But when we have *visions*, that shows an event of something that is going to happen. *That* would be seeing something ahead of time that was going to happen, and when it came to pass, then the vision would be

over. Yes, we do have that type of visions too. But the *vision* that I want to emphasize in this message is the vision of the work of the Lord for *this* day, which has been taking place (and is taking place), which is the work of the Lord in *my* life. And that vision is with me always.

Notice, Paul's vision was to take the gospel that God gave him out to the Gentiles as well as the Jews. And he pursued this vision of letting the people know what was the will of God according to the gospel that God had given him; because, first of all, we must understand that he had a gospel message that was unlike what Peter, James, or John had, for it was a gospel that was different in that it did not include keeping any of the ordinances of the law. And Paul had a vision that the same God that saved the Jews would save the Gentiles also. And in his vision, he let it be known that in the Kingdom of the Lord Jesus Christ, in the part of the Word that he was to deliver, which was the message of espousal, that there was neither Jew nor Gentile 'once they came into his gospel.' So he did not go to only preach to the Gentiles, neither did he go to only preach to the Jews, but he preached the gospel to both, and God did the drawing; for God drew from the Jews and the Gentiles those that would share the vision that Paul had, and they would become the espoused virgin to the Lord Jesus Christ.

When Paul was in prison, he received revelation and wrote to the churches. And later, the people got those letters together that Paul had written to the different churches, and they published them, for they were sharing in the vision; and those letters basically became the bulk of the New Testament and are recorded after the four gospels, which recorded the life of the Lord Jesus Christ. And there is the Book of Revelation that was written some thirty years after Paul was called home; for after Paul went off the scene, we see that *John* was exiled to the Isle of Pat-

mos for proclaiming the Word of God and the testimony of Jesus Christ. And although he, no doubt, did not live in the best circumstances there, God dealt with him through many visions of certain things that would happen, and he wrote them down. And we see many of those visions coming to pass now. But *Paul* had A VISION (not visions); it was a vision that put purpose in his life. It was to get the gospel out, to share the gospel that God had given him, and God gave him enough education that he could share it through writing; and it became the written Word. In the days when Paul preached his espousal message, we want to realize too that there was no internet, and there was no CD's, nor the different means of sending an audio message out. But the only means they had to get the gospel out in that day, which is still good in this day, was writing it on paper, making the paper talk.

I remember many years ago when *this* apostolic ministry started, I began to write things down that the Lord had given me and put them into small booklets; for my vision was to share what God was giving me with the rest of the body. Although it was small, and many things had to be adjusted as we went along, there was a great desire, a vision, to get the Word out in written form in order to share it. So that is what we are seeing come to pass now; and, for the most part, the vision has been fulfilled of getting the written Word out. And now we have many books that we can go back to, read, and get the message for this period of time that we are now living in.

See, Paul had a gospel message in that day and hour that called out a people from both the Jews and Gentiles to be espoused to the Lord Jesus Christ, creating the virgin, which has now become the Wife of the Lamb by the gospel message of this last trump of God that I am preaching. And *our* vision is preaching this creative Word that has put glorified flesh and bones on the Wife of the

Lamb—and not only on us that are alive and have remained, but also on those that Christ Jesus brought with Him when He came in the Spirit, shown in Revelation, Chapter 10 (and more details on those spirits are shown in 1 Thessalonians 4:14). God sent those spirits (spiritual bodies, spiritual tabernacles) with Christ Jesus when He came to earth. It was those that were to be part of the Wife of the Lamb, and they had to be here to hear and share in this vision of the creative Word of glorified flesh and bones, the last trump of God, a message that clothed us in fine linen, clean and white, which is the righteousness of the fullness of the faith of Christ. There is a vision that includes us all, and all of us are speaking the same thing; and when I say *all*, that means each one that is part of the Wife. We are one, and we all share in the vision.

Here, I want to say that in my life personally, there was the vision of writing these revelations on paper so that I could share them with all those that would hear. And that vision began to manifest itself a little at a time through the years. And later on, as we came on down the road with this gospel, fulfilling the vision as I wrote and preached, God added to the body those He chose and anointed to help with the books, which is my wife, Barbarajean, and Leah Farruggia from West Virginia. They go over these books and help with the wording and check scriptures, so that there are no mistakes. This vision has been going for many years, and now the vision has come to perfection. When one reads the books, they can see how they are worded and how they are laid out; and it is all done by the anointing of the Lord in the fullness of the faith of Christ. It is the vision of our life, and it propels us to go on and finish the work that God has given us to do. And that is what is taking place today. We are not like a ship that is tossed without an anchor, blowing around with the wind. No, we are not being blown with the wind! We are anchored in the Lord Jesus Christ by marriage, as we are

His Wife, part of His glorified flesh and bones. And this gospel message, the last trump of God, which is the creative Word of glorified flesh and bones, is going forth in perfection. So our vision has brought forth our glorified flesh and bones. And we are now possessing a rapturing mentality (as the rapture is part of our vision). But before there is a rapture, we are being *translated* from just natural human flesh to human glorified flesh and bones, for we have been taking on this Word of glorified flesh and bones, which is part of the vision. And those spirits that God sent back with Christ Jesus (the spirits of those virgin saints that went to the grave through the church ages, who are now part of the Wife) are hearing the same trumpet sounding, and they too have taken on glorified flesh and bones.

So the vision of 'the message of glorified flesh and bones going forth' has been fulfilled. And it is the message of the Wife of the Lamb. And this message of the Wife is the message of the Queen. And the message of the Queen is not necessarily the message of the King. Yes, the King and Queen are one, but there are times when the King, the Lord Jesus Christ, is doing another work while the message of the Queen just keeps going forth. For instance, at the end time when the Lord Jesus fights in the Battle of Armageddon, He is the one that does the fighting there in the Valley of Megiddo, where millions will be slaughtered, and He will tread the winepress of the wrath of God; for in Revelation 6:16, the Lord Jesus Christ is manifesting the 'wrath of the Lamb.' And at that point in time, we the Wife are not seen at all, for we will be wherever the Lord Jesus ordains us to be during that time, still dressed in fine linen, clean and white, pleasing the King in what He has given us to do at that time. So there is a vision within the Wife of the Lamb, and the vision is the

echoing of this last trump of God message and giving witness of this Word of glorified flesh and bones in its full power in the joy of the Lord.

When we look up the road just ahead of us, we find there is to be the 70th Week of Daniel, which is soon to begin; and what we now see taking place in the Middle East is leading right into it. And what we now see taking place there in Israel is that Israel is in the process of taking back all her land as prophesied in the Book of Zechariah, Chapter 12. And as Israel is taking back her land, the Wife of the Lamb has already come to fullness; we are one in our vision, and we know why we are here, and we know there are people that share in the vision. And in the writing of this creative Word of glorified flesh and bones, it is as Paul wrote for the espousal purposes in his day, for this is written of and to the Wife of the Lamb *after* marriage, as we have been taking on glorified flesh and bones. It is the message of and to the Wife of the Lamb, and one only becomes *Wife* after marriage. So the marriage has taken place, and the Wife is going forth with Her gospel, which is the vision in our heart.

My wife will tell me sometimes, "I think I am going to take two or three days off from working on the books." And I say, "That is good, you deserve some time off. You are really pushing hard on these things." But then the next morning, I find her in her office, back to work again. It is just in her heart, and she cannot help it. She has become so much a part of the vision of this end time work of getting this Word out, not just to be a testimony to someone, but for the edifying of the other members of the Wife of the Lamb. And since the marriage has taken place, we have come through Ephesians 4:13-16, for we passed the *till* of Ephesians 4:13 and came into this moment of time where the action of the twinkling of an eye is taking place. And now we have arrived at the end of the twin-

bling time. So we the Wife have the Word, and *are* the Word, of glorified flesh and bones, as we have met our goal of reaching the fullness of the stature of our Husband, the Lord Jesus Christ; and our marriage is more than just terminology, as is shown in our latest printed book called *Christ the Wife of the Lamb is Echoing the Voice of the Last Trump of God in This Time of the Twinkling of An Eye*. So the Voice of the last trump of God has brought us into glorification here in this end time.

So we the Wife of the Lamb are dressed in fine linen, clean and white, which came by this gospel of the last trump of God. And our garment of fine linen, clean and white, cannot be soiled, for it is the righteousness of the fullness of the faith of Christ that we received when we were married to our Lord Jesus Christ. And we are one with the vision that God put in our hearts.

Just like in the days when Paul preached his espousal gospel, God had put a vision in his heart, and the people that heard his message were following the same vision, knowing that they were the virgin, that they were espoused to the Lord Jesus Christ to become the Wife of the Lamb. Paul said in 2 Corinthians, Chapter 11, "That I may present you to one Husband." But the presenting did not take place in Paul's day, and it did not take place in the church ages, but it is only taking place now; because in the Book of 1 Corinthians 15:51-52, Paul said, "Behold, I show you a mystery, we shall not all sleep, but we shall all be changed, in a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed." And that *moment* is a time period. He was prophesying and foreseeing this very time when there would be a marriage. We pick this same thought up in Ephesians 5:30-32, for here Paul talked about becoming bone of the Lord Jesus Christ's bones and flesh of His flesh, which was a great

mystery. It has always been a great mystery. But to those of the Wife of the Lamb it has become as clear as crystal.

Our beloved Paul said, "I once looked through a glass darkly." But showing that God gave him a foresight of what would be here in the end time, he said, "I now see clearly as face to face." And that is what God has made this; He has made it clear as crystal. We can see the virgin part of it, and it is so clear. We can see the Wife part of it, and it is so clear. We are hearing the last trump of God that is sounding forth, and there is a vision that is causing this trumpet to sound forth. And that vision is not just someone that went to sleep and had a dream about it, or someone had a vision about a trumpet sounding. No, it is a gospel message, the creative Word of glorified flesh and bones that was hid in God before the foundation of the world. And this revelation of glorified flesh and bones that was hid in God has created a vision within a people that just will not stop. We *cannot* stop! The only time we can stop is when the vision stops. And the vision does not stop until we are raptured away.

Notice, these are the things that are going on right now as we are coming into our full translation. And then, after the full translation of our mortal bodies into glorified flesh and bones, along with the saints (spirits) that have *taken on* glorified flesh and bones, the next thing in order is the rapture, the catching away of the Wife of the Lamb, as the tribulation falls upon this earth. And we can see by the way the worldly conditions are getting today how all these things are coming into focus. The end time prophecies are coming to pass, and we see that the time that is left for this present world condition is very little. And we are a people that live by our vision; and we have a vision that is clear as crystal. That is why we are not *up* one day and *down* another. We do not start a work and go for six weeks, and then start a different work. We do not say, "I

made a mistake," and start somewhere else. We do not randomly go from place to place and from pillar to post. No, we have a vision, and we are one with our vision; we know what we believe, and we know why we believe it. We know by what God has sent, which is the sounding of the last trumpet of God message. And what God has sent, we know that He sent it for us, the Wife of the Lamb.

So we are living in the vision; we are fulfilling it; it is coming to pass within us. And now we can go back and read the books, and it blesses us and lifts our spirits up, and it gives us a revival within. And *that* is something that many years ago I could not do; for I could not read, and I could not spell words, and I could not write. But there was a vision of getting this gospel out. So you can imagine how much of a rocky road it was getting to where we are at now. But now we can pick up one of our books and read it, and everything just flows together; and we have to say, "My, my, my, isn't this wonderful! Our Lord doeth all things well." These are the things that we have been doing in life; it is what our life is about; it is about the vision.

Again, I want to separate this from having *visions*. Yes, God's children do have visions from time to time, or dreams about a certain event that is happening or is going to happen in order to show them something or just to encourage them. But that is not the *vision* that I am talking about here. That is not the *vision* that Paul spoke about in Acts 26:19 when he was testifying to King Agrippa. Paul testified to him about his life, and King Agrippa was interested in what he was telling him, for he said, "Paul, you almost persuade me to be a Christian." Paul said, "I not only wish *you* would turn to God, but that all men would turn to God." So when someone would sincerely listen to the message that Paul was proclaiming, it was so persuasive to the natural man that they would say, "That sounds

good!" But then the other interests in life would take over, and soon it would be forgotten. But those that were part of his vision and one with his gospel became the virgin that he espoused to the Lord Jesus Christ.

