

“Principal Ponderings” from Mrs. Humbert February 14, 2019

Parents and Guardians,

Well...we did it! We rescheduled Catholic Schools Week and were able to get in everything that was a top priority. **Thank you** to all the volunteers who also rearranged schedules to make things happen! If you haven't yet sent in money for Roller Skating and/or the Family Picnic please send in ASAP - with all the rescheduling it looks like several families may have forgotten! Thanks!

Heavenly Father,

“I want to thank you for the precious gift of love you have given to the world and to me. Thank you for blessing me every day with this love and the power and strength that I get from you every single day. Without your love for me I can't be....I can't function....I can't even breathe...because I NEED your love to sustain me. It's like food and medicine for my soul Lord.

Please continue to let me feel your comforting love in my life and Lord I give myself over to you to perfect in me this gift of love...that I may be able to express it and share it with others. Lord...I have not always been good at this...forgive me. Lord...some people are harder to love than others...but I want to be like your Son Jesus...so please continue the work you are doing in my heart so my heart will be like yours. In Jesus name I pray.”

Peace,
Mrs. Humbert
