CHRIST THE WIFE OF THE LAMB'S MESSAGE HAS NO DEATH IN IT

O' This Wonderful Way of the Lord!

We thank God for the *living* Word of God that is being fulfilled in this moment of the twinkling of an eye. There is the letter of the Word; and the letter of the Word is a permanent record of Word that was at one time spoken (spoken by the anointing—'Spoken Word'), which may not necessarily be taking place at the present moment, but can be. For the Spoken Word is present-tense Word, and when the Spoken Word is put in print, then it is present-tense written Word (or letter), which is also present-tense *living* Word for those that are by predestination a part of it when its time has come to be fulfilled. So written or Spoken, the Word must be present-tense *living* Word in order to give life. So we praise God and thank Him for the wonders that He is performing. And when we talk about the wonders that the Lord *has* performed, we see the great things that He has done over the years, including the fact that He has given us this message of the last trump of God, and He has kept us moving forward in the things that He has for us. And it did not start from a denomination, nor from following any certain individual or anything like that, but it has been something that God has done by His Spirit, and He is still doing it, and we are rejoicing in this wonderful way of the Lord that was created by our marriage to the Lord Jesus Christ, which has produced a group of people without any death in them.

Today I want to bring a message called *Christ The Wife of the Lamb's Message Has No Death in It*. And I want to subtitle it, *O' This Wonderful Way of the Lord!* I want to read one verse of scripture in the Book of 1 Corinthians 15:26. It says, "*The last enemy that shall be destroyed is death.*" And I want you to notice it is not 'the last enemy that shall be *conquered*,' but it is the last enemy that shall be *destroyed*. And death has already been destroyed for *us*, the Wife of the Lamb, and it will later be destroyed for all of God's family as they fulfill their part of the plan of God before the world goes into eternity.

In glancing back before the beginning of the human family, and before sin came into the picture, there was no death. But because of sin, death came into the picture and was given a life of its own. And since that time, it has had a claim on all humanity—*until* a greater law came and overrode it for 'us,' the Wife of the Lamb. So today we the Wife are not under that law of sin and death on the body, but another law (the law of life) has come into our members, into our flesh and bones, because we were married to the Lord Jesus Christ. Therefore, death has no power over us.

God set a pattern that was first shown in the Book of Genesis 1:27, which says, "So God created man in His own image, **in the image of God created He him; male and female created He *them*.**" Here, all of that *them* was spirit (which were the masculine and feminine attributes that were in God). Then God created a body for Adam, and He put that *them* into him. So here was a man that had both the masculine and feminine attributes in him for quite a while; for it was quite a bit later that God created Adam a helpmeet by taking a rib from him and creating a body for

Eve, Adam's wife. And then He separated out the feminine attributes of that *them* of Adam's spirit and put them into Eve. And here we see that God used this same pattern of that *them* with the Lord Jesus Christ and His Christ Wife. For He put that *them* in Jesus, making Him the Lord Jesus Christ, and later on He took that feminine part of that *them* out of the Lord Jesus Christ and put it in us, a body that was prepared to receive Her, thus making us His glorified Christ Wife in the earth as the masculine and feminine parts of the Spirit came together in marriage.

When Jesus was baptized by John the Baptist, the Bible says, "The heavens opened unto him and John saw the Spirit of God descending in the form of a dove and lighting upon Jesus, and God said, "This is my beloved Son in whom I am well pleased." And God gave the Christ Spirit to Jesus, His Son, without measure, thus making Jesus become the Christ, for all of that *them* came into Him (for the Christ Spirit contained both the masculine and feminine parts or attributes of God). Henceforth, all of that *them* was in the Lord Jesus Christ. Then after He was crucified and resurrected from the dead, He came forth in glorified flesh and bones—and that glorified flesh and bones cannot die. Likewise, death cannot have power over *us*, Christ the Wife of the Lamb, for we are joined to His very own glorified flesh and bones, thus making us the same.

This revelation of being glorified flesh and bones of His glorified flesh and bones shows the law of life has overridden the law of sin and death. And that is what brought on the message, *We are Not Carrying a Cross, But We Are Wearing a Crown of Glory*, which I preached sometime back, showing that we laid our cross down and

put on our crown when our marriage took place to the Lord Jesus Christ. Notice, when the Lord Jesus Christ walked here, He said, "Take up your cross and follow me." Well, that was Word for a certain time period that we came through, and we were doing that. But then it came time (after He chose His Wife and the marriage took place) that we laid down the cross and put on the crown. And that is the crown of life! And death cannot touch us, for we are wearing the crown of life and are dressed in fine linen, clean and white.