But notice, 'the espousal vision' is not the vision I am talking about here. We are walking and living in a vision for the Wife of the Lamb, and it is so wonderful. That is why when we pick up these later books and read them, we know that this is not something that someone just decided to write. No, there is an anointing behind it. There is a lifetime behind it. The *vision* is behind it. This vision has been here all along, and here we are today, and we are rejoicing in it, saying, "Lord, you have been so good to us, and you *are* so good to us, and we appreciate it. You have given us inspiration to keep sounding the trumpet no matter what comes our way; for this vision was put into us from the foundation of the world."

See, the Wife of the Lamb knows that the vision that we are living in is not something that just sprang up overnight like a mushroom, or like a morning glory that comes and is very bright, but when the hot sun comes it withers away. No, it is something that came through trials, the hard times, and the good times, and it kept right on going. There is one thing here that I especially want to stop and give God the glory for, and that is *this*: He made a way for all the things we have done, and all the places we have been, and everything that has happened; He has always supplied the need. Many times we will start a book, and there is not anything in the treasury at that time to start with, but by faith we get the book ready, and then we take it to the printer. We have been doing it this way for many years, and not one time has it ever failed that we could not pay the bill in full when we picked up the books. We have never asked anyone for anything. But God has always made a way; for there are people that when they

read the books they get so excited because they see that it is real, and they just want to be a part of it, and they get inspired to give for the glory of the Lord in appreciation for this written Word. That is the way this message has been going forth all the way through.

I remember when I wrote one of the earlier books called *An Old Testament Type Prophet Comes to a New Testament Age*, and that is one of the books that if you read it now, you will realize that it was written before I got the help that I have now. But the thing is, that message was what was needed at that time, and the Lord made sure it was understandable; because it was a message that was very important at that time. For there was a statement that William Branham was making, which was, "The Word does not come to anybody but a prophet," and when he went off the scene, people began to say that. Well, when you read that book that I wrote back in 1970, you will find out the statement that Brother Branham was making was referring to what happened in the Old Testament, for there is where the Word only came to the prophet. But in the New Testament, we see that Paul was *not* a prophet, he was an apostle, and the Word came to *him*; and he had a vision, and he said, "I was not disobedient to the heavenly vision." And that vision led him right to the fact that he espoused a virgin to the Lord Jesus Christ, and it worked out so wonderfully! At first, he did not know about the virgin that his ministry would produce, but as time went by, God revealed more and more to him. It was a stream of revelation that started in that main salvational river of life. But at the sounding of this last trump of God, after the church ages were over, there came forth a breakaway river of life, a pure river as clear as crystal. And we the Wife of the Lamb are that river that is pure and clear as crystal, which is flowing from the throne of God.

Notice, that is what the vision is all about. And I did not

know there were two rivers, the main salvational river of life and the breakaway river of life, until God gave me a dream. In the dream, I saw a main river, which was the main salvational river of life for whosoever will, where all life comes from, saved or lost. But then I saw another river, a breakaway river, that broke away from that main salvational river; and that breakaway river did not take any water away from that main river, but that main river just flowed on by. And that breakaway river, which is the feminine part of the Christ Spirit, came into us, who was the virgin that was prepared to receive those feminine attributes, and we were married to the Lord Jesus Christ, making us the Wife of the Lamb. And now the Wife of the Lamb is that breakaway river of life, as the feminine part of the Christ Spirit flows right through us, while that main salvational river flows right on as God has ordained.

Today we see some of the people that are in that main salvational river of life, and they have somewhat of a conscious towards God, but they are not willing to turn loose of the worldly religious system, for they have one foot in the world and one trying to please the Lord. But in the great tribulation, when the beast begins to put to death those that claim the name of the Lord, those who really love Him will be put to death for their stand for the Word of God, and for their testimony of Jesus Christ. And there will be at that time 144,000 Jewish preachers that will come forth and preach a message, and they will have a vision; for they know what they are to do, and they know what they are to preach, which is "Fear God, give glory to Him, for His judgement has come." (Revelation, Chapters 14-18) In Chapter 18, the earth is lightened with the glory of the Lord for three and a half years, and the message of the 144,000 will go forth to give people courage, and there will be many that will wash their robes and make them white in the blood of the Lamb. And the Bible says, "They

love not their lives unto death." That is their calling; that is their destiny. In this moment of the twinkling of an eye, some of them think *this* message is too fanatical for them. It is just too much for them to think that God is glorifying us; changing us into glorification without dying. But Paul prophesied that we would be changed in a moment in the twinkling of an eye, and then we would be caught up with those that Christ Jesus brought back with Him, those that took on glorified flesh and bones too. So our glorification is now taking place, prior to the catching away.

Notice, God put a vision in our heart. And when I say, "God gave a vision," again, I do not mean to be repetitious, but I want to make the differentiation. It does not mean a vision like you saw a man coming and he did this or that, or you saw some event take place. No, it is a vision in our heart. We could say, "It is a revelation in our heart, and that revelation has created the vision." And the vision does not change. And what has happened around us has not mattered, because it all meant nothing when compared to what God has put into our heart, which is the vision, and we are going by the vision no matter what! And now we have come to the place where we are the Word of glorified flesh and bones with the feminine nature in us, the Wife of the Lamb. We are the Spoken Word of God manifested in glorified flesh and bones, which is our life.

Paul spoke about 'a life,' and not only Paul, but the Lord Jesus Christ spoke of the same. And the Holy Ghost was the life to the people in Paul's day. And to Christians today, the Holy Ghost is still the life. But now there is a people, who are known as Christ the Wife of the Lamb, who not only have the Holy Ghost, but we the Wife have been baptized into this last trump of God message, thus showing forth the body of Christ in glorified flesh and bones with the fullness of the faith of Christ. And we are going forth and speaking a new and pure language that

God gave to us, and we are giving witness of the glorified flesh and bones, for we are the Word of glorified flesh and bones. And that is the vision that keeps us from everything else.

Notice our title again, *Our Vision, and Visions*. I just wanted to give some understanding of why there is a message. It is a heavenly vision that God has kept alive; for He has kept it going by supplying the needs, and He has kept it growing in revelation. He inspired us to go forth; and although we have all been through many things, now we are more solid than we have ever been, and the vision is clearer than ever! I praise God for the books that are coming out, such as the new book we just put on our website called *Possessing a Rapturing Mentality—How?* How did we possess that? There is a message. There is a Word for us, the Wife of the Lamb; and it is not Word that we can open the Bible and say, “Paul said this, and Paul said that.” No, it is Word for our time, which is of and to the Wife of the Lamb, just like what Paul preached was Word for his time. We have Word in written form in our books, just as there was letters written when Paul preached his espousal message for the virgin. But this message of the last trump of God is of and to the Wife of the Lamb after marriage to read and to enjoy and be blessed by. And that is what is taking place now. And I praise the Lord for it! So whatever is being offered *out there* in the religious realm, we are not fighting against it, for it will be as God ordained. God’s children will do what they are ordained to do. Some of them know what to do, but they are not doing it; but there is a tribulation that will take care of all of that. But there is something *here*; for we the Wife of the Lamb are giving witness of ourselves in our books. And one cannot read these books one time and lay them aside and say, “I have read that,” and get it all. No, because it is revelation that is coming forth. It is like the Bible, you

can read it and get so many wonderful things from it, but when you go back and read it again, you will see things that you did not see to begin with. And it is so wonderful, because it is the Spoken Word of God in written form.

So God sent a message, and here we are today with this message. And this message is a vision that God gave. It is not a vision that I personally came up with, but it is a vision that God gave. And the thing about it is this vision was being fulfilled all the way down through time, and I was not even aware of it until I looked back and seen how it was being fulfilled. And now there is a message in written form, and it is beautiful. It is the inspired Word of God. There is inspiration there, and our storehouse is full, so you can eat until your fill.

God bless you. I appreciate you. This is the vision we have been following, and it has taken us right to where we are supposed to be; for God had this in mind to begin with. And I am so happy to know that God has given me a part in fulfilling this vision. This is the sounding of the last trump of God, a message going forth. And we praise God for the message, for the Word.

Heavenly Father, I pray that these words that I have spoken today will be of a great benefit for the Wife of the Lamb. We are thankful that you put a vision in our hearts, because we know where there is no vision the people cannot find their way. But this vision has been here, and it has wrought the things that you have ordained it to, all the way up to this present time, and we appreciate it. In the name of our Lord Jesus Christ, we thank you and love you. Bless this message for the glory of God. Amen.

THE MESSAGE THAT IS OF AND TO THE WIFE OF THE LAMB AFTER MARRIAGE

Today I want to speak about the message that is of and to the Wife of the Lamb after marriage, which is quite a difference from just the message for the virgin; because for the virgin, we always had to be urged on to do more and to do better, to be sure that we were doing everything right. It was a time of really pushing us along. But after marriage, it is a time of rejoicing for the great revelations and for having that peace and security in the Lord that belongs only to us, the Wife of the Lamb. After marriage, we began to look at the scriptures that belong to the Wife only; and one of the prophetic scriptures is 'we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air.' But prior to marriage, we would look at that scripture and say, "I hope I am one of them!" Well, now we know we are the 'we which are alive and remain,' for it applies to us, the Wife of the Lamb. It does not apply to everyone, just to the Wife of the Lamb. Then another scripture says 'we shall be changed,' which is in the time period prophesied by Paul as 'in a moment, in the twinkling of an eye.' And we are living in that today—in a moment, in the twinkling of an eye—and we are at the end of it; so this has already been taking place. And then another scripture tells about 'the dead shall come forth,' and we have already witnessed that, for it has already taken place, and those Wife saints are rejoicing in the Lord, and they will make themselves available for visibility as God ordains and as He pleases.

We see in the Book of Luke, Chapter 24, when the two

disciples were on their way to Emmaus that they talked together about all the things that had happened in Jerusalem concerning Jesus. See, their thinking was "We thought Jesus was the Messiah; but they took Him and crucified Him, so now we are leaving town. Jesus was a good man; He did many good things, and we hated to see Him go. I wish His ministry could have continued on." And it came to pass that while they communed together and reasoned, Jesus Himself drew near and walked with them. But their eyes were holden that they should not know Him. And He said unto them, "What manner of communications are these that you have one to another as you walk and are sad?" And one of them, whose name was Cleopas, answering, said unto Him, "You must be a stranger in Jerusalem and do not know the things which have come to pass there in these days. There have been great things taking place." And Jesus said unto them, "What things?" And they said unto Him, "Concerning Jesus of Nazareth, which was a prophet mighty in deed and Word before God and all the people, and how the chief priests and our rulers delivered Him to be condemned to death, and have crucified Him. We mistook Him for the Messiah. We thought the Messiah had come, for we trusted that it had been He which should have redeemed Israel, but we were proven wrong by His death." Then Jesus said unto them, "O fools! How is it you cannot believe the words of the prophets? You can quote some of them, but how come you cannot believe?" Jesus had told His disciples a few days before that the Son of man must go to Jerusalem, and there He would be rejected and crucified, and He would rise on the third day—"As Jonah was three days and nights in the belly of the whale, so must the Son of man be three days and nights in the heart of the earth." But the thing is, although they heard this, they did *not* hear it. **So as Jesus walked with them, He began at Moses and expounded to them all the scriptures that pertained to**

Himself. Now that is important; He related to them all the scriptures concerning Himself. He laid the scriptures out for them. And I am sure they got real quiet, for later they said, "Did not our hearts burn within us while He spoke to us along the way?" But yet, their eyes were holden, and it did not dawn on them who He was.

See, it is so amazing that a glorified man was walking around and no one knew it. It was only known if He wanted it to be known. And there are some similarities in *this* day; for unless it is revealed, people do not know that we the Wife of the Lamb are the physical body of glorified flesh and bones that the feminine part of the Christ Spirit is living in. So there is not many that recognize the body of Christ the Wife of the Lamb. And because we (the members of the Wife) are furnishing the feminine part of the Christ Spirit a glorified body to dwell in, the Lord named us 'Christ the Wife of the Lamb.' It makes us the Queen; and the Lord Jesus Christ is the King.

I suppose that what Jesus was saying to these two disciples sounded like riddles to them at the beginning. But they liked it well enough that they invited Him into their place of abode to spend the night with them. And when they prepared supper, Jesus took the bread, broke it, and blessed it. And Jesus had a certain way of breaking bread, for there is no one that broke bread like He did. And that is when they recognized Him! And I tell you, there is a message today, the last trumpet sounding, that is breaking the bread like no one else. It is breaking the bread in a certain way, and the Wife recognizes that there is bread being broken in a special way. Hallelujah! And there is a new and pure language of and to the Wife of the Lamb. We have passed the virgin stage, and we are the married Wife of the Lamb, and we are speaking a new and pure language that God gave us, thus showing the new birth of the body of the Wife of the Lamb in glorified flesh and bones.

