Escape to pure tranquility at Legacy Villas. Nestled in the most private and serene corner of this exclusive resort community, this exceptional townhome delivers unobstructed, breathtaking mountain views from virtually every vantage point.

At 2,082 square feet, this is the largest floor plan available—thoughtfully designed with three luxurious bedroom suites, each with its own private bathroom, plus a convenient powder room on the main level. The first-floor primary suite is a true retreat, featuring a cozy fireplace, elegant French doors that open directly onto your private patio, and a spa-inspired en-suite bathroom complete with a separate shower, deep soaking tub, dual vanities, and a private water closet. A second bedroom suite with full en-suite bath is also located on the main level for effortless single-level living.

The heart of the home is the open-concept kitchen, dining, and living area—perfect for relaxed gatherings or quiet evenings by the fireplace, with seamless indoor-outdoor flow to the patio. A dedicated laundry room with sink and direct garage access adds everyday convenience.

Upstairs, a third primary-style suite with its own luxurious bathroom provides even more flexibility for guests or multi-generational living.

Best of all, this home can be purchased fully furnished and turn-key, ready for immediate enjoyment. And because Legacy Villas is fully approved for short-term rentals, it doubles as a smart investment—generate income when you are away and reclaim your private mountain getaway whenever you desire.
