Pike Lake One Acre Site -Coming Soon

Coming Soon- One Acre Pike Lake Chain Wooded Cabin site. Clear a spot in the woods enjoy now or build later. 215+/- feet of Thorofare Road frontage that feels like 20 acres.

Pike Lake Cabin site- One acre wooded ground in the heart of the Pike Lake Chain in Price County, Wi. Build your cabin in the "Golden Triangle" (best location in the chain). Next to the snowmobile trail, go south across Pike Lake to Muskie Jack's for Pizza night or go West across Round Lake to enjoy the fun & food at the Moosejaw Resort. This newly configured lot will be available soon (portion of the past lot). Boat launch across the street, Restaurants and Live Music on the lake, family events weekly, 2000 acres of water/4 lakes Great fishing and hunting. Everything you want in an active and recreational family lake community is right here. If you want to be secluded in nature with no community or activities, you can find that anywhere in the north woods. But if you enjoy the beauty and remoteness and a community of friends and fun for for your entire family then this is the spot! A building site with these qualities rarely comes available in the Pike Lake Chain Community or elsewhere. Perfect location to build your own cabin, toy barn or both- close to everything. Will cooperate with Brokers. Financing may be available.