So we the Wife are 'we which are alive and remain,' and we are so happy about it, and we are glorifying God in our glorified flesh and bones. But there is another part of the body of Christ that has been taking on glorified flesh and bones too; for when Christ Jesus came in the Book of Revelation, Chapter 10, He brought back with Him the saints that are shown in 1 Thessalonians 4:14, for God sent them with Christ Jesus. So we now have revelation to know that they are here. They came in their spiritual bodies, but they have been taking on glorified flesh and bones with us; and all together we are the glorified Wife of the Lamb. And we know that we are the married Wife and that we are the Queen. And we know that we are not still waiting for these things, but we are enjoying these things as they are happening. Now let us have a word of prayer before continuing.

Heavenly Father, we thank you for this privilege, and indeed it is a privilege, to stand and speak about the great things you are doing. And it is so good to look back and see what you have done, for it makes us appreciate even more what we have now. Thank you for letting us know that the message that Paul brought was for the virgin, and that only the prophetic part of his message is what applies to us, the Wife. We praise you and we love you. And we thank you for the special anointing that you have given to us to go forth with the Wife's gospel of glorified flesh and bones. Grant to the hearers and the readers the good things that you have in your storehouse, in the name of our Lord Jesus Christ. Amen.

We praise the Lord today and we say, "Wonderful is He!" It is so good to be the Queen of the great King, the Lord Jesus Christ, and know that we are the feminine part of the 'Godhead part' of God. The masculine and feminine attributes of God are made available to us, the Wife of the Lamb. See, when we were married to the Lord Jesus Christ that is when it all came together for us, giving us

the fullness of the attributes of God.

When the Lord Jesus Christ walked here, He had both the masculine and the feminine attributes of the Christ Spirit within Him. The Bible says that He was given the Spirit without measure. And even though He had the fullness of the Christ Spirit in Him, it was the masculine part that expressed itself in a greater way because He is the King—and yet the feminine part of the Christ Spirit was there within Him, but for the most part, She was in waiting for Her time to be manifested. She was the feminine part of the Christ Spirit that had not been taken out of our Lord Jesus Christ yet. And She stayed that way until Revelation, Chapter 10, when there was a breakaway that took place; for that feminine part of the Christ Spirit was broken away and came into us, a body of people who had already received the masculine part of the Lord Jesus Christ in the Spirit, in the form of the Holy Ghost, which began at the first leg of His coming. But here, when He came in fullness, He brought us a message which included, and revealed, the feminine attributes (shown as the little book), and the feminine part of the Christ Spirit took possession of our mortal bodies (it solidified in us), which was signifying our marriage to the Lord Jesus Christ, thus making us His physical Queen. He is the King and the masculine part of the ‘Godhead part’ of God, and we are the feminine part of the Godhead by becoming one with Him. And that makes us complete in Him. So here we are today, rejoicing in the Lord, being part of the Godhead part of God, having all the attributes that consist therein, showing forth the fullness of Christ in the earth. And there is a glorified people today that the world does not know a thing about, a people who are glorified right here before we are caught up (raptured) out of this earth.

In this last day, God’s Word has come through the virgin stage and has come through the marriage. So those virgin

saints that had died, whose bodies went to the grave and decayed away, came back in spiritual bodies with Christ Jesus (shown in 1 Thessalonians 4:14) for the marriage. And they do not need those bodies that went to the grave anymore, for they have received Word-bodies of glorified flesh and bones, which were created by this last trump of God message, just as our mortal bodies have been taking on a Word body of glorified flesh and bones while yet living. So here today is a new group, the Wife of the Lamb, and we are speaking a new and pure language, and we have a new vision, and we have the Word (and we *are* the Word) of glorified flesh and bones, which is the Word of and to the Wife of the Lamb after marriage.

As we look in the Word of God, we see that Paul got a glimpse of what is taking place today, for that prophetic anointing came upon him and he prophesied of what would be, and he wrote it down. In other words, he was saying, "What I am writing about, I have not obtained it yet, but I am pressing for it. I am pressing for the mark of the prize of the high calling of God." And the high calling is being the Wife of the Lamb. And, praise God, Paul is here, and he has obtained that high calling by the sounding of this last trump of God. And he, as well as all of us who are the Wife saints, are echoing the Voice of the last trump of God in this time of the twinkling of an eye.

So here is the last trump of God message, which is the creative Word of glorified flesh and bones that has created a new group of people, the Wife of the Lamb, and there are wonderful things taking place. It is so wonderful to know there is a message of and to the Wife of the Lamb *after* marriage. And it is not a message of rebuking. No, because we the Wife are the same stature as our Husband, the Lord Jesus Christ, and we know what to do (being in the fullness of Christ), and we are so happy to do it! We love the Lord, and we do that which pleases Him. He is

the King, and we are the Queen. And we certainly want to please the King.

I remember the dream I had sometime back about a newly crowned King. He rode up in His chariot and got out, and I saw Him walking towards me. So I walked up to Him and said, "I am ready to do whatever you bid me to do." He looked at me and said, "You shall ride in my second chariot. And I also want you to be keeper of my papers (meaning, keeper of my Word)." He was not the King when the virgin was coming through the church ages, but during that time, we see Jesus Christ the High Priest, which is shown in the first three chapters of the Book of Revelation, for He was dressed as a High Priest. Next, we see Him sitting on the throne of God. And then that put Him in a different position, because there is a different category of people here in the earth, a new group of people that were created the Wife of the Lamb, dressed in fine linen, clean and white, which is the righteousness of the fullness of the faith of Christ with the pure river of the water of life that is clear as crystal flowing through us.

Notice what Paul prophesied in 1 Corinthians 15:51-52, *"Behold, I shew (show) you a mystery; We shall not all sleep, but we shall all be changed, In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed."* God does not reveal this to everyone. And the fact is, even the virgin did not receive revelation of it at that time; for the life of it was not given to them until they came back to this earth, as shown in Revelation, Chapter 10, and 1 Thessalonians 4:14. That is when all the Wife saints began to hear and receive this last trumpet message of glorified flesh and bones, thus making up the full body of Christ the Wife. So when Paul received this prophecy, he said, "It is time to get this written down for the record. It is time to make the paper talk!" So that was Paul making the paper talk in the

days of this prophecy. But when it came time for it to be fulfilled, the paper ceased to talk and began to scream. So I tell you, we are not just making the paper talk, but we are making it scream! Hallelujah! It is screaming, "Glorified flesh and bones!"

So when Paul prophesied and wrote, "Behold, I show you a mystery, we shall not all sleep, but *we shall all be changed*," he was making the paper talk! And I can say that now we *are* changed! It is a new life! So this message of the last trumpet sounding is not just talking, but it is screaming! So, whether you are reading it from the books or hearing the recorded messages, it is screaming that we are glorified flesh and bones! We are married to the Lord Jesus Christ, and we are the Queen, and all the attributes of God, masculine and feminine, are flowing right through us, and God has made us the feminine part of the 'Godhead part' of God by our marriage to His Son, the Lord Jesus Christ. That means we have all those attributes. Yes, the Queen has access to all those attributes, just as the King has access to all those attributes. And here we are, rejoicing in the Lord!

So here in 1 Corinthians 15:51-52, Paul was prophesying about a mystery, but this mystery was not solved in that day, because it was not time. See, Paul got under a 'prophetic anointing,' and when he got under that prophetic anointing, he began to make the paper talk. It is just as God's prophet Isaiah did in the Book of Isaiah Chapter 53, for Isaiah got under a prophetic anointing, and he began to make the paper talk, saying, "He was led to the slaughter as a lamb, and He opened not His mouth." And it happened at Calvary. It did not just *talk* at Calvary, but it screamed! It screamed, because it was fulfillment. Amen. And now we the precious Wife of the Lamb are doing our part, which is in the fullness of the faith Christ, for we took possession of Paul's prophecy of

1 Corinthians 15:51-52, and we are not just making the paper talk, but we are making it scream because it is now fulfilled in us, as Christ the Wife of the Lamb is echoing the Voice of the last trump of God in this time of the twinkling of an eye!

See, this last trump of God is echoing through the body of Christ the Wife of the Lamb. And soon we will be caught up to be with the Lord Jesus. This is the message of and to the Wife of the Lamb *after* marriage, as opposed to the message of and to the virgin, which was *before* marriage. We have come through the virgin stage; we lived through it. We got married, and the door was shut to the foolish virgins. We are enjoying being the Wife of the Lamb while others are out there, going to the different places in the religious system, searching to get something to satisfy them, trying to get revelational oil. But *our* search is over, for we found what we have looked for all our lives, and it outshines everything! Yet, the others have their place, and there is a river for them, which we call that main salvational river of life. But we the Wife have a different river (the breakaway river of life) flowing through us, which is flowing from the throne of God; and there is nothing in it but purity — no tribulation nor anything that hurts or destroys, for we are in a heavenly place.

O' precious Father, may you take these words and double anoint them, and when they are heard, may it not just be a man talking, but let it be the anointing screaming the revelation of God by your Spirit. Father, we praise you and thank you in the name of our Lord Jesus Christ. Amen.

TAKING ON A WORD BODY OF GLORIFIED FLESH AND BONES

Today I am going to speak on *Taking on a Word Body of Glorified Flesh and Bones*; and I will be reading in the Book of 1 Corinthians, Chapter 15, Verses 51-52. We begin this message by showing the spiritual coming of our Lord Jesus Christ; for when Christ Jesus came back (as shown in the Book of Revelation, Chapter 10, and in the Book of 1 Thessalonians 4:14), God sent the departed saints with Him so that they could take on a Word body of glorified flesh and bones. When they first came, they were only *spiritual bodies*, but they have been taking on a *Word body* of glorified flesh and bones by this trumpet sounding out a message, which is the creative Word of glorified flesh and bones. And when I say 'trumpet sounding,' I am not speaking here of one blast, like a trumpet giving one blast and that is all and it is over. No, the trumpet has been sounding for quite some time. In fact, we are approaching the closing of this trumpet message.

At our marriage to the Lord Jesus Christ, those of us that *did not* die and the spirits of the saints that were to be part of the Wife whose body *did* die began the process of taking on glorified flesh and bones. That is why at our marriage, *together* we became Christ the Wife of the Lamb, clothed in fine linen, clean and white, which is our righteousness that is of the fullness of the faith of Christ. And now (once again) Christ has become a physical being, for we have become Christ the Wife of the Lamb. Thus, we are now furnishing a physical body of glorified flesh and bones for the feminine part of the Christ Spirit to have a permanent dwelling place throughout eternity. All of this has been

taking place in this twinkling of an eye time period, and soon we will be raptured away from this earth.

Notice, those saints who passed on, *their bodies* went to the grave and became part of mother earth and will forever be that. But *their spirits* (spiritual tabernacles), which came back, have become Word bodies of glorified flesh and bones. And at the same time, we that *did not die* have taken on the same—Word that became glorified flesh and bones, which is the kind of flesh that Jesus Christ has; for our marriage has made us one with Him. He is glorified flesh and bones, and He has created us the same. Now, before reading, let us pray.

Heavenly Father, we thank you for the privilege that we have to come to you once again and speak about your Word, about your great plan, and enjoy the blessings that are contained in the mysteries and in the revelation of your Word. First, your Word calls our marriage a mystery, but now it is revealed—and there is where the great joy of the Lord comes in! So we praise you for it, and we thank you for the anointing to speak these words in a way that will be pleasing to you in the name of our Lord Jesus Christ. Amen.

In 1 Thessalonians 4:14, Paul tells about the spirits that God would be sending with Christ Jesus back to earth. Then, five years or so later, in 1 Corinthians 15:51-52, he writes again about the same subject, but this time he gives more details, saying that it is a mystery (concerning our new bodies), and he tells about the saints that came back and how they would be together with us for our catching away. Paul did not solve this mystery, but he prophesied about it; for he said the last trumpet would be here to sound and solve the mystery.

So I want to begin reading in 1 Corinthians 15:51-52. It says, “Behold, I shew (show) you a mystery (That is when we all perk up, because we love mysteries, and we love the revelation (understanding) of the mystery even

more!); *We shall not all sleep,...*" That is what Paul sometimes called dying. So there is a people here in the earth today that do not die, for we have been taking on glorified flesh and bones. And this is a *Word body* of glorified flesh and bones, and it is eternal. There has never been anything wrong in the nature of this Word body, because it is a garment of fine linen, clean and white, which is the righteousness of Christ the Wife of the Lamb. And there is no sin nor death in this body. And this is what we are dressed in!