We are a people, Christ the Wife of the Lamb, who is dressed in fine linen, clean and white, while all other saints of God are dressed in white robes. And they are good people, fine people, and they would not have on the white robes if they were not. But being Christ the Wife of the Lamb, we are a very part of the Lord Jesus Christ, glorified flesh and bones of His glorified flesh and bones; and death has no power over us. We have already put on the crown of life, so we do not have to go to the grave. Paul said, "There is laid up for me a crown of life, and not only for me, but for those that love His appearing." And He has appeared, glory to God! And now Paul as well as the other saints have their crown of life and are part of Christ the Wife of the Lamb.

Notice our title again, *Christ the Wife of the Lamb's Message Has No Death in It*. And because our message has no death in it, it excelleth in glory as God has revealed more and more to us; for God sent this last trump of God, which is the Wife's message of glorified flesh and bones. And our being Christ the Wife of the Lamb, we are separate from all other Christianity, and death has already been destroyed for us. But many saints in the other realms of Christianity

will overcome death by giving their lives, for they are in that antichrist religious system. So there are people in there that are born of God, that want to do what is right, and they love the Lord. But as far as receiving by revelation this last trump of God message that is of and to the Wife of the Lamb, it is not for them, so naturally they cannot understand it. But when we the Wife are talking to one another, echoing it to one another, we understand perfectly.

We know that Christianity in general, those that are real Christians, will be clothed in white robes. And the white robes are for people that are good people that are born again and serve God in that particular order of saints. The fact is, in the great tribulation period, there will be a time when they will actually embrace death. In Revelation 12:11 it says 'they overcome the devil by the blood of the Lamb, and by the word of their testimony,' and 'they loved not their lives unto death.' That is how they overcome. The devil says, "I am going to get you." And they will say, "No, you can kill me, but you cannot get me!" And many will be put to death. There will be a bloodbath of Christianity, while we, Christ the Wife of the Lamb, who are dressed in fine linen, clean and white, will have already been taken out of this earth in the rapture. But soon after this, we will come back with our King and Husband, the Lord Jesus Christ, and we will reign with Him for a thousand years (millennium) here on earth, which is before the great white throne judgment takes place. And then all of God's family, including the mortal, natural people and the earth, will go into eternity.

Notice, after the tribulation period, coming up to the beginning of the millennium, the Word of God says that

man will be more precious than pure gold. In other words, there will not be many people that live through that great destruction. But there will be enough survivors; and the Lord will gather them together before Him from the different countries, and He will separate them as the sheep from the goats. (Matthew, Chapter 25) And the goat people will be destroyed right on the spot. But the sheep people, who have the nature of believing in God's moral laws, will go into the millennium to repopulate the earth; and the earth will be cleaned up. God will have a people that are born and raised during this time, and they will not die because death is bound with the devil for that thousand year period. But notice! At the end of the millennium, the devil will be loosed, and so will death. And chaos will start all over again, the same old chaos that we see now, maybe not to the extent that we see it in the world today, but Satan will get a group of people together to overthrow the Kingdom of God; and when they try to do that, there will be divine intervention from God, for He will send fire down from heaven and destroy them all. But those that stayed faithful to God will go into eternity to live forever as mortal, natural people.

God has a great plan, and we thank Him that He has shown us there are many different parts of His plan, and there has been different callings for His people throughout time. And we thank God we are part of those who were born to be the Wife of the Lamb, for we came into this last trump of God message that was sent specifically to us for our glorification. And the point is, we the Wife of the Lamb were that to begin with. So we are not running after everything that makes a noise, because we are the Word of glorified flesh and bones, wearing the crown of life,

dressed in fine linen, clean and white, and death has no power at all over us.

Notice, in our being dressed in fine linen, clean and white, death is eliminated altogether for us, Christ the Wife of the Lamb. So now (at present) death is destroyed—but '*only* in the Wife of the Lamb.' The tribulation saints that have white robes on, they willingly give their lives, for they go to their death for their stand for the Word of God and their testimony of Jesus Christ. But instead of us giving our lives, we resisted and rejected death and *embraced* life eternal while yet living in our mortal bodies. We have a message (the last trump of God) that destroyed death for us; therefore, it has no effect on us. If someone or something tries to pour death on our message of the last trump of God, it will just run right off; it cannot stick. It has no power. But, again, this only applies to us, Christ the Wife of the Lamb, because we are glorified flesh and bones of the Lord Jesus Christ's glorified flesh and bones; we are part of the Godhead. We were ordained that from the foundation of the world. And when I say *we*, I am talking about us, the Wife, the one that is wearing the crown of life, dressed in fine linen, clean and white. And to *us*, death has no dominion whatsoever over us; it cannot have anything to do with us. And we are the only group of saints that this can be said about.

