

Video Marketing Success

“How to Make Easy & Effective Marketing Videos”

Trainer Julia Glyde

If making videos to market your business is on your to-do list, but you've been putting it off, you don't want to miss this special, interactive training!

You Will Learn:

- Secrets to making videos that attract new clients
- The truth about how long videos should really be
- Sound, lighting, background and framing tips
- How to speak with confidence every time you push record
- The #1 thing every video should include

Walk away with a 1 minute promotional video, filmed on your smartphone, ready to post on your website or social media!

Julia Glyde has empowered thousands of business professionals to speak with confidence, share their message and build their business through videos!