Notice, when the trumpet began to sound, we, along with those spirits that Christ Jesus brought back, began to hear this creative Word of the last trump of God. Now, watch as all of this unfolds as we go along. "*We shall not all sleep (die), but we shall all be changed;*" So here we all are, 'those that He brought back' and 'we that did not go to the grave,' and together we have all been taking on glorified flesh and bones by this creative Word of the last trump of God. And all of this has been taking place in this time period of 'in a moment, in the twinkling of an eye' that we are living in. It is the twinkling of an eye time! "*In a moment (meaning time), in the twinkling of an eye (meaning an action), at the last trump (a message): for the trumpet shall sound,...*" Now that gives us an absolute time that it took place. And when I say 'when it took place,' I am talking about when 'our bodies' and 'the spirits of the saints that Christ Jesus brought back to earth' came together as a Word body of glorified flesh and bones—one body of saints.

Notice again the title of our message, *Taking on a Word Body of Glorified Flesh and Bones*. That is what we have been receiving from our Lord Jesus Christ, for He received us all together (collectively and as individual members of the Wife of the Lamb) as a physical body of glorified flesh

and bones, as a house for the feminine attributes to live in permanently. **And He does not revive the bodies of those that passed on through the church ages and through time; for the earth claimed their body back.** He does not go and get those bodies from the grave; for many were eaten by lions, some drowned in the sea, and however death claimed their mortal bodies, they all went back to the earth and became part of the soil of the earth. See, that has nothing to do with this Word body of glorified flesh and bones. The spirit and soul had already left that body and became that spiritual building of God, eternal in the heavens. (2 Corinthians 5:1) But Christ Jesus in the fullness of His Spirit, shown in the form of a Mighty Angel, brought back the spirits (spiritual bodies, spiritual tabernacles) of those that are part of the Wife of the Lamb from the days of Paul's preaching until the completion of the time period in Revelation, Chapter 10. They were in a heavenly realm, a glorious place, waiting to come and get their glorified Word bodies. And when Christ Jesus came, He brought the little book along with those saints in spiritual bodies; and now they are no longer seen as just spirit, for by the sounding of the last trump of God we moved from seeing Christ as Spirit to seeing us, Christ the Wife, as glorified flesh and bones.

At this happening, the masculine and feminine parts of the Christ Spirit would forever be married together, thus making us the Wife of the Lamb and giving the feminine part of the Christ Spirit a permanent body of glorified flesh and bones. So we the Wife are furnishing the feminine part of the Christ Spirit a 'forever home' in our earthly bodies of glorified flesh and bones. Now our Lord Jesus Christ (who is masculine) and we (the feminine Christ Wife) are one, having both the masculine and feminine attributes showing through us, as we the Wife of the Lamb are one with Him in marriage.

That is why in Revelation, Chapters 1-3, it shows the very signs of the Lord Jesus Christ as the High Priest in the church ages, which we have already come through. That is the time period that the saints that were to be part of the Wife passed away in, which was all those spirits that God sent back down to earth with Christ Jesus; for along with us, they had to take on a Word body of glorified flesh and bones. And this Word body of glorified flesh and bones knows no corruption like that body that went to the grave did. And now as these spirits have taken on Word bodies of glorified flesh and bones the same as we have, there is now seen in the earth the new birth of the body of the Wife of the Lamb, for this message of the last trump of God created the glorified Word to give our bodies glorified flesh and bones. And this Word body of glorified flesh and bones is the Queen of the great King, Jesus Christ.

So our mortal body that we are living in has been taking on immortality, for we have been taking on a Word body of glorified flesh and bones by this last trump of God message. And those that have come back, they too have taken on a Word body of glorified flesh and bones, which has never known corruption. This means that the spirits of those departed saints did not have to go back to the earth and get whatever was left of the body they once lived in. No, God gave them a Word body of glorified flesh and bones; and this body does not know corruption and never has. So for us who did not die, we too have been taking on a Word body of glorified flesh and bones. And together we are showing forth the new creation of the body of Christ in glorified flesh and bones, which is the Wife of the Lamb. The last trump of God is the message that has created a Word body of glorified flesh and bones, which is the Wife that is ordained for God's Son. So, along with us, those spirits have taken on their glorified bodies, thus

making us all completely glorified Word bodies to live eternally; and together we are the Wife of the Lamb.

When God revealed to Paul that he was going to go by the way of death, those saints that he preached to were still virgins that he had espoused to the Lord Jesus Christ to be part of His Wife, and he warned them, saying, "There are men that will rise up and draw disciples after themselves." And Paul called that spirit 'the spirit of iniquity.' Paul showed us how that spirit of iniquity came in, and many of those saints were affected by it. But God had mercy upon them, and they went to the grave under a survival law that He authorized Paul to lay in the Word. And when they died as the virgin that Paul espoused to be married to the Lord Jesus Christ, their spirit came out of them and they became that spiritual building of God, eternal in the heavens. And that was those spirits that Christ Jesus brought back to earth to join with us in our marriage. And now, along with us, they have taken on glorified flesh and bones, and they are part of the Godhead by predestination, for we are the Son's Wife. That is the difference between the Wife saints and all the other saints that are part of the family of God.

The other saints, those who will come forth before the millennium begins, will have a glorious time, rejoicing in the Lord, dressed in white robes, and they are a wonderful and beautiful group of people. But there is a group of saints who are *not* dressed in white robes, but they are clothed in fine linen, clean and white—and that is us, the Wife of the Lamb, who is part of the Godhead part of God; for we became one with the Lord Jesus Christ in marriage. We the Wife of the Lamb received glorification, but they (the church) will go through tribulation, for they must wait until after the tribulation is over to get their white robes and their glorification.

Notice, the Word tells us *when the rapture will take place*. It says, *"at the last trump: for the trumpet shall sound,..."* This trumpet had not sounded when Paul wrote this. This writing was in A.D. 59 and Paul was saying, 'the trumpet *shall* sound.' In other words, it was brought up to our day, and there came a message, which is the creative Word that is putting glorified flesh and bones on the spirits that were brought back. For when Christ Jesus came, He brought those spirits with Him (which Paul told about and wrote about in A.D. 54). So they are here and have taken on glorified flesh and bones by the creative Word of the last trump.

See, *"at the last trump: for the trumpet shall sound* (It had not sounded in the day that *Paul* wrote the Word.), *and the dead shall be raised incorruptible."* Here, I want to refer back to a message that I preached sometime back called *Paul Called It a Resurrection, But We Call It the Spiritual Man Taking on Glorified Flesh and Bones*, where we showed that Paul was looking at those corruptible bodies in the grave coming up incorruptible, but I brought forth a furtherance of revelation concerning these saints, for they did not 'rise from the earth,' but they 'came down from heaven' to take on a Word body of glorified flesh and bones. And they are already here. And this verse goes on to say about us, who did not die, *"and we shall be changed."* By what? By the sounding of the last trump of God, which is the incorruptible Word, the message of glorified flesh and bones. And the reason that we have this is because we are united to the Lord Jesus Christ, who is the fullness of the Godhead bodily, and we have become glorified flesh and bones of His glorified flesh and bones. And this not only applies to us (who did not die), but it also applies to those that He brought with Him, for they had to come and hear the same message that we are hearing in order to take on

glorified flesh and bones just the same as us.

So we who are part of this trumpet message, it just fits us as a hand fits a tailor-made glove—just perfectly! And the same thing goes for those that Christ Jesus brought back with Him. See, they have taken on the same glorified Word body as members, making us one and part of the Lord Jesus Christ in the Word. It all came into being at the last trump of God, which caused those spirits to take on their Word bodies of glorified flesh and bones, showing they had to be the same as us in order to unite together with us as Christ the Wife of the Lamb. Therefore, God sent a message into the earth, and it is this last trumpet message that has given us the Word that has made us all one.

I am speaking of a particular body of people that is called Christ the Wife of the Lamb. Yes, there are other people that are part of God, but we are part of the very 'Godhead part' of God. And it all came through becoming one with the Lord Jesus Christ—united, married to Him. And He is Christ the King, and we are Christ the Queen. He is the King of all the earth, and we are the Queen of all the earth, while there are saints that are servants, and the Word of God speaks of them as being around the throne, serving the Lord day and night, and they are dressed in white robes. They are the saints of God that have a very important place, which will be instructors to the mortal people. They will be encouragers. And as eternity rolls on, there will be natural people that will farm the land and take care of the earth as it produces in perfection and is so beautiful, while the Wife of the Lamb is the very part of the Lord Jesus Christ, who is the fullness of the Godhead bodily, and we are bone of His glorified bones and flesh of His glorified flesh. And those words are only referred to in the sense of a woman becoming one with a man, and that is marriage. We have been married to the Lord Jesus

Christ, which makes us (who is the feminine part of Christ) the Queen. And through all eternity we will be the same—Christ the Wife of the Lamb, for we are the Queen of the great King of the earth. And His throne will sit right there in that chosen area, for God chose that little spot called Jerusalem, which caught King David's attention when he came to the city. Of all the places, this city caught his attention; and it was not called Jerusalem then, but it was called by the name of those that existed there before. But it struck David just right, and he said, "I have to have that! That is where I want my throne to be! That is where I want to govern from." He realized this was a special place and the place for his throne. And that was only a foretelling of the real King, the Lord Jesus Christ, who is called the Son of David in several places in the Word of God. But David was not satisfied until he got that spot of land that is now called Jerusalem.

See, all of this started way before God ever created the world, for when God created the world, He specifically created that little spot called Jerusalem. And the Lord Jesus Christ was born in an area not very far away from there. And when David came, why would he not have chosen another place for his throne that might have been more enticing? No, when he saw Jerusalem on the hill, something grabbed him, for this was the place God chose before the foundation of the world; and that is why David chose this place, and he began to work towards getting it. And the point here is that this is the place God ordained for the King, the Lord Jesus Christ, and His Christ Wife to reign together in eternity. And all the other glorified saints will teach and work with the mortal people as eternity rolls on. All people will come and worship God, both the natural people and the glorified saints. And then everything will be right back to the world that Adam and Eve

loved before sin ever entered into the picture. They were to live here eternally, in the presence of eternal life, as natural human beings. But because of the fall, it caused us who are here at the end time to be picked up to a higher level. We have been picked up to a level where we have become a very part of the Lord Jesus Christ as His Wife, His Queen. And the Queen has a gospel—the gospel of Christ the Wife of the Lamb, which is the message of glorified flesh and bones.

Now let us read a little more here. It says, *“In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.”* In other words, all of this has been taking place together. As they have been taking on a Word body of glorified flesh and bones, we too are being changed. This Word has changed us, for we are no longer just the spiritual body of Christ, but we are the physical body of Christ in glorified flesh and bones, which is Christ the Wife of the Lamb, who is sounding forth this message of the last trump of God—*“at the last trump, for the trumpet shall sound!”* Now that has given an identity. When we hear the trumpet sound, we know that we are seeing the fulfillment of Paul’s prophecy. And the trumpet did not sound until the time came to fulfill the purpose of God. Then the trumpet began sounding to cause our bodies to change into immortality, and it caused those spirits that came back with Christ Jesus to take on glorified flesh and bones; and together we will be caught up out of this earth to meet the Lord in the air.

Notice, God allowed Paul to make a confession, and he wrote about it. He said, *“I have not obtained this yet; but I am pressing for it.”* So Paul wrote about this glorified body, he knew about it, but he knew that it was not his time then to receive this Word body of glorified flesh and bones. Paul knew that he was not living in the time when the bodily glorification was going to take place. But he is now living in

this moment of time, for he came back with Christ Jesus, for Christ Jesus brought him back when He came in Revelation, Chapter 10, with all the other saints that are part of the Wife of the Lamb. All of these saints are here. And they are part of the Wife of the Lamb, and they have taken on glorified bodies. Hence comes the title to our message, *Taking on a Word Body of Glorified Flesh and Bones*.

Notice, this trumpet is sounding out a message. No, it does not mean just one sounding, one blast. But it means it is going forth and will continue to sound until the work is finished, until glorification is completed, until the rapture takes place. See, we all (us that did not die and those that Christ Jesus brought to earth with Him from a heavenly realm) came together in this creative Word of glorified flesh and bones. And we are all together—"and together we will be caught up to meet the Lord in the air."

