Many of these have been featured in his book series, “Minnesota Byways.” A born and raised Minnesotan, Doug Ohman explores the back roads with his camera and combines his art and passion for photography making a living publishing books, selling fine art, and public speaking. A free-will offering will be appreciated.

WEDNESDAY, OCTOBER 10 – Riverboat Cruise and Lunch, Taylors Falls and Pine Tree Apple Orchard

Enjoy autumn as we take a motor coach to Taylors Falls and board an authentic paddlewheel boat for a cruise on the St. Croix River. Relax for 2 hours and enjoy an outstanding lunch with a narrated tour of the historic St. Croix River valley. Our riverboat pilot will point out unique rock formations left behind as the glaciers retreated thousands of years ago. The lower level of boat is enclosed; the upper deck is open air, so dress for the weather if you want to go up-top (access via stairs). The riverboat is handicap friendly, but there is some walking down to the boat landing (a golf cart is available for those with mobility issues). Restrooms are on board. On our way home, we will stop at Pine Tree Apple Orchard to browse, shop, or enjoy an apple treat (not included in trip cost).
