Perfect Combination of Artistry & Livability

Geometric Form Inspired by Its Site

Novel & Intriguing Use of Details & Materials

Widely published, never before toured, this property's geometric form was inspired by its site: a wall of glass reflects the contours of the hillside and a beautiful natural outcrop of rock. The incredible in/outdoor living with fluid open floor plan employs novel and intriguing use of details and materials throughout. There's even a peek-a-boo Bay Bridge view from the Master Bedroom Retreat. It's truly a delightful, magical property.

Located in one of Oakland's favorite neighborhoods, it is both convenient and accessible. Rockridge's College Ave. stores and restaurants are close as are easy commute options including Rockridge BART (a .8 mile stroll), Casual Carpool, and Highway 13 or 24 entrances.