So that is what we are talking about today—"Taking on a Word Body of Glorified Flesh and Bones." And this glorified Word Body has never known corruption, and it can never be corrupted. And our 'taking it on' did not happen by the trumpet giving one blast. No, as the trumpet *has been sounding*, we have been taking on a glorified Word body, which means we are a people that will not die. And the written Word speaks of it—"We which are alive and remain." See, it means that we are still alive and remaining while we are taking on this glorified Word body, while those that He brought back with Him are taking on the same. That is the same as 'crossing the Rubicon,' which is a saying that means passing a point of no return. We have crossed into a realm where we do not go back, we do not look back, and we are just here receiving what God has for us in the final moments of this last trumpet sounding just before we are raptured from this earth.

Heavenly Father, we thank you for giving us another opportunity to speak your Word, as we all realize the trumpet is

sounding. And we praise you for the message that is going forth and for the things that you are revealing through the precious Wife of the Lamb, who has the fullness of the Voice of Christ in the sounding of the last trump of God. We love you with all our hearts and pray that these words will go forth as you have ordained in the name of our Lord Jesus Christ. Amen.

CHRIST THE WIFE OF THE LAMB'S MESSAGE HAS NO DEATH IN IT

O' This Wonderful Way of the Lord!

We thank God for the *living* Word of God that is being fulfilled in this moment of the twinkling of an eye. There is the letter of the Word; and the letter of the Word is a permanent record of the Word that was at one time spoken (spoken by the anointing—'Spoken Word'), which may not necessarily be taking place at the present moment, but can be. For the Spoken Word is present-tense Word, and when the Spoken Word is put in print, then it is present-tense written Word (or letter), which is also present-tense *living* Word for those that are by predestination a part of it when its time has come to be fulfilled. So written or Spoken, the Word must be present-tense *living* Word in order to give life. So we praise God and thank Him for the wonders that He is performing. And when we talk about the wonders that the Lord *has* performed, we see the great things that He has done over the years, including the fact that He has given us this message of the last trump of God, and He has kept us moving forward in the things that He has for us. And it did not start from a denomination, nor from following any certain individual or anything like that, but it has been something that God has done by His Spirit, and He is still doing it, and we are rejoicing in this wonderful way of the Lord that was created by our marriage to the Lord Jesus Christ, which has produced a group of people without any death in them.

Today I want to bring a message called *Christ The Wife of the Lamb's Message Has No Death in It*. And I want to subtitle it, *O' This Wonderful Way of the Lord!* I want to read

one verse of scripture in the Book of 1 Corinthians 15:26. It says, "*The last enemy that shall be destroyed is death.*" And I want you to notice it is not 'the last enemy that shall be *conquered*,' but it is the last enemy that shall be *destroyed*. And death has already been destroyed for *us*, the Wife of the Lamb, and it will later be destroyed for all of God's family as they fulfill their part of the plan of God before the world goes into eternity.

In glancing back before the beginning of the human family, and before sin came into the picture, there was no death. But because of sin, death came into the picture and was given a life of its own. And since that time, it has had a claim on all humanity—*until* a greater law came and overrode it for 'us,' the Wife of the Lamb. So today we the Wife are not under that law of sin and death on the body, but another law (the law of life) has come into our members, into our flesh and bones, because we were married to the Lord Jesus Christ. Therefore, death has no power over us.

God set a pattern that was first shown in the Book of Genesis 1:27, which says, "So God created man in His own image, **in the image of God created He him; male and female created He them.**" Here, all of that *them* was spirit (which were the masculine and feminine attributes that were in God). Then God created a body for Adam, and He put that *them* into him. So here was a man that had both the masculine and feminine attributes in him for quite a while; for it was quite a bit later that God created Adam a helpmeet by taking a rib from him and creating a body for Eve, Adam's wife. And then He separated out the feminine attributes of that *them* of Adam's spirit and put them into Eve. And here we see that God used this same pattern of that *them* with the Lord Jesus Christ and His Christ Wife. For He put that *them* in Jesus, making

Him the Lord Jesus Christ, and later on He took that feminine part of that *them* out of the Lord Jesus Christ and put it in us, a body that was prepared to receive Her, thus making us His glorified Christ Wife in the earth as the masculine and feminine parts of the Spirit came together in marriage.

When Jesus was baptized by John the Baptist, the Bible says, "The heavens opened unto him and John saw the Spirit of God descending in the form of a dove and lighting upon Jesus, and God said, "This is my beloved Son in whom I am well pleased." And God gave the Christ Spirit to Jesus, His Son, without measure, thus making Jesus become the Christ, for all of that *them* came into Him (for the Christ Spirit contained both the masculine and feminine parts or attributes of God). Henceforth, all of that *them* was in the Lord Jesus Christ. Then after He was crucified and resurrected from the dead, He came forth in glorified flesh and bones—and that glorified flesh and bones cannot die. Likewise, death cannot have power over *us*, Christ the Wife of the Lamb, for we are joined to His very own glorified flesh and bones, thus making us the same.

This revelation of being glorified flesh and bones of His glorified flesh and bones shows the law of life has overriden the law of sin and death that was on the body. And that is what brought on the message *We are Not Carrying a Cross, But We Are Wearing a Crown of Glory*, which I preached sometime back, showing that we laid our cross down and put on our crown when our marriage took place to the Lord Jesus Christ. Notice, when the Lord Jesus Christ walked here, He said, "Take up your cross and follow me." Well, that was Word for a certain time period that we came through, and we were doing that. But then it came time (after He chose His Wife and the marriage took place) that we laid down the cross and put on the crown. And that is the crown of life! And death

cannot touch us, for we are wearing the crown of life and are dressed in fine linen, clean and white.

We are a people, Christ the Wife of the Lamb, who is dressed in fine linen, clean and white, while all other saints of God are dressed in white robes. And they are good people, fine people, and they would not have on the white robes if they were not. But being Christ the Wife of the Lamb, we are a very part of the Lord Jesus Christ, glorified flesh and bones of His glorified flesh and bones; and death has no power over us. We have already put on the crown of life, so we do not have to go to the grave. Paul said, "There is laid up for me a crown of life, and not only for me, but for those that love His appearing." And He has appeared, glory to God! And now Paul as well as the other saints have their crown of life and are part of Christ the Wife of the Lamb.

Notice our title again, *Christ the Wife of the Lamb's Message Has No Death in It*. And because our message has no death in it, it excelleth in glory as God has revealed more and more to us; for God sent this last trump of God, which is the Wife's message of glorified flesh and bones. And our being Christ the Wife of the Lamb, we are separate from all other Christianity, and death has already been destroyed for us. But many saints in the other realms of Christianity will overcome death by giving their lives, for they are in that antichrist religious system. So there are people in there that are born of God, that want to do what is right, and they love the Lord. But as far as receiving by revelation this last trump of God message that is of and to the Wife of the Lamb, it is not for them, so naturally they cannot understand it. But when we the Wife are talking to one another, echoing it to one another, we understand perfectly.

We know that Christianity in general, those that are real Christians, will be clothed in white robes. And the white

robes are for people that are good people that are born again and serve God in that particular order of saints. The fact is, in the great tribulation period, there will be a time when they will actually embrace death. In Revelation 12:11 it says 'they overcome the devil by the blood of the Lamb, and by the word of their testimony,' and 'they loved not their lives unto death.' That is how they overcome. The devil says, "I am going to get you." And they will say, "No, you can kill me, but you cannot get me!" And many will be put to death. There will be a bloodbath of Christianity, while we, Christ the Wife of the Lamb, who are dressed in fine linen, clean and white, will have already been taken out of this earth in the rapture. But soon after this, we will come back with our King and Husband, the Lord Jesus Christ, and we will reign with Him for a thousand years (millennium) here on earth, which is before the great white throne judgment takes place. And then all of God's family, including the mortal (natural people) and the earth, will go into eternity.

Notice, after the tribulation period, coming up to the beginning of the millennium, the Word of God says that man will be more precious than pure gold. In other words, there will not be many people that live through that great destruction. But there will be enough survivors; and the Lord will gather them together before Him from the different countries, and He will separate them as the sheep from the goats. (Matthew, Chapter 25) And the goat people will be destroyed right on the spot. But the sheep people, who have the nature of believing in God's moral laws, will go into the millennium to repopulate the earth; and the earth will be cleaned up. God will have a people that are born and raised during this time, and they will not die because death is bound with the devil for that thousand year period. But notice! At the end of the millennium, the devil will be loosed, and so will death. And chaos will

start all over again, the same old chaos that we see now, maybe not to the extent that we see it in the world today, but Satan will get a group of people together to overthrow the Kingdom of God; and when they try to do that, there will be divine intervention from God, for He will send fire down from heaven and destroy them all. But those that stayed faithful to God will go into eternity to live forever as mortal (natural) people.

God has a great plan, and we thank Him that He has shown us there are many different parts of His plan, and there has been different callings for His people throughout time. And we thank God we are part of those who were born to be the Wife of the Lamb, for we came into this last trump of God message that was sent specifically to us for our glorification. And the point is, we the Wife of the Lamb were that to begin with. So we are not running after everything that makes a noise, because we are the Word of glorified flesh and bones, wearing the crown of life, dressed in fine linen, clean and white, and death has no power at all over us.

Notice, in our being dressed in fine linen, clean and white, death is eliminated altogether for us, Christ the Wife of the Lamb. So now (at present) death is destroyed—but *'only* in the Wife of the Lamb.' The tribulation saints that have white robes on, they willingly give their lives, for they go to their death for their stand for the Word of God and their testimony of Jesus Christ. But instead of us giving our lives, we resisted and rejected death and *embraced* life eternal while yet living in our mortal bodies. We have a message (the last trump of God) that destroyed death for us; therefore, it has no effect on us. If someone or something tries to pour death on our message of the last trump of God, it will just run right off; it cannot stick. It has no power. But, again, this only applies to us, Christ the Wife of the Lamb, because we are glorified flesh

and bones of the Lord Jesus Christ's glorified flesh and bones; we are part of the Godhead. We were ordained that from the foundation of the world. And when I say *we*, I am talking about us, the Wife, the one that is wearing the crown of life, dressed in fine linen, clean and white. And to *us*, death has no dominion whatsoever over us; it cannot have anything to do with us. And we are the only group of saints that this can be said about.

Again, 1 Corinthians 15:26 says, "The last enemy that shall be destroyed is death." Death *is now* destroyed for us, Christ the Wife of the Lamb, for we are in the realm of fine linen, clean and white. But then, when that scripture passes on to the other groups of Christianity that are born of God, then it gets into the realm of white robes. And when it gets into the realm of white robes, many will give their lives for the gospel of the Lord Jesus Christ that is going forth during that time, and they will be put to death for it—"They love not their lives unto death." In other words, they did not resist death, but they embraced it; and they relish the fact that they are going to die for the Word. And you might say, "That is terrible, Brother Ben." Not if you look at it from the standpoint of being in the great tribulation with all they are going through and the shape the world will be in. They would rather give their lives and go on by the way of death than to go along with the antichrist and his religious system. So they go with the Lord Jesus Christ and give their lives willingly. But thank God here is a people *today*, Christ the Wife of the Lamb, who is rejoicing and is dressed in fine linen, clean and white, showing that death has already been destroyed for us. It is a time of rejoicing and making melody to the Lord. This is a time when we see death has passed away and has no power over us! So we are here today rejoicing! We do not fear the future because we *are* the future. I am talking in the realm of the Wife, not the world, not other

Christianity; but in the realm of the Wife of the Lamb, we are rejoicing in this wonderful way of the Lord. And we know that soon we will be caught away from this earth in the rapture.

Over time, this last trump of God message has grown and developed, and it has gone all over the world, and we are part of it. It is of and to the Wife of the Lamb, but it also shows those that are *not* the Wife of the Lamb so that we will have the right feeling towards them. We do not fight with someone that does not see this exactly as we do, because they are not supposed to. They have their place just as we have our place. And when they hear a gospel that is for them, it will fit them like a hand fits a glove. Well, our gospel fits *us* like a hand fits a tailor-made glove! Amen.

So here we are, Christ the Wife of the Lamb, showing forth our message that does not have any death in it. We are praising God, and our courage is high. We do not know *how* to get discouraged. We are clothed in fine linen, clean and white, which erases the death sentence from our minds. Our mentality is not on death, but life! Our Lord has given us life more abundantly, for the law of life overrode the law of sin and death on our mortal body because of our marriage to the Lord Jesus Christ, which made us part of the Godhead part of God; because that is what He is, the fullness of the Godhead bodily—and He took us as His Wife! Therefore, death has been taken from our mentality because there is abundant life for us, for as life increased, death decreased. And now death has been destroyed for us, but life will never be destroyed.

