

# BlueDental Choice Plus

Did you know that dental health can have an influence on the development of conditions such as diabetes, coronary artery disease and low-birth-weight, premature babies? An undeniable relationship exists between a healthy mouth and overall good health. That means it is more important than ever for you to receive regular preventive dental care that will help you maintain not only your good oral health, but your good health in general.

BlueDental Choice<sup>SM</sup> Plus is a flexible PPO plan designed to encourage regular cleanings and preventive services that lead to good oral health and better overall health.

Our dental PPO network\* consists of quality dentists who have agreed to provide services based on a negotiated fee. When you use a participating dentist in the BlueDental Choice Plus network for your plan, you'll receive maximum plan benefits and be protected against balance billing (the difference between the BlueDental Choice Plus fee schedule and the dentist's normal charges). You also have the option of visiting a non-participating dentist although balance billing may occur. As a BlueDental Choice Plus member you can look forward to:

- No referrals or authorizations to see a general dentist or specialist.
- Access to one of the largest PPO dental networks in Florida.
- Access to a vast national network.

**Maximum Rollover** - Maximum Rollover is a BlueDental Choice Plus benefit that rewards you just for visiting the dentist. Each year when you visit the dentist and use less than the yearly claim payment threshold, you'll receive Rollover dollars to help cover future unexpected visits or higher out-of-pocket costs for complex procedures.

The following example shows how your Maximum Rollover amount is determined.

If your annual benefit maximum is:	AND your total claims paid for the benefit period do <b>not</b> exceed:	THEN we will rollover	Accumulated totals will be capped at:
\$1,000 - \$1,249	\$500	\$350	\$1,000
\$1,250 - \$1,499	\$600	\$450	\$1,250
\$1,500 - \$1,999	\$700	\$500	\$1,250
\$2,000 - \$2,499	\$800	\$600	\$1,500

It's that easy. Maximum Rollover is applied automatically as long as:

- You receive at least one covered service during your plan year
- You are an active member of your plan on the last day of the plan year
- You don't exceed the claim payment threshold in your plan year