Again, 1 Corinthians 15:26 says, "The last enemy that shall be destroyed is death." Death *is now* destroyed for us, Christ the Wife of the Lamb, for we are in the realm of fine linen, clean and white. But then, when that scripture passes on to the other groups of Christianity that are born of God, then it gets into the realm of white robes. And when it gets into the realm of white robes, many will give

their lives for the gospel of the Lord Jesus Christ that is going forth during that time, and they will be put to death for it—"They love not their lives unto death." In other words, they did not resist death, but they embraced it; and they relish the fact that they are going to die for the Word. And you might say, "That is terrible, Brother Ben." Not if you look at it from the standpoint of being in the great tribulation with all they are going through and the shape the world will be in. They would rather give their lives and go on by the way of death than to go along with the antichrist and his religious system. So they go with the Lord Jesus Christ and give their lives willingly. But thank God here is a people *today*, Christ the Wife of the Lamb, who is rejoicing and is dressed in fine linen, clean and white, showing that death has already been destroyed for us. It is a time of rejoicing and making melody to the Lord. This is a time when we see death has passed away and has no power over us! So we are here today rejoicing! We do not fear the future because we *are* the future. I am talking in the realm of the Wife, not the world, not other Christianity; but in the realm of the Wife of the Lamb, we are rejoicing in this wonderful way of the Lord. And we know that soon we will be caught away from this earth in the rapture.

Over time, this last trump of God message has grown and developed, and it has gone all over the world, and we are part of it. It is of and to the Wife of the Lamb, but it also shows those that are *not* the Wife of the Lamb so that we will have the right feeling towards them. We do not fight with someone that does not see this exactly as we do, because they are not supposed to. They have their place just as we have our place. And when they hear a gospel

that is for them, it will fit them like a hand fits a glove. Well, our gospel fits *us* like a hand fits a tailor-made glove! Amen.

So here we are, Christ the Wife of the Lamb, showing forth our message that does not have any death in it. We are praising God, and our courage is high. We do not know *how* to get discouraged. We are clothed in fine linen, clean and white, which erases the death sentence from our minds. Our mentality is not on death, but life! Our Lord has given us life more abundantly, for the law of life overrode the law of sin and death on our mortal body because of our marriage to the Lord Jesus Christ, which made us part of the Godhead part of God; because that is what He is, the fullness of the Godhead bodily—and He took us as His Wife! Therefore, death has been taken from our mentality because there is abundant life for us, for as life increased, death decreased. And now death has been destroyed for us, but life will never be destroyed.

In being Christ the Wife of the Lamb, we are speaking to one another of the glory of our message that has no death in it. And that is about the only thing we know—how to rejoice in this wonderful way of the Lord and praise Him! And this Spoken Word of glorified flesh and bones that we are speaking is being put into written form, present-tense Word that is of and to the Wife of the Lamb. It is similar to what Paul wrote to the virgin in the day when he preached his espousal message; for he espoused a virgin to the Lord Jesus Christ to be married to Him. But she went to the grave because iniquity got in, and the marriage did not take place at that time. But then Christ Jesus came back as shown in the Book of 1 Thessalonians 4:14 and in the Book of Revelation, Chapter 10. And this coming of Christ Jesus

performed and consummated the marriage. And with His coming, God sent the spirits of the virgin saints to hear this last trump of God message that put glorified flesh and bones on them. And now they are not just spirits, but they are walking around, living in glorified bodies of flesh and bones that can appear or disappear at will. And those of us who did not go to the grave are in that same realm, as glorification is taking place in our mortal bodies. And *together* we will soon be caught away from this earth, and this earth will go into a greater level of trouble; and we are so close to that. And if we really knew just how close, it would probably shock us to know this present world system is coming to an end that quickly. But we are eternal. We are part of the same special part of the Word that created the Lord Jesus Christ. We have been married to Him, who is glorified flesh and bones; and being His Christ Wife, we are glorified flesh and bones of His glorified flesh and bones, and there is no death.

Notice, there is no death sentence for us, Christ the Wife of the Lamb, for our being dressed in fine linen, clean and white, took the death sentence away. But for the tribulation saints who give their lives willingly rather than to compromise on the things they know is right, they wash their robes and make them white in the blood of the Lamb. See, they will not go along with the immorality that is taking place in this day. They will not compromise, and they loved not their lives unto death. They are clothed in white robes, and they are before the throne of God and the Lamb, praising the Lord with palms in their hands. (Revelation, Chapter 7) And they are a happy group! So now multiply that joy for us, Christ the Wife of the Lamb, for whom death has already been destroyed!

O' precious Father, we thank you for your love and for all the good things that you are doing for us, Christ the Wife of the Lamb, and for leading us in this wonderful way of the Lord and making things happen for us that we did not know should happen, for letting it happen and then letting us see it all works for your glory and for our good. Amen.