In being Christ the Wife of the Lamb, we are speaking to one another of the glory of our message that has no death in it. And that is about the only thing we know—how to rejoice in this wonderful way of the Lord and praise Him! And this Spoken Word of glorified flesh and

bones that we are speaking is being put into written form, present-tense Word that is of and to the Wife of the Lamb. It is similar to what Paul wrote to the virgin in the day when he preached his espousal message; for he espoused a virgin to the Lord Jesus Christ to be married to Him. But she went to the grave because iniquity got in, and the marriage did not take place at that time. But then Christ Jesus came back as shown in the Book of 1 Thessalonians 4:14 and in the Book of Revelation, Chapter 10. And this coming of Christ Jesus performed and consummated the marriage. And with His coming, God sent the spirits of the virgin saints to hear this last trump of God message that put glorified flesh and bones on them. And now they are not just spirits, but they are walking around, living in glorified bodies of flesh and bones that can appear or disappear at will. And those of us who did not go to the grave are in that same realm, as glorification is taking place in our mortal bodies. And *together* we will soon be caught away from this earth, and this earth will go into a greater level of trouble; and we are so close to that. And if we really knew just how close, it would probably shock us to know this present world system is coming to an end that quickly. But we are eternal. We are part of the same special part of the Word that created the Lord Jesus Christ. We have been married to Him, who is glorified flesh and bones; and being His Christ Wife, we are glorified flesh and bones of His glorified flesh and bones, and there is no death.

Notice, there is no death sentence for us, Christ the Wife of the Lamb, for our being dressed in fine linen, clean and white, took the death sentence away. But for the tribulation saints who give their lives willingly rather than to compromise on the things they know is right, they wash their robes and make them white in the blood of the Lamb.

See, they will not go along with the immorality that is taking place in this day. They will not compromise, and they loved not their lives unto death. They are clothed in white robes, and they are before the throne of God and the Lamb, praising the Lord with palms in their hands. (Revelation, Chapter 7) And they are a happy group! So now multiply that joy for us, Christ the Wife of the Lamb, for whom death has already been destroyed!

O' precious Father, we thank you for your love and for all the good things that you are doing for us, Christ the Wife of the Lamb, and for leading us in this wonderful way of the Lord and making things happen for us that we did not know should happen, for letting it happen and then letting us see it all works for your glory and for our good. Amen.

WE HAVE GONE FROM BEING
MEMBERS OF THE BODY OF CHRIST
TO BEING CHRIST THE WIFE OF THE LAMB

Heavenly Father, we come to you, praising you and thanking you for another privilege to stand up for you and to be identified with the great things of you. Thank you for helping us as we venture into the Word, and I am talking here about the living Word that is present tense, which is coming forth. And, Lord, as we venture into it, thank you for guiding us in the way that you would have us to go and for putting the words in my mouth to speak the Word of the Lord; for you have anointed our minds, our thoughts, our hearts to say the things that you would have us to say. O' Father, I thank you for granting it to us, Christ the Wife of the Lamb. Amen.

Today I want to bring forth a message called *We Have Gone From Being Members of the Body of Christ to Being Christ the Wife of the Lamb*. It was taught down through time about being the members of the body of Christ, and as a whole, it was said, "We are the body of Christ." And that served its purpose well; because all the while, God had something else in mind beyond what we were seeing at that time. And what He had in mind was to create a predestinated group of people that would be the Wife of His Son. And that is exactly what happened; for God has created by the last trump of God this message of glorified flesh and bones, a Wife for His Son, the Lord Jesus Christ. And we had to be part of the same special part of the Word that He was (and is) in order to join to Him in marriage. So we were with Him then (there in the beginning) just as we are now. But now it is a reality, for we His Wife are manifested in glorified flesh and bones.

When we look back, we see that the Apostle Paul spoke about the body of Christ and being members of the body of Christ. But in 96 A.D. God showed the Apostle *John* in a prophetic vision a furtherance of Word that Paul did not speak about, for John spoke about the Lamb's Wife in the Book of Revelation 19:7-8, saying, "*Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready. And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints.*" So here was a new group of people (the Lamb's Wife) being shown, which Paul stressed very little. Yes, Paul spoke about *the virgin*, and he *prophesied* about a marriage, for he said in the Book of 2 Corinthians 11:2-3, "For I am jealous over you with godly jealousy: for I have espoused you to one Husband, that I may present you as a chaste virgin to Christ (meaning the Lord Jesus Christ). But I fear, lest by any means, as the serpent beguiled Eve through his subtilty, so your minds should be corrupted from the simplicity that is in Christ." In other words, he was saying, "I fear as the serpent beguiled Eve that the same thing is going to happen here, because there are men among you right now just sitting and waiting for me to go (because God had already revealed to him that he would be going home); and as soon as I am gone, they will rise up and draw disciples after themselves." And that is exactly what happened. And that put the marriage way beyond the reach of any of those in that time period. And the marriage has been beyond the reach of anyone until this trumpet began to sound as shown in 1 Thessalonians 4:16, 1 Corinthians 15:51-52, and Revelation, Chapter 10. The trump of God brought all of this together. And that has brought us to where we are now. We have come through the time period where it was 'just being a member of the body of Christ' to 'being Christ the Wife of the Lamb.'

God's working of Revelation, Chapter 10, shows where Christ Jesus came back to earth in the form of a Mighty Angel, hiding Himself from all but His awaiting virgin bride. And this has already taken place and has been fulfilled. Notice, it was not the Lord Jesus Christ that came, but it was Christ Jesus coming in His fullness. So there is a difference. In Christ Jesus is found both the masculine and feminine parts or attributes of the Spirit. But there is the Lord Jesus Christ the King that sits on the throne in heaven, but He did not come to earth at the time that Revelation, Chapter 10, was being fulfilled, for that was a spiritual coming (Christ Jesus in His fullness), and He brought the saints (those spirits, spiritual bodies or tabernacles) with Him for the marriage. So they as well as we (who did not go to the grave) were married to the Lord Jesus Christ by a proxy marriage (the Christ Spirit being the proxy), thus making us the married Wife of the Lamb. And the Lord gave us the name *Christ the Wife of the Lamb*.

The great working of God through the Apostle Paul was engaging (espousing) the virgin to the Lord Jesus Christ, thus creating 'the body of Christ,' which had a language all its own, as did many parts of the workings of God in days gone by. They had their own revelational language (or terminology) that they spoke. But that language has now given way to the language that we are now speaking, which is putting life on the Wife's gospel of glorified flesh and bones. Yes, Paul prophesied some things that were only for us, the Wife, in our day; and we have picked up that Word and have put life on it, thus causing the Word he prophesied to be fulfilled in us, the Wife. And as the married Wife, God has given us a new and pure revelational language, and those things of the past do not fit in the Wife's gospel. And because of our new and pure language, our gospel is a great mystery to everyone that is

not part of the Wife, even though they may be Christians. Marriage is a great mystery that is only between Husband and Wife, the Lord Jesus Christ and His Christ Wife. So it took the masculine and feminine parts of the Christ Spirit coming together in marriage to produce a gospel of glorified flesh and bones. And that is what *created* us, Christ the Wife of the Lamb, glorified flesh and bones.

I have told this before, but it would be good to tell it again here. Sometime back a brother took some of my messages recorded on CD's and gave them to someone he worked with; and the man listened to the messages, and he said, "Ben does all right in his preaching, but I noticed he kept talking about the Wife, and he never did mention the church. I like to hear people preach about the church. That is what we are; we are the church, the body of Christ, but he talks about the Wife. I just do not understand the terminology that he is using and what he is talking about!" Well, that is certainly understandable, because we, Christ the Wife of the Lamb, are a predestinated group that was with Him in the beginning—for the Word says, "In the beginning was the Word, and the Word was with God, and the Word was God, and the Word was manifested in human flesh and bones." God sent the angel, Gabriel, and he spoke the Word to a virgin named Mary, and she became pregnant, and she brought forth a Word-child named Jesus. And this Word-child grew up to be a Word-Man. So it took a Word-People to unite with that Word-Man. And God waited for the uniting of us with the Lord Jesus Christ, not in the days before crucifixion, but afterward, when He came back from the dead so that He would have a glorified body, a glorified physical Word-body. He could walk, eat, and talk to the disciples; and He seemed to be as any ordinary man, and they knew not who He was. But when He broke the bread in a certain way, they recognized Him! It was the glorified Lord

Jesus Christ! And we were joined to Him in marriage and are glorified flesh and bones of His glorified flesh and bones! So there is bread (revelation) being broken in a certain way today that only the Wife recognizes.

Notice, that is why the man I spoke about earlier could not understand the CD's. He had never seen anyone break bread like that. He liked hearing someone talk about *the church*. He said, "Ben really preached good! He does all right. But I think he needs to tell about the church." Well, there are hundreds of thousands, even millions, telling about the church. And there are millions telling about the body of Christ; and it encompasses most all Christianity, especially of the Protestant brand. And in the realm of the Protestant religion, there is still 'the body of Christ,' or 'the body of believers,' meaning everyone that professes to know the Lord; and they say, "I am a member of the body of Christ." Well, in times gone by that was a good-fitting thing to say, for it was only a spiritual body before this time of a moment of the twinkling of an eye. But the body of Christ that was the true virgin heard and received this last trump of God message and was married to the Lord Jesus Christ and became the Queen of the Lord Jesus Christ our King. That is where we are at today, and we have the Word after marriage that is of and to Christ the Wife of the Lamb. So we are not reluctant to say, "I am a member of the Wife of the Lamb," or "We are the Wife of the Lamb," or "We are Christ the Wife of the Lamb." Well, that is who we are; and it was God's purpose that we came into the world.

A few weeks back I preached a message called *For This Purpose Came I Into the World*, showing that the Lord Jesus Christ came as the King, and for the same purpose, we the Wife came into the world as the Queen, bone of His bones and flesh of His flesh. And that is of His *glorified* flesh and bones. That is why we were not joined to Him until after

His glorification. And as His glorified Wife, we are giving witness here in the earth, for we are giving glory to Him as He is glorifying us. We are speaking a new and pure language as His Queen in the earth. And we are rejoicing, dressed in fine linen, clean and white, which is the righteousness of the fullness of the faith of Christ, showing that death has no power over us, for we wear the crown of life.

All of this came about and was brought together because of my commission of the last trump of God that made the connection between the Word for the virgin and the Word for the Wife; and we the Wife have been set apart from all others for the glory of the Lord. And together with the saints who have come back among us, we have pleasure in this Word of glorified flesh and bones after marriage, which has never been heard nor seen before. So I am preaching the gospel of glorified flesh and bones that is of and to the Wife, not the virgin; for the virgin stage developed and came to the place where the virgin married, and now we are Christ the Wife of the Lamb. That means we are now glorified flesh and bones of His glorified flesh and bones. That means we are furnishing a physical body of glorified flesh and bones in which the feminine part of the Christ Spirit has a permanent dwelling place, thus making us the physical Queen of the physical King of all the earth.

We give praise to the Lord for everything that He is doing for us and for the glorification of our mortal bodies, for He has created us the Wife in glorified flesh and bones. When we were joined to Him in marriage, we became the same as He is, with the exception that He is showing the masculine part of the Godhead while we (His Queen Wife) are showing the feminine part of the Godhead. At marriage we began taking on our glorification in this physical body so that we could furnish the feminine part of the Christ Spirit a physical body of glorified flesh and

bones as the physical Queen of the great King. And that is what has been taking place. And we love Him for this wonderful time that He has brought us into and the great things that we are hearing and seeing.

We know that Christ has always been Spirit. And when Jesus was baptized by John the Baptist, God's Christ (which contained both the masculine and feminine attributes) came into Him, and He was given the Spirit without measure. So the Christ Spirit came into the man Jesus and solidified in Him, thus taking on a permanent dwelling place—and now Jesus was Jesus the Christ, and in Him dwelled the fullness of the Godhead bodily, both the masculine and the feminine parts of the Christ Spirit. And He came forth in the full power of Christ, showing forth the Father. And the message He brought went beyond anything that mankind and the religious world at that time had ever seen or heard. They were not comfortable with what He was saying and doing, and they actually went about to kill Him. Needless to say, many people did not recognize who He was; but there were those that were the predestinated of God that knew by revelation who He was, and they gladly received Him.

Today we (Christ the Wife of the Lamb) have a gospel that has gone beyond what the church world is comfortable with; because we are saying, "We are glorified flesh and bones of His glorified flesh and bones," and "We are Christ the Wife of the Lamb," and the church world is not comfortable with that terminology. If we say, "I am a member of the body of Christ," okay, most everyone will go along with that. But we have taken it further than that, and they cannot understand what we are saying. We have gone from being members of the body of Christ to being Christ the Wife of the Lamb. So *we* have the fullness of Christ; we are furnishing a physical body of glorified flesh and bones for the feminine part of the Christ Spirit to

dwell in, for She solidified in us, thus taking on a permanent dwelling (resting) place for all eternity.

As we the Wife have taken the gospel beyond what our forefathers had, people who are not a part of our gospel do not understand. Yes, in days gone by we received what our forefathers had, but we did not stop there; we kept on pushing it forward. And since the gospel developed into the Wife, then it is not just dealing with members of the body of Christ, but it is dealing with a group of people that are Christ the Wife of the Lamb, who are glorified flesh and bones of the Lord Jesus Christ's glorified flesh and bones. A marriage took place, and we became the Queen. He is the King, and we are the Queen. We are a group of people that are isolated and different from all. We were set apart for the pleasure of the Lord. He has given us a glory that excelleth beyond all others, and it is the glory of Christ the Wife of the Lamb. And we were there with Him in the beginning in the sense of being created from the same special part of the Word that the Son of God was created from. We are exactly the same thing. And He is a glorified Word-Person who can walk around in the natural realm. And now, so is Christ the Wife of the Lamb. And the power of God is in us, and it is in us in such a way—it is by revelation. Sometimes we will say some of the strangest things, and it will be exactly revelation.

Here, I want to tell about a dream my wife, Barbarajean, had one morning this past week. She helps me in doing our books, and many times she will listen to composed meditative music that is streamed live on one of the internet channels while she is working. It is instrumental music; there are no words with it. And the channel she listens to is that of a composer that is from Spain, and his music has a very soothing, peaceful, and prayerful sound. And on the right side of the computer screen, people that

are subscribers to that channel can send greetings and post little notes about how they like the music. And their posts are in the Spanish language. And although she is not a subscriber, she can still listen to the music, and every now and then while working, she will glance up and see them posting their notes. So in the dream, she was working in her office at her computer, and she was listening to this live streaming channel of music while typing. And she just happened to glance up at the little section where the people were posting their notes, when suddenly there popped up a note at the very top, which was written in English; and to her amazement it said—"HELLO, MY NAME IS DALLAS MILLER. I AM IN NEED OF PRAYER. MY CONDITION IS VERY SERIOUS." And immediately she woke up, wide awake! I had already gotten up and was getting dressed, and she said to me, "I had a dream," and proceeded to tell me about it. Dallas Miller is a brother in the Lord that lives in Bluefield, West Virginia. We had not talked to him for quite a while. So after the dream we called him. His wife answered the phone and put the call on speakerphone so that both Dallas and she could hear. We told them the reason for our call was that Barbarajean had a dream about Dallas, and that the Lord had told us that he was in need of prayer. Then Dallas told us that he had been sick for three days with fluid build up, and they had given him medication that actually made it worse. So he was really having a hard time, feeling very weak; and along with that, he battles Parkinson's disease. So we praise the Lord for giving Barbarajean that visionary dream. At first, Dallas' wife did not understand that Barbarajean had seen that in a visionary dream, and she said, "Dallas did not post anything on the internet that he was in need of prayer." But then she realized it was a dream and that it was the work of the Lord. And they both rejoiced as we prayed for Dallas by revelation from

the Lord. Amen.

See, our Lord does these things. He is just as real as can be! We are not lacking in power. We are not lacking in revelation. We are not lacking in the things that God is doing. We are enjoying them and going forth in the full power of Christ the Wife of the Lamb. And I thank Him that He is letting me minister His Word that is of and to the Wife after marriage, and letting me feel His power, and letting me see with my own eyes the great things that He is doing, things that are totally undeniable that is taking place today.

Again, Revelation 19:7-8 says, *"Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife (already Wife now) hath made herself ready."* This was already a finished work that John was seeing. He was not seeing it in the making so much, but he was seeing it finished. It was finished—"The Wife of the Lamb." But then he said in the next verse, *"And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of (these) saints."* And what John saw is now fulfilled in us, for we are the Lamb's Wife that is dressed in fine linen, clean and white, showing forth the righteousness that came by our marriage to the Lord Jesus Christ the Lamb of God, which is the righteousness that is of the fullness of the faith of Christ.

Yes, there is a church world out there, and they call themselves the body of Christ, or the bride, and whatever they want to call themselves. The Lord Jesus Christ has blessed them and saved many of them; but the antichrist spirit is working in the midst of that type of Christianity. But there will be a message in that great tribulation period that will come forth, starting in the middle of the 70th Week of Daniel, and the earth will be lightened with the glory of God. And 144,000 Jewish ministers will take a message forth that is shown in Revelation, Chapters 7 and

14-18, that will bring deliverance to those that belong to God. And many will give their lives for their stand in the gospel of the Lord Jesus Christ that will be going forth at that time. God always makes a way for those that belong to Him! But we, Christ the Wife of the Lamb, will have already been caught away (raptured) from this earth to be with our Lord Jesus Christ before all of that takes place.

Notice again our title, "We Have Gone From Being Members of the Body of Christ to Being Christ the Wife of the Lamb." And we are rejoicing in the fact that we are the Wife of the Lord Jesus Christ. Even John, who was not part of the Wife but was of the Jewish realm, when he saw us, he had never seen anything so beautiful—for here was a Woman dressed in fine linen, clean and white, with the glory of God all around Her! That shows how the Jews are going to feel about us, the Wife of the Lamb. We are going to be there in Jerusalem with our King and Husband, the Lord Jesus Christ, who is going to sit on His throne. And He is not only our King and Husband, but He is the King of all the earth! But He is *our* Husband. We are His Wife. We are the Queen, and He is the King! And we are rejoicing in the Lord and in the name He gave us—Christ the Wife of the Lamb!

O' precious Father, thank you for the privilege that you have granted me to speak about the Word of God that is of and to the Wife of the Lamb. May you take these words and use them for your glory, and surely they will bless the Wife and bring further enlightenment to us, for you have put the glory of the Lord upon this message. Blessed be our Lord Jesus Christ. Amen.

THE SECOND STAGE OF THE WORD MADE FLESH

Today I want to read in the Book of John, Chapter 1, Verse 1 and also Verse 14, and here is where John gave witness of the first stage of the Word made flesh. And there was not only a first stage, but there was a second stage of the Word made flesh. And that is where I want to get my title, *The Second Stage of the Word Made Flesh*.

We see the first stage of the Word made flesh coming into being when an angel came (the angel Gabriel that stands before God) and told a virgin named Mary, "You have found favor with God. You shall conceive in your womb and bring forth a Son, and you shall call His name JESUS. He shall be great, and shall be called the Son of the Highest: and the Lord God shall give unto Him the throne of His father David. And He shall reign over the house of Jacob forever; and of His Kingdom there shall be no end." The point being is the Word that was with God was brought down from heaven to Mary and was made flesh. And as Jesus grew up, He became a good carpenter. He was a good man. But He was not a preacher. At this point in His life, although He read the Word of God, and He knew the scriptures, God had not anointed Him yet. But the anointing came, as shown in the Book of Matthew, Chapter 3, when Jesus being about thirty years old came to John the Baptist to be baptized. And when Jesus was baptized, He went up straightway out of the water, and the heavens were opened unto Him, and the Spirit of God descended like a dove and lighted upon Him. And a Voice from heaven said, "This is my beloved Son, in whom I am well pleased." So now here was the anointed Son of God, but He was not glorified yet. He was still a man that was subject to death—but He did not have to die, because He

could have called twelve legions of angels and saved Himself. But He came to die for His Wife and the whole family of God to save us all from sin; and that is exactly what He did. Then when we see Him again, *after* death, burial, and resurrection, He was in the second stage of the Word made flesh—and that was glorified flesh and bones. He was no longer subject to death, nor sickness, nor anything of that nature. Praise God, He was glorified! The very one that once walked around here for thirty-three years or so in *unglorified* Word flesh and bones was walking now in *glorified* Word flesh and bones, which again, was after resurrection.

When we look back to the first stage of the Word made flesh, there were some silent years that we hear very little about, which was between the time Jesus was about twelve years old in the temple and Him being baptized by John. In Luke, Chapter 2, it says that as a child, Jesus grew and waxed strong in spirit. He was filled with wisdom, and the grace of God was upon Him. Moreover, here at twelve years old, we find Him in the temple at Jerusalem, sitting in the midst of the doctors, both hearing them and asking them questions. And everyone that heard Him were astonished at His understanding and answers. After this, we do not hear much about Him until the time of His baptism by John and Him being anointed of God; for He received the Spirit (Christ) without measure. Then after His anointing, He was led by the Spirit into the wilderness to be tempted of the devil. And for forty days and nights He did not eat; He fasted and sought God. And every time the devil tried to trip Him up, He overcame him. And when the temptations were ended, He went forth full of the Spirit and began to preach and do many mighty miracles. He began to talk about God His Father, and *that* made the religious Jews very upset, and they went about to kill Him. He preached for about three and a half years,

and He was still in the flesh that He was born with. It was not glorified yet, but He had *the fullness of the Christ Spirit* (which was both the masculine and feminine attributes) in Him. He was now God's anointed Word, and only then did He go forth ministering. He went through many temptations and trials. And we would think, in our normal human thinking, that once He was filled with God's Spirit (Christ without measure), that He would have an easy time the rest of the way and that He could coast in from there. But, no, that is not the way it was. That is when He went through His worst temptations. The devil tried to kill Him. He tried to get Him to jump off the temple. And he tried to get Him to turn stones to bread. And the Bible says, "He was tempted in all points like as we are, yet without sin." So that was the anointed Word made flesh in the first stage of His life. But during His second stage is where *we* came into the picture. That is where *we* were joined to Him. He did not marry us, His Wife, in that first stage. The Lord Jesus Christ waited until He became the glorified flesh and bones Word to take a Wife. Thus, we were joined to Him in marriage and became part of our Lord Jesus Christ in the second stage of His Word body of glorified flesh and bones.

Now, with that being said, we see that it was several years after the Lord Jesus Christ's resurrection that God began the process of getting a Wife for His Son by raising up the Apostle Paul with a message that espoused a virgin to the Lord Jesus Christ; and she was to later be married to Him. So Paul prophesied about a marriage, but it did not take place then. The virgin in that day did not get married. And we see why in the Book of 2 Corinthians 11:2-3, which shows that the virgin did just as Eve did in the Garden of Eden, for she was beguiled from the simplicity of the gospel that Paul was preaching. So the marriage did not take place in that time period, for God let the virgin go into the church ages, and their bodies went to

the grave. But their souls went into that spiritual building of God in heaven as Paul related in 2 Corinthians 5:1. But when Christ Jesus came in the fullness of His Spirit as the Mighty Angel, shown in Revelation, Chapter 10, the spirits (spiritual bodies) of those virgin saints that Paul preached to in that day and those of the church ages that were to be part of the Wife came back with Him to take on glorified flesh and bones by the hearing of the last trump of God. And we saw the fulfillment of Revelation, Chapter 10, for it was fulfilled in *our* day, for they along with us were married to the Lord Jesus Christ.

The Book of Revelation was written approximately thirty years after Paul went home. And no marriage had taken place up to that time. The Wife-to-be was just espoused. But as said earlier, Christ Jesus came in the fullness of His Spirit as the Mighty Angel (as shown in Revelation, Chapter 10, and as 1 Thessalonians 4:14 confirms), which was after the church ages were over, and here is where He took a Wife; and we are bone of His glorified bones and flesh of His glorified flesh. In other words, our flesh is glorified like His is because we were not joined to the Lord Jesus Christ in the first stage of the Word made flesh, but in the second stage. As said earlier, the first stage of the Word made flesh was before resurrection, before He received a glorified body. But we were joined (united) to Him in marriage only *after* the church ages had run their course, because it was after the church ages were over that the fullness of Christ came, shown in Revelation, Chapter 10. And when we were married, we were joined to the *glorified* Lord Jesus Christ.

Prior to the glorification of our Lord Jesus Christ, He had perfect human flesh in the sense of what God wanted in humanity. But God let Him go through certain trials, and afterwards, He even went through death (which He would not have had to go through just for Himself, but

had He not, then we would have had to die). So in the Garden of Gethsemane when death came calling for Him, He resisted (refused to accept) death, and He overcame death. He could overcome because He was a sinless human being and sin is what caused death from the beginning. So death had nothing here to work with in the Son of God who was sinless. But all other parts of God's family were sinners by inheriting a sinful nature. So a dilemma had presented itself to our Lord Jesus Christ. He was the only one that was qualified to redeem and claim God's family and the earth in which we live. He was the only one that could give eternal life. So He prayed to God His Father saying, "Father, if thou be willing, remove this cup from me: nevertheless not my will, but thine, be done." And being in agony, He prayed more earnestly, and His sweat was as it were great drops of blood falling down to the ground. So He gave His life as full payment for this great redemption, and He died for His Wife and for all of God's wonderful family. We, His Wife, would not have been able to make that crossing from regular human flesh and bones to *glorified* human flesh and bones without dying if not for the Lamb of God dying to settle any and all debts that was against us, the true virgin that has now become His Wife. For we the Wife were in the Christ Spirit from the beginning, expressing the feminine attributes. We could not have crossed that chasm, so He died to make a way, and we are so thankful. And we do not only see the first stage of the Word made flesh there on the cross, but we see the second stage of the Word made flesh after resurrection, which is glorified flesh and bones. And that is what we are dealing with today.

Now let us read John 1:1. It says, "*In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God.*" Now, that is what God had in His mind (His thoughts). And to Him it was

just as real as it had already happened. But here in Verse 14, it shows that this special part of the Word that was with God in the beginning came into the flesh and bone realm, saying, "*And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.*" See, this was the first stage of the Word made flesh; and it was tangible. It was real. But after resurrection, the Lord Jesus Christ was in His second stage of the Word made flesh. And this was real and tangible *glorified* flesh and bones. And this is where we were joined to Him in marriage. And that is what the Word of God has become to us, tangible glorified flesh and bones. The Word says in Revelation 19:7:8, 'the Wife of the Lamb has made Herself ready;' meaning we are bone of His glorified bones and flesh of His glorified flesh. We became one with Him.

Yes, at one time we were *unglorified* Word human flesh, but something happened. The Lord made a way for our flesh to be glorified. That is so clear and is shown in the Book of 1 Corinthians 15:51-52, which is the Wife's gospel of the creative working of the last trump of God. This creative working is the glorifying of human flesh, and it was initiated by the last trumpet of God, which joined us to the Lord Jesus Christ, bone of His glorified bones and flesh of His glorified flesh, thus making us one with Him in marriage. And that is what we have experienced right here in this time that we are living in. Hence comes the title—*The Second Stage of the Word Made Flesh*. That is when we were married—not in the first stage. It was in the second stage of the Lord Jesus Christ's glorified flesh and bones that we were joined to Him in marriage, thus making us one with our Lord Jesus Christ, who now is our Husband and King.

When the Lord Jesus Christ came forth from the grave,

that began another stage of His life. In this stage, He could appear in a room, "the doors being shut." And when He appeared in the room where the apostles were at, He said, "Peace be unto you." They were frightened and in doubt at the same time, for they supposed they were seeing a spirit. And He said unto them, "Why are ye troubled? And why do thoughts arise in your hearts? Behold my hands and my feet, that it is I myself: handle me, and see; for a spirit hath not flesh and bones, as ye see me have." And when He had thus spoken, He showed them His hands and His feet. And while they yet believed not for joy, and wondered, He said unto them, "Have ye here any meat?" And they gave Him a piece of a broiled fish, and of an honeycomb. Notice, the Bible says, "He appeared in the room, the doors being shut." Well, that is the second stage of the Word made flesh. In the second stage of the Word made flesh, we can do that!

The saints of God that came back with Christ Jesus shown in 1 Thessalonians 4:14 have been hearing this trumpet message, and it has been creating glorified flesh and bones on them while it has been changing our bodies *into* glorified flesh and bones. So all of this is taking place right before our eyes as the glory of God is falling all around us!

So the second stage of the Word made flesh is what we have been partaking of *after* marriage, not before, not in espousal. The virgin was espoused in the days of Paul before God took him off the scene. But John saw us in a visionary scene about thirty years *after* Paul was taken off the scene. And John said, "The Wife hath made Herself ready." And we find in the Book of Ephesians 5:30-32 that this prophecy has come to life in us, for we are bone of His glorified bones and flesh of His glorified flesh. So that 'glorified flesh and bones' has been passed on to us, His Wife. Our marriage is a great mystery to all that is not part of it, for it was by a proxy marriage that we were mar-

ried to the Lord Jesus Christ by this trumpet message. And we are rejoicing in this Word of glorified flesh and bones after marriage!

In the days when Paul preached his espousal message, there came a new creation shown in Ephesians, Chapter 2. And this creation was different from the regular way of creating a family. For here it did not re-create human flesh, but it put together a group of people and created a spiritual body, and it was neither Jew nor Gentile, or both Jew *and* Gentile. Either way is correct—neither Jew nor Gentile, or both Jew *and* Gentile; for Paul's message took from two groups of people and made one group of people. They were made one by Paul's message, and they became the virgin for that time (the spiritual body of Christ). But it had not come to what we are looking at now. For what we see now is not just spiritual members of the body of Christ, but Christ the Wife of the Lamb in glorified flesh and bones; for our physical flesh and bone bodies as members of the Wife have been taking on glorification, thus creating a tangible glorified body for the feminine part of the Christ Spirit to have a permanent dwelling place for all eternity as the Wife Queen of our King Jesus Christ.

Notice, now we are seeing something brand new here in the earth. And it came by this trumpet message. And this trumpet message finishes the job. This message has to do with glorified flesh and bones. After the Lord Jesus Christ was glorified, He did things that He could not do before He was glorified. And 'our Lord *after* glorification' is what we are joined to. We were not joined to the first stage of Word in human flesh, but to the second stage of Word in *glorified* human flesh. That is what we are joined to. He did not join us to Himself in marriage *before* resurrection. He did not join us in that earlier time, but only here at the end time, at the time the marriage took place. We were

joined to Him in marriage, and we are living in this time of glorification that is now taking place!

Notice again, we were joined to that second stage of the Word made flesh, not the first stage, but the second stage. And the second stage is when the Lord Jesus Christ was glorified. So that makes a big difference in the plan of salvation in this time that we are living in. We are joined to glorified flesh and bones! A marriage has taken place; therefore, we do not just say, "We are the church," or "We are the body of Christ," or "We are the bride," but we are saying freely and knowingly and with all confidence, "We are Christ the Wife of the Lamb." And the Lamb has glorified flesh and bones! So all these things are so wonderfully laid out here in this Word that is of and to the Wife after marriage, and we are continually being enlightened in revelation about the things that are included in our marriage and all the benefits that come along with it.

Many things are going on in the world today, but we the Wife are a people that are not fearful; whatever will be, will be, whatever God has ordained. And fear from the enemy does not come near us. We are in God's provision. He is taking care of us. He has taken away all worry. So we are not anxious. He has taken all of those things out of our minds. See, we do not meditate on those things. We have the mind of Christ, and it is not the mind of Christ in espousal, but it is the mind of Christ in marriage, and we know that we are joined to glorified flesh and bones! Hallelujah! We are walking with Him and giving glory to Him as He is glorifying us. We are glorying in our glorified flesh and bones, for we are joined to the second stage of the Word made flesh, and we the Wife are sounding forth the Voice of the trumpet of God, which is causing our mortal bodies to take on glorification. So this trumpet message has changed us, not to the first stage of the Word made flesh (which was Jesus Christ in His

earthly walk before resurrection), because He was not glorified flesh and bones then, but now we have been changed to the second stage that has brought us glorified flesh and bones. Yes, the first stage of the Word made flesh was wonderful. But it was after resurrection that He was in His glorified body, and He could be sitting here talking to you, and you look around, "Where did He go?" And at this time it is the same thing with the glorified saints; for this applies to all the saints that are part of the Wife of the Lamb. So I am not just talking about us, but also the saints that came with Christ Jesus when He came (1 Thessalonians 4:14 and Revelation, Chapter 10). This trumpet message is what caused the Wife of the Lamb to receive the promise of glorification for our bodies; and here I am speaking of all of us who were joined to the Lord Jesus Christ, who now have glorified flesh and bones.

Notice, because we are joined to glorified flesh and bones, God has given us the revelational knowledge to recognize that many of the churches out there have many of God's children in them who love Him and have good hearts, but they do not know that they are in an antichrist religious system. It is like the man that fell into the hands of thieves: There was a religious system, a hypocritical religious system, who saw him and walked over to the other side of the road and went on. But there was a man that came by that had a good heart, and he was not necessarily part of the Wife of the Lamb, but he was just a good man, a good Samaritan. He stopped and helped the man. He took him to an inn, paid the innkeeper, and said, "Take good care of him. I am going to be coming back this way. If he needs anything else, give it to him, and I will repay you when I return." See, there is a realm of people with that kind of goodness. But we the Wife are joined to the *second stage* of the Word made flesh. We are those that death has already been destroyed for, as shown in 1

Corinthians 15:26, "The last enemy that shall be destroyed is death." As far as the Wife is concerned, death is *already* destroyed. But death *will be* destroyed for the rest of God's people at the end of the tribulation period. And then at the beginning of the millennium, the devil and death will be bound. Death will only be used in such cases when someone will not go with God's ways. Then at the end of the millennial reign, there will be no more death, for it will be destroyed for the mortal people that go into eternity. And we as the Wife have full understanding of this, so we do not worry about those promises to the other part of God's plan in any manner, for He will see that they get the promises that are made to them at the time they are supposed to be received. Amen.

We are Christ the Wife of the Lamb, and we have gotten to where we are supposed to be. And this is the time that we are supposed to be here. And here we are! And there is a trumpet sounding at this time through us. This Voice is in Christ the Wife of the Lamb, and we are talking to each other about glorified flesh and bones. Hallelujah! And I feel good today! I feel that glorified flesh and bones taking place in this body! Hallelujah! And the reason it is, I am *joined* to glorified flesh and bones. Yes, we have had Jesus in a certain manner, in a certain level in days gone by; for in the first stage, as a virgin, our soul was redeemed when we accepted Jesus as our Lord and Savior, and His death on the cross was full payment for our sin. But we have received and were joined to the second stage of the Lord Jesus Christ, which is Him glorified, which has redeemed *our body* while yet living! So we are now married to Him; He is our Husband and King! So when Christ Jesus came down, shown in Revelation, Chapter 10, and the marriage took place, that made us, along with those saints that He brought with Him, part of the Godhead, for the feminine part of the Godhead came into plain view as

we together became the Wife of the Lord Jesus Christ.

So the attributes that were in God before the world was, the masculine and feminine, He brought those attributes into perfection within us, Christ the Wife of the Lamb. And now the intimate communication is going on between Husband and Wife after marriage, and we are bringing forth and producing as God would have us to produce. And we are fellowshiping one with the other. And no man dare join himself to us; meaning others cannot get to where we are at, for it takes predestination and divine revelation. It takes being joined to the Lord Jesus Christ in marriage to be part of the Wife of the Lamb. We the Wife have been joined to Him, and He is glorified flesh and bones, thus making us glorified flesh and bones. And we have a glorified mind, which is the mind of Christ in marriage. We have the attributes of both masculine and feminine parts of the Christ Spirit as the Wife of our great Husband and King, the Lord Jesus Christ, and we communicate one with the other. And we are bringing forth and producing exactly what God has ordained. Amen.

Again, we were joined to the second stage of the Word made flesh—not the first stage, but the second stage. In that second stage is glorified flesh and bones, which took place after resurrection. So our being joined to the second stage of the Word made flesh brought glorification to us, the Wife of the Lamb.

This message today, "The Second Stage of the Word Made Flesh," is sent of the Lord, and when something is sent of the Lord, it completely clears everything up and makes this Word sound so good. It is like when I was growing up; many times we would not have salt or soda to go into the cornbread. Well, it was cornbread, but it needed those ingredients to make it taste good. And with the right amount of salt and soda, then we had something good to eat—corn pone! So we praise the Lord for show-

ing us that we are joined to the second stage of the Word made flesh.

O' Father, we thank you and praise you, and we love you. And I pray that you will take these words and use them for your glory, in the name of our Lord Jesus Christ. Amen.
